NAVIGATOR SEATING

Navigator's standard 7-passenger seating gives 2nd-row passengers dual reclining leather-trimmed seats and a large floor console. For easier access to the 3rd row, 2nd-row seats can be ordered without the center console as well. An available 8-passenger configuration features a 2nd-row 40/20/40 split-folding bench seat. And with a best-in-class 37.7" of leg room, adult passengers ride in comfort in Navigator's 3rd row.

NAVIGATOR L CAPABILITY

An extra 15.8" in length behind the class-exclusive PowerFold™ 3rd-row seat in Navigator L provides an additional 24.5 cu. ft. of cargo space² to fill. Even if the seats are occupied, you can still take home that specialty-store find. To create a flat loadfloor with an amazing 128.2 cu. ft. of space, just fold down the 2nd- and 3rd-row seats.

¹Ward's 2007 Auto Interiors Show. Lincoln Navigator beat the Cadillac Escalade, Chrysler Aspen, Nissan Quest and Land Rover LR3.

²Cargo and load capacity limited by weight and weight distribution.

THE ART OF ENTERTAINING

For 2008, a THX® II Certified Audio System is standard on all Lincoln Navigator models. This 600-watt audio wonder has an MP3-compatible 6-disc in-dash CD changer that handles your prerecorded or burned CDs, while an audio input jack in the front center console broadcasts your MP3 player through the speakers. If that's not enough, SIRIUS Satellite Radio provides over 130 channels of news, sports, personalities and 100% commercial-free music. It's yours to try with a courtesy 6-month subscription. To make your Navigator the envy of any cul de sac, select the optional Elite Package with a DVD-based Navigation System to help you find your way.

WITH NAVIGATOR, YOU'VE GOT THE POWER

Thanks to its abundant use of power features, Lincoln Navigator gives you the freedom to live your life to the fullest. And it starts the moment you get behind the wheel. Power-adjustable brake and accelerator pedals help you find your optimum driving position, while the power liftgate makes loading and unloading a breeze. For longer items, a press of the buttons in Navigator's ample cargo area folds down each side of the 60/40 split PowerFold™ 3rd-row seat, creating a flat loadfloor with 54.4 cu. ft. of space to fill (86.3 cu. ft. in Navigator L). New this year, an available Reverse Camera System helps you see what's behind you when backing up. Just check the rearview mirror for an accurate view.

On Navigator L, streamlined power-deployable running boards extend automatically whenever you open a door. After you're comfortably seated and the doors are shut, the running boards retract perfectly into the lower bodyside. To provide clearance in tight spaces, Navigator's power-folding, heated sideview mirrors can fold in and out. Built-in turn-signal indicators announce your lane-change intentions, while security approach lamps underneath cast a warm glow as you return to your vehicle in the dark. Finally, a power-tilt steering wheel helps you easily position it to your liking.

MASTER YOUR SURROUNDINGS

With Navigator's authoritative 5.4L 3-valve V-8 engine leading the way, you'll confidently call any road your own. These tenacious 8-cylinders produce a commanding 300 hp, plus 365 lb.-ft. of torque, empowering you to pass without hesitation and tow heavy loads with ease. In fact, properly equipped 4x2 models allow you to tow up to 9050* lbs.; 4x4 models, up to 8800* lbs. The fact that it achieves these numbers on 87 octane fuel is all the more impressive. A wide-ratio 6-speed automatic transmission makes the perfect mate for Navigator's V-8, improving shift quality through the transmission's small steps between gears.

A FOUNDATION OF STRENGTH

A firm foundation contributes greatly to the 2008 Navigator's impressive ride and smooth handling characteristics. Featuring a tube-through-tube design, Navigator's stiff frame works in tandem with monotube shocks at all four corners and a multilink Independent Rear Suspension (IRS). Bringing everything to a halt are large brakes and rotors that slow Navigator's standard 18" aluminum or available 20" chrome-aluminum wheels.

*Towing capacity for Navigator L: 4x2 - 8800 lbs.; 4x4 - 8550 lbs.
