

2006 PONTIAC VIBE

Life isn't one-dimensional. So why are most cars that way? Last time we checked, there was a giant world out there. Too big for categories. Too fast for anything that can't keep up. When you seize on every one of life's moments and feel it changing with every turn, you've got the Vibe. It's a Vibe that's big and small. A Vibe that's fun and serious. A Vibe that's flexible and wired. A Vibe that's never the same as yesterday. Just like life. Ready for anything it sends your way. The 2006 Pontiac Vibe. Designed for action.

Vibe shown in Salsa with available appearance package and Pontiac Accessories.

- Official EPA estimates not yet available. Estimates based on GM testing.
- Cargo and load capacity limited by weight and distribution.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your Pontiac dealer for additional details.
- Not available with XM Satellite Radio.
- Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
- Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual and child safety seat instructions for more safety information. Front-seat side-impact air bags help reduce the risk of certain injuries to front-seat occupants in side impacts.
- Included and available only with four-wheel antilock brakes (front disc/rear drum) or Security Package.
- Requires Preferred Package.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
- Requires Sun and Sound Package.
- Requires four-speed automatic transmission, four-wheel antilock brakes, and Preferred Package. Not available with 17-inch cast-aluminum wheels.
- Power door locks are not programmable when five-speed manual transmission is ordered.
- RDS functions only where stations broadcast RDS information.
- XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xmradio.com for more details.
- Requires Monsoon Premium speaker system and AM/FM stereo with CD player.
- Included and available only with Sport Package.
- Requires four-wheel antilock brakes (front disc/rear drum).
