CHEVROLET

ALL-NEW 2022
BOLT EUV

Live life electric.

The exhilaration of driving and owning the All-New Bolt EUV is a feeling you'll experience every day.

It fits seamlessly into your life with sleek, bold SUV proportions and an EPA-estimated 247 miles of pure electric range[1] on a full charge. The refined, spacious interior seats up to five. You'll stay connected with wireless Apple CarPlay®[2] and wireless Android Auto™[3] compatibility. And it even invites you to let go and relax with the available Super Cruise™[4] hands-free driver assistance technology for compatible roads.

It seems the more you get to know the 2022 Bolt EUV, the better it gets.

Bolt EUV Premier in Silver Flare Metallic.

Front cover: Bolt EUV Premier in Silver Flare Metallic with available Roof Rack Cross Rails from Chevrolet Accessories.

1 EPA-estimated 247-mile EV range. Actual range will vary based on several factors, including temperature, terrain, battery age, loading, use and maintenance. 2 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 3 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. 4 Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. Visit chevrolet.com/electric/super-cruise for compatible roads and full details.

Apple CarPlay, iPhone, Siri and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. Android, Google Play and Android Auto are trademarks of Google LLC.

Bolt EUV at a glance.

- Bold exterior includes
  - SUV proportions
  - Muscular design
  - Sleek LED headlamps and taillamps
  - Sequential turn signals

Range.

- An EPA-estimated 247 miles of pure electric range[1] on a full charge
- Efficiency technologies like Regen on Demand™[2] and One Pedal Driving[3] also make Bolt EUV a joy to drive
- Michelin® Energy™ Saver All-Season tires with Selfseal® technology
- myChevrolet Mobile App[4] with Energy Assist uses real-time information to calculate the most efficient route
- Range Impacts Screen shows how select factors can affect range
- Efficiency History Screen displays energy efficiency for the previous 50 miles

Standard Regen on Demand[2] technology.

PLUG-IN PROMISE

Your electric one-stop shop to charge ahead with confidence. Plug-In Promise includes

- A hassle-free 240-volt outlet installation provided exclusively by Qmerit
- Help locating more than 40,000 compatible charging stations through the Energy Assist feature on the myChevrolet Mobile App[4]
- Access to an EV Concierge
- Chevy MyWay[5] live experience with a product specialist who is ready to answer all of your questions
- Exclusive 8-year/100,000-mile[6] Electric and Hybrid Vehicle Limited Warranty Coverage and Courtesy Transportation

Many easy ways to charge.

Basic	Fast	Faster	Fastest
LEVEL 1 120-volt Included Dual Level Charge Cord	LEVEL 2 240-volt Included Dual Level Charge Cord	LEVEL 2 240-volt 48-amp Charging Unit	DC FAST CHARGING
Charge with a 3-prong outlet	Hassle-free 240-volt outlet installation provided by Qmerit	Fastest way to charge at home	Offers accelerated charging while you're away from home
About 4 miles of range per hour of charge[7]	About 25 miles of range per hour of charge[7]	About 37 miles of range per hour of charge[7,8]	Available at public stations only
			Up to 95 miles of range in about 30 minutes[9]

1 EPA-estimated 247-mile EV range. Your actual range may vary based on several factors, including temperature, terrain, battery age, and how you use and maintain your vehicle. 2 Feature may be limited when the battery temperatures are extremely cold or hot or when battery is near full charge. See Owner's Manual for details. 3 Feature may be limited when the battery temperatures are extremely cold or hot or when battery is near full charge. Always use the brake pedal when you need to stop immediately. See Owner's Manual for details. 4 Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Terms apply. Device data connection required. Visit onstar.com and chevrolet.com for details and limitations. Energy Assist does not provide turn-by-turn navigation. 5 Chevy MyWay is available to anyone over 18 in the United States to access and experience via chevrolet.com/myway. 6 Whichever comes first. See dealer for details. 7 Actual charge times will vary based on battery condition, output of charger, vehicle settings and outside temperature. See Owner's Manual for additional limitations. 8 Requires 11.5-kW (48-amp) charging unit. Charging unit not currently available through Chevrolet. 9 Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See Owner's Manual for additional limitations.

Two models to choose from.

You can't go wrong when you're choosing an all-electric future in Bolt EUV.

LT

1 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. 2 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. 3 Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. Visit chevrolet.com/electric/super-cruise for compatible roads and full details. 4 When you select a monthly plan within 30 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. 5 Feature may be limited when the battery temperatures are extremely cold or hot or when battery is near full charge. Always use the brake pedal when you need to stop immediately. See Owner's Manual for details. 6 Feature may be limited when the battery temperatures are extremely cold or hot or when battery is near full charge. See Owner's Manual for details.
