E-150 CHATEAU

# EQUIPPED

E-150 XLT in Light Parchment Gold/Mineral Grey two-tone. Shown with optional Chateau Appearance Package and Trailgate® Table (see dealer for availability).

The E-Series Chateau is equipped to go wherever America has fun. Step inside and seat yourself anywhere. Immediately you'll enjoy a commanding view of the road. The interior is unbelievably expansive and can be equipped as luxuriously as you desire. Power is also one of its greatest assets. Choose from five proven engines including the award-winning 5.4L Triton™ V8 with 350 lb.-ft. of torque. And even though the standard features list of the E-Series Chateau goes on and on, there are a few accessories that make it even more versatile. One is the optional hitch-mounted bicycle rack. Ingenious.

## E-350 SUPER DUTY

Properly equipped, E-Series can easily pull five tons of boat, trailer, personal watercraft, high school homecoming float, pontoon or garden equipment. If you can hitch it up, E-Series can bring it along. For the big stuff, we'd recommend the E-350 Super Duty. Then opt for the 7.3L Power Stroke® engine. You then will have empowered and enabled your E-Series to do the most. It's a great feeling to say yes to the challenge of five tons. And, oh yes, properly equipped means including the right hitch for the job. Choose the Trailer Towing Package option that gets the job done.

The XLT shown to the left features a great number of interior goodies including dual front captain's chairs, a terrific sound system, color-keyed carpeting from front to back, plus tilt steering. You'll find the complete list in the Specifications section.

# ENABLE

E-350 Super Duty XLT in Oxford White/Silver Birch two-tone.  
Shown with optional Chateau Appearance Package.

## E-SERIES INTERIOR

# EFFICIENT

E-Series XLT in Medium Flint. Shown with optional Chateau Appearance Package.

After you've stopped oohing and ahing over all that E-Series can do for you, take a peek inside. Every inch (and there are a lot of them) is efficiently used to give you as much convenience, luxury and versatility as possible. To your left is the Chateau 7-passenger quad captain's chairs configuration trimmed in durable cloth. Beautifully efficient. The instrument panel is straightforward. Easy to read. Easy to reach. And true to its word, you can choose from a complete series of sound systems from the in-dash CD below to the complete "home" entertainment center shown on the next pages.

# EASIEST

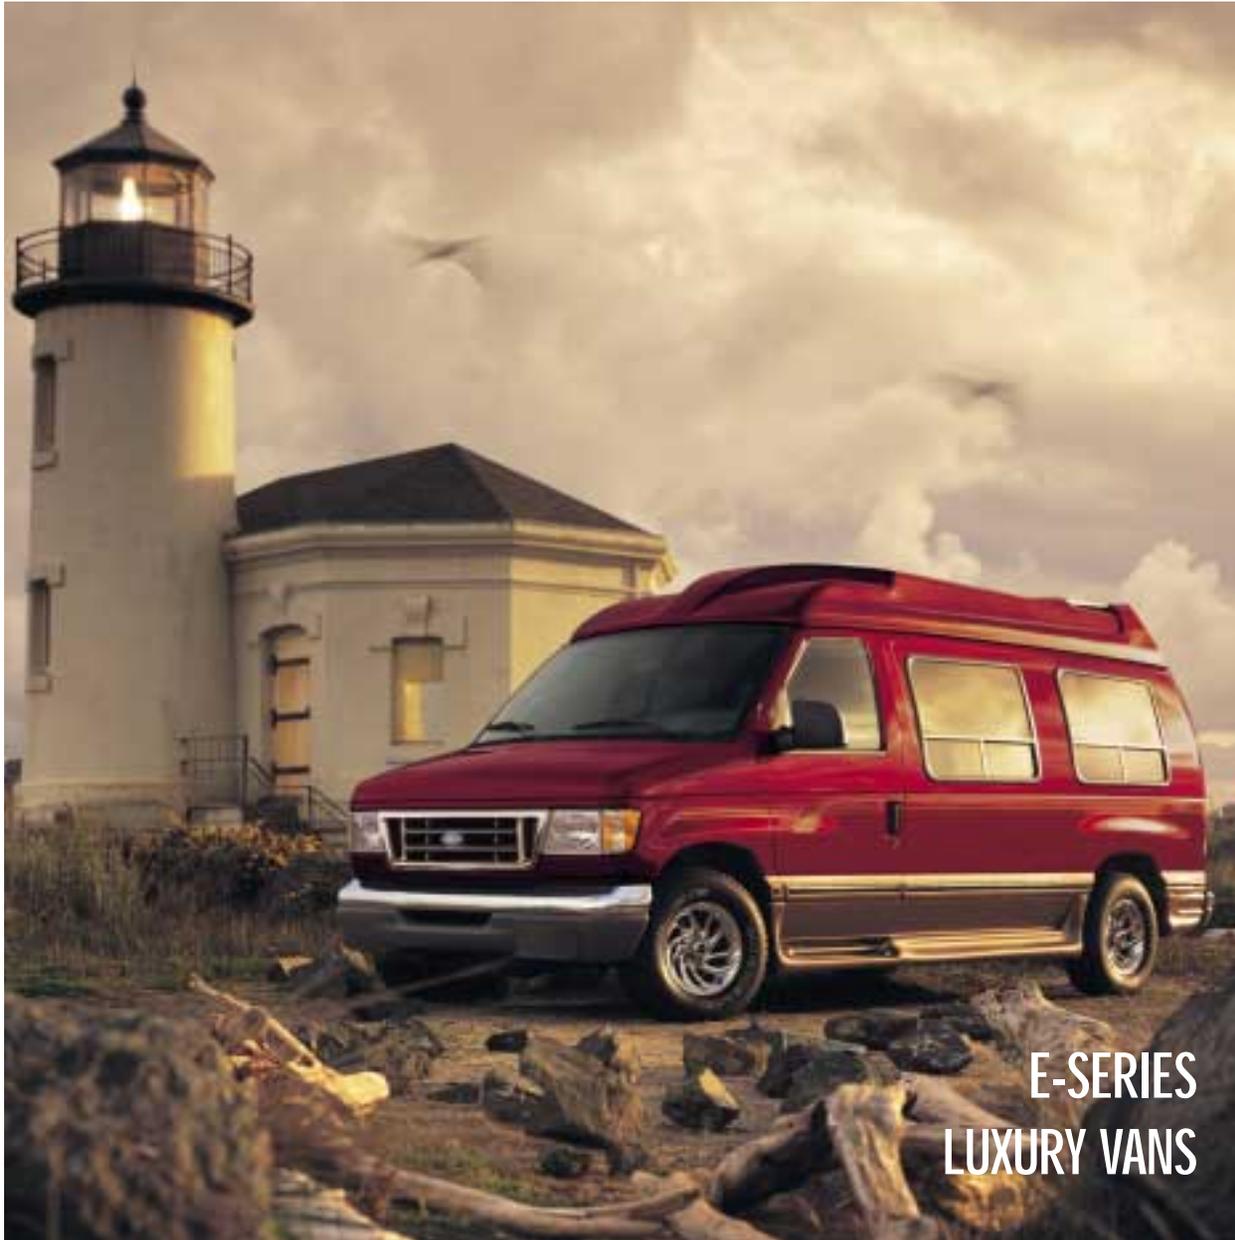

E-Series XLT in Medium Pebble.  
Shown with optional Chateau Appearance Package and leather trim.

Easiest? Easiest. The E-Series Chateau is so easy to make it what you want it to be. Choose leather trim and the interior easily becomes the ultimate in luxury. Whether it's a whole ball team, or just a few of your friends and loads of their camping gear, E-Series is up to the task. It's easy. Just remove a seat or two.

E-Series can also become the theater on wheels you've always dreamt about with its optional AutoVision® Video Entertainment System. It includes a VHS player, twin ceiling-mounted color monitors, headphones, audio jacks, remote control and two power points.

## E-SERIES LUXURY VANS

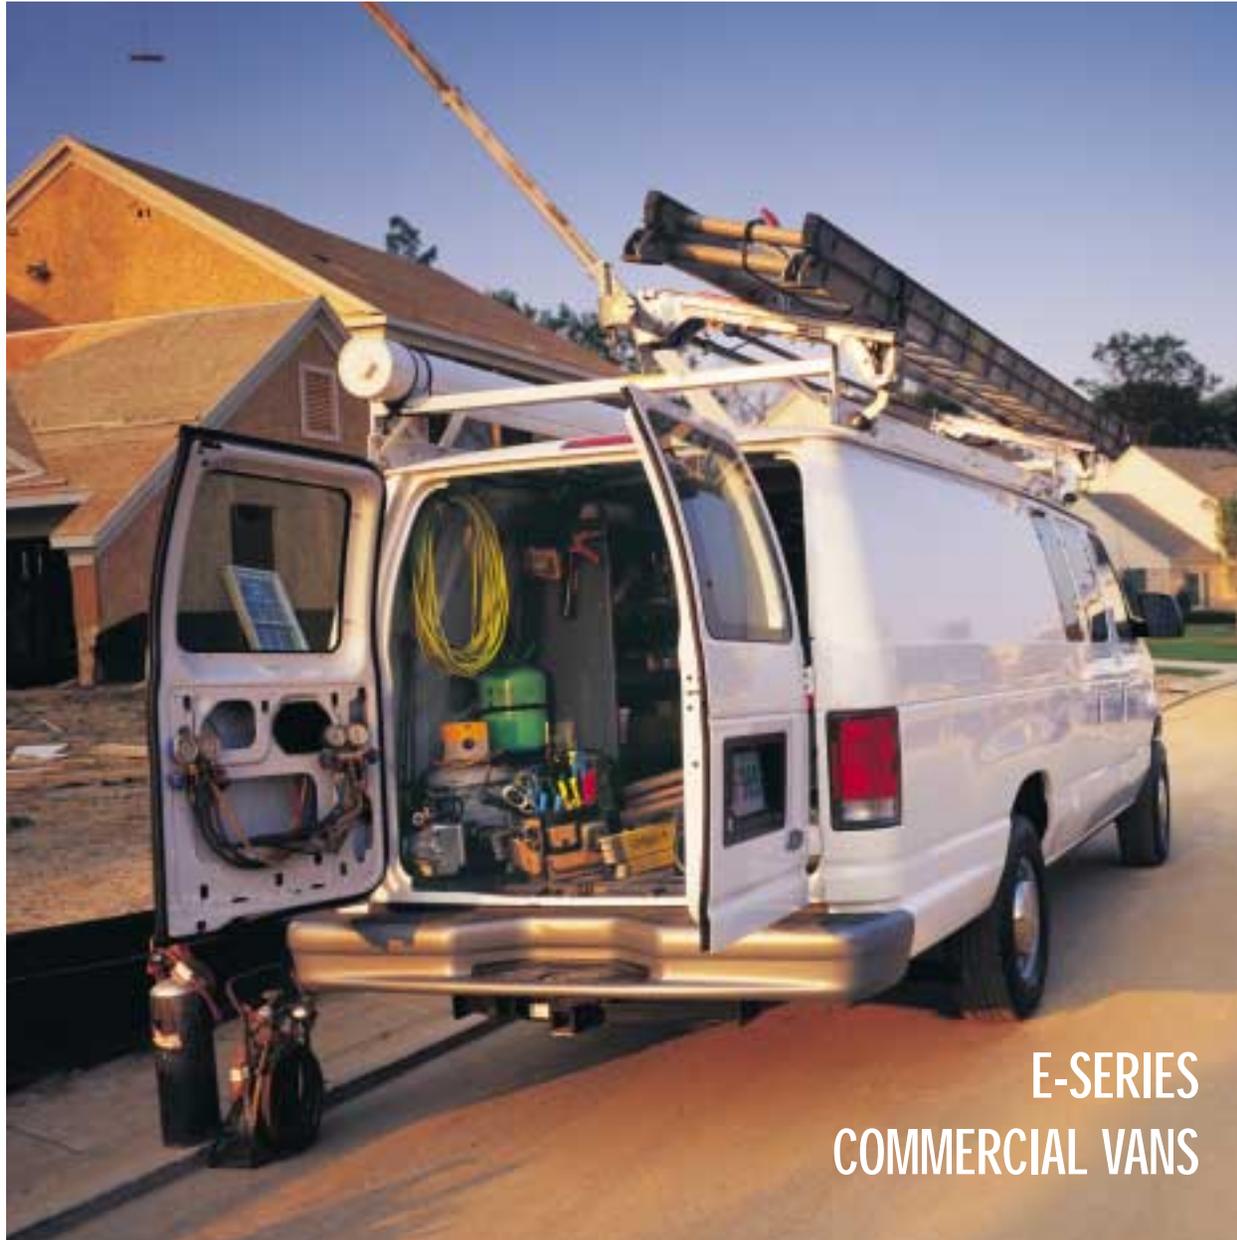

# E

# LABORATE

RV Conversion Van in Burgundy Red shown with aftermarket van conversion equipment. See your local Ford Dealer for a selection of luxury vans available from Ford-Authorized Van Converters.

As far as luxury and customization are concerned, E-Series can take you as far as your imagination. See your Ford Dealer for a selection of luxury vans available from Ford-authorized van converters.

## E-SERIES COMMERCIAL VANS

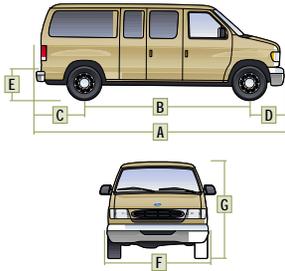

# ESSENTIAL

E-350 Super Duty Extended Length cargo van in Oxford White. Shown on the job with optional dealer accessories and tools of the trade. Available Econo Cargo System shown to the right.

For over 40 years, E-Series has been outfitted by craftsmen to get the job done right. From the E-150 Van to the E-350 Super Duty Extended Van, E-Series offers the power, maximum versatility and dependability that commercial applications demand. No matter how you equip the inside, you can be sure that underneath it's Built Ford Tough. For commercial applications of E-Series, please refer to the E-Series Commercial brochure.
