Ranger FX4 Off-Road SuperCab

## THERE'S NO ROOM FOR "I THINK I CAN" OUT HERE.

With the compact, powerful Ford Ranger FX4 Off-Road, you can take on any path – highly travelled or just discovered. It has all the makings of a true off-road machine. We're talking standard all-terrain tires, 16" 5-spoke aluminum wheels, premium gas shocks, a limited-slip rear differential, front tow hooks and a 4.0L V6 (with 207 horses and 238 lb.-ft. of torque). Did we mention the 4x4 engagement? That puts you in charge when it comes to optimizing traction. And with skid plates covering the transfer case and fuel tank, you've got maximum protection on any surface. So go ahead. Get those more-than-capable wheels turning. You can leave your map and compass at home.

1. FX4 Level II is surefooted on any road with 31" x 10.5" BFGoodrich® KO tires and Alcoa® 15" 8-hole forged-aluminum wheels.
2. Ranger's 4.0L V6 delivers 207 hp and 238 lb.-ft. of torque.
3. Ranger's ergonomic controls are simple to navigate, with bold, easy-to-read gauges and trip odometer. An AM/FM stereo with a dual-media cassette/single CD player and MP3 capability rounds out the picture.
4. With Ranger, you can choose from a 60/40 split bench seat or available sport bucket seats. It's all about versatility. Inside and out.
5. Skid plates keep your truck well protected on rough, uneven terrain.

Ranger XLT SuperCab

## JACK-OF-ALL-TRADES

No matter where you're going or what you're doing, Ranger is ready for the job. The available Class III Hitch Receiver helps this workhorse tow up to 5,860 lbs. (Who said compact pickup trucks had to be compact on power?) And cargo box tie-down hooks help to ensure that you can make it from here to there with a bed full of cargo intact. With 4x4 engagement, you can switch things up for optimal traction - whether you're on city streets (2WD), rough back roads (4x4 HIGH) or hilly terrain (4x4 LOW). And available tow hooks and fog lamps just add to Ranger's qualifications. So, whether you've got the daily grind ahead of you - or plans to hitch up the boat and kick back at the lake, you know Ranger's versatile enough to do it all.

Ranger TREMOR SuperCab

## SHAKE THINGS UP.

Let them feel you coming – a mile away. The Ranger TREMOR Wheels and Tunes Package (exclusive to EDGE SuperCab) adds excitement to any drive with some seriously sonic vibrations. Its Pioneer® Sound System kicks out 510 watts of massive sound through a 6-disc in-dash CD changer with MP3 capability. And then, there's the multichannel amplifier, a 10" floor-mounted subwoofer with enclosure and four specially designed, polypropylene 6" x 8" coaxial speakers. So go ahead. Shake things up. Make waves. And let goose bumps announce your arrival long before you actually arrive.
