

13 BUICK
ENCORE

LUXURY THAT FITS
YOUR LIFE. ALL IN A
SIZE THAT FITS YOU.

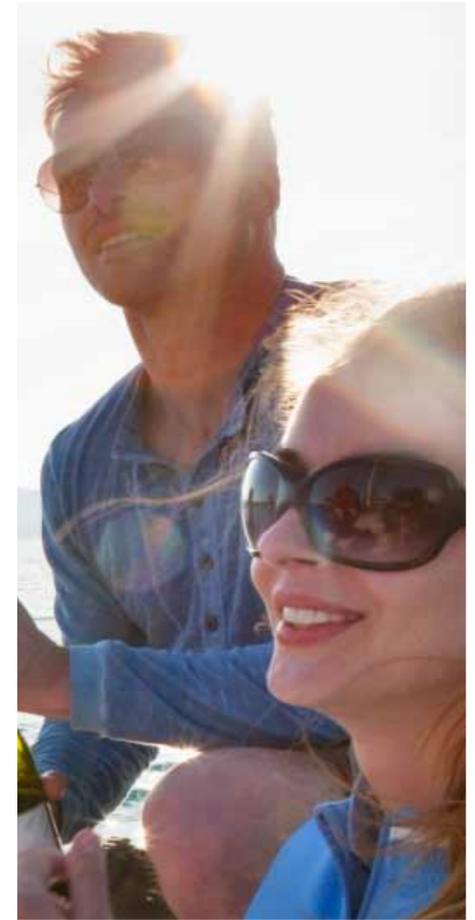

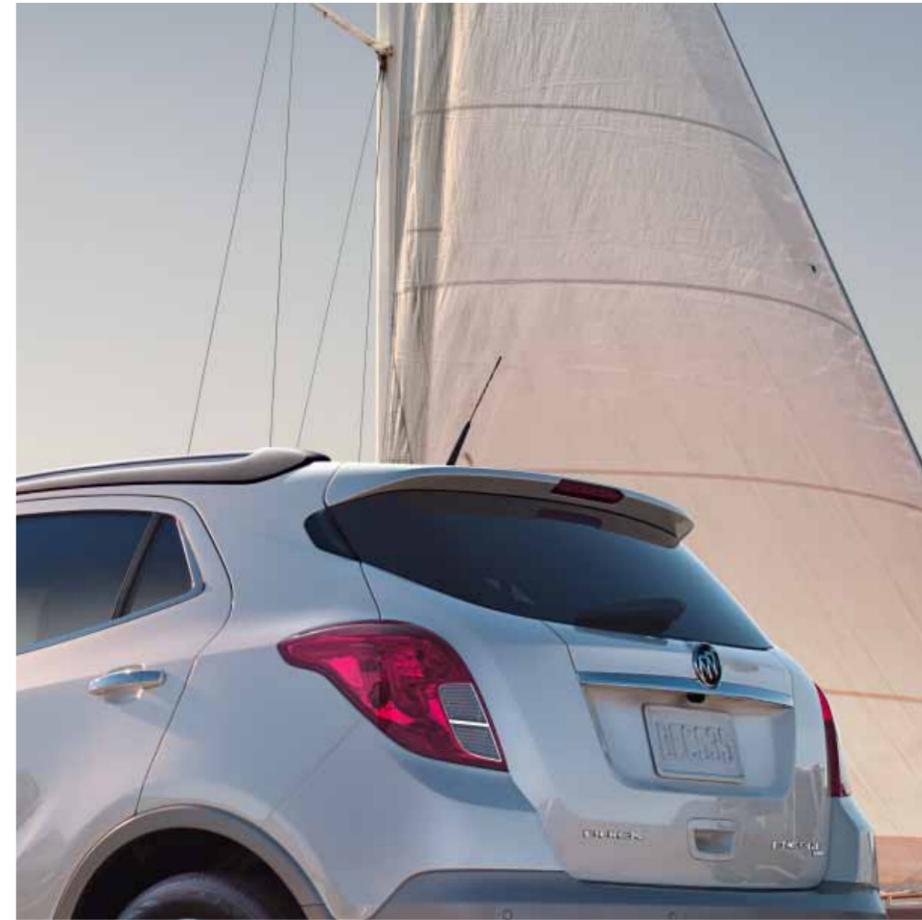

TODAY,
CASUAL FRIDAYS CAN HAPPEN EVERY DAY.
YOUR FORMAL DINING ROOM MAY HAVE GONE INFORMAL.
AND JEANS JUST MIGHT BECOME YOUR BLUE SUIT.

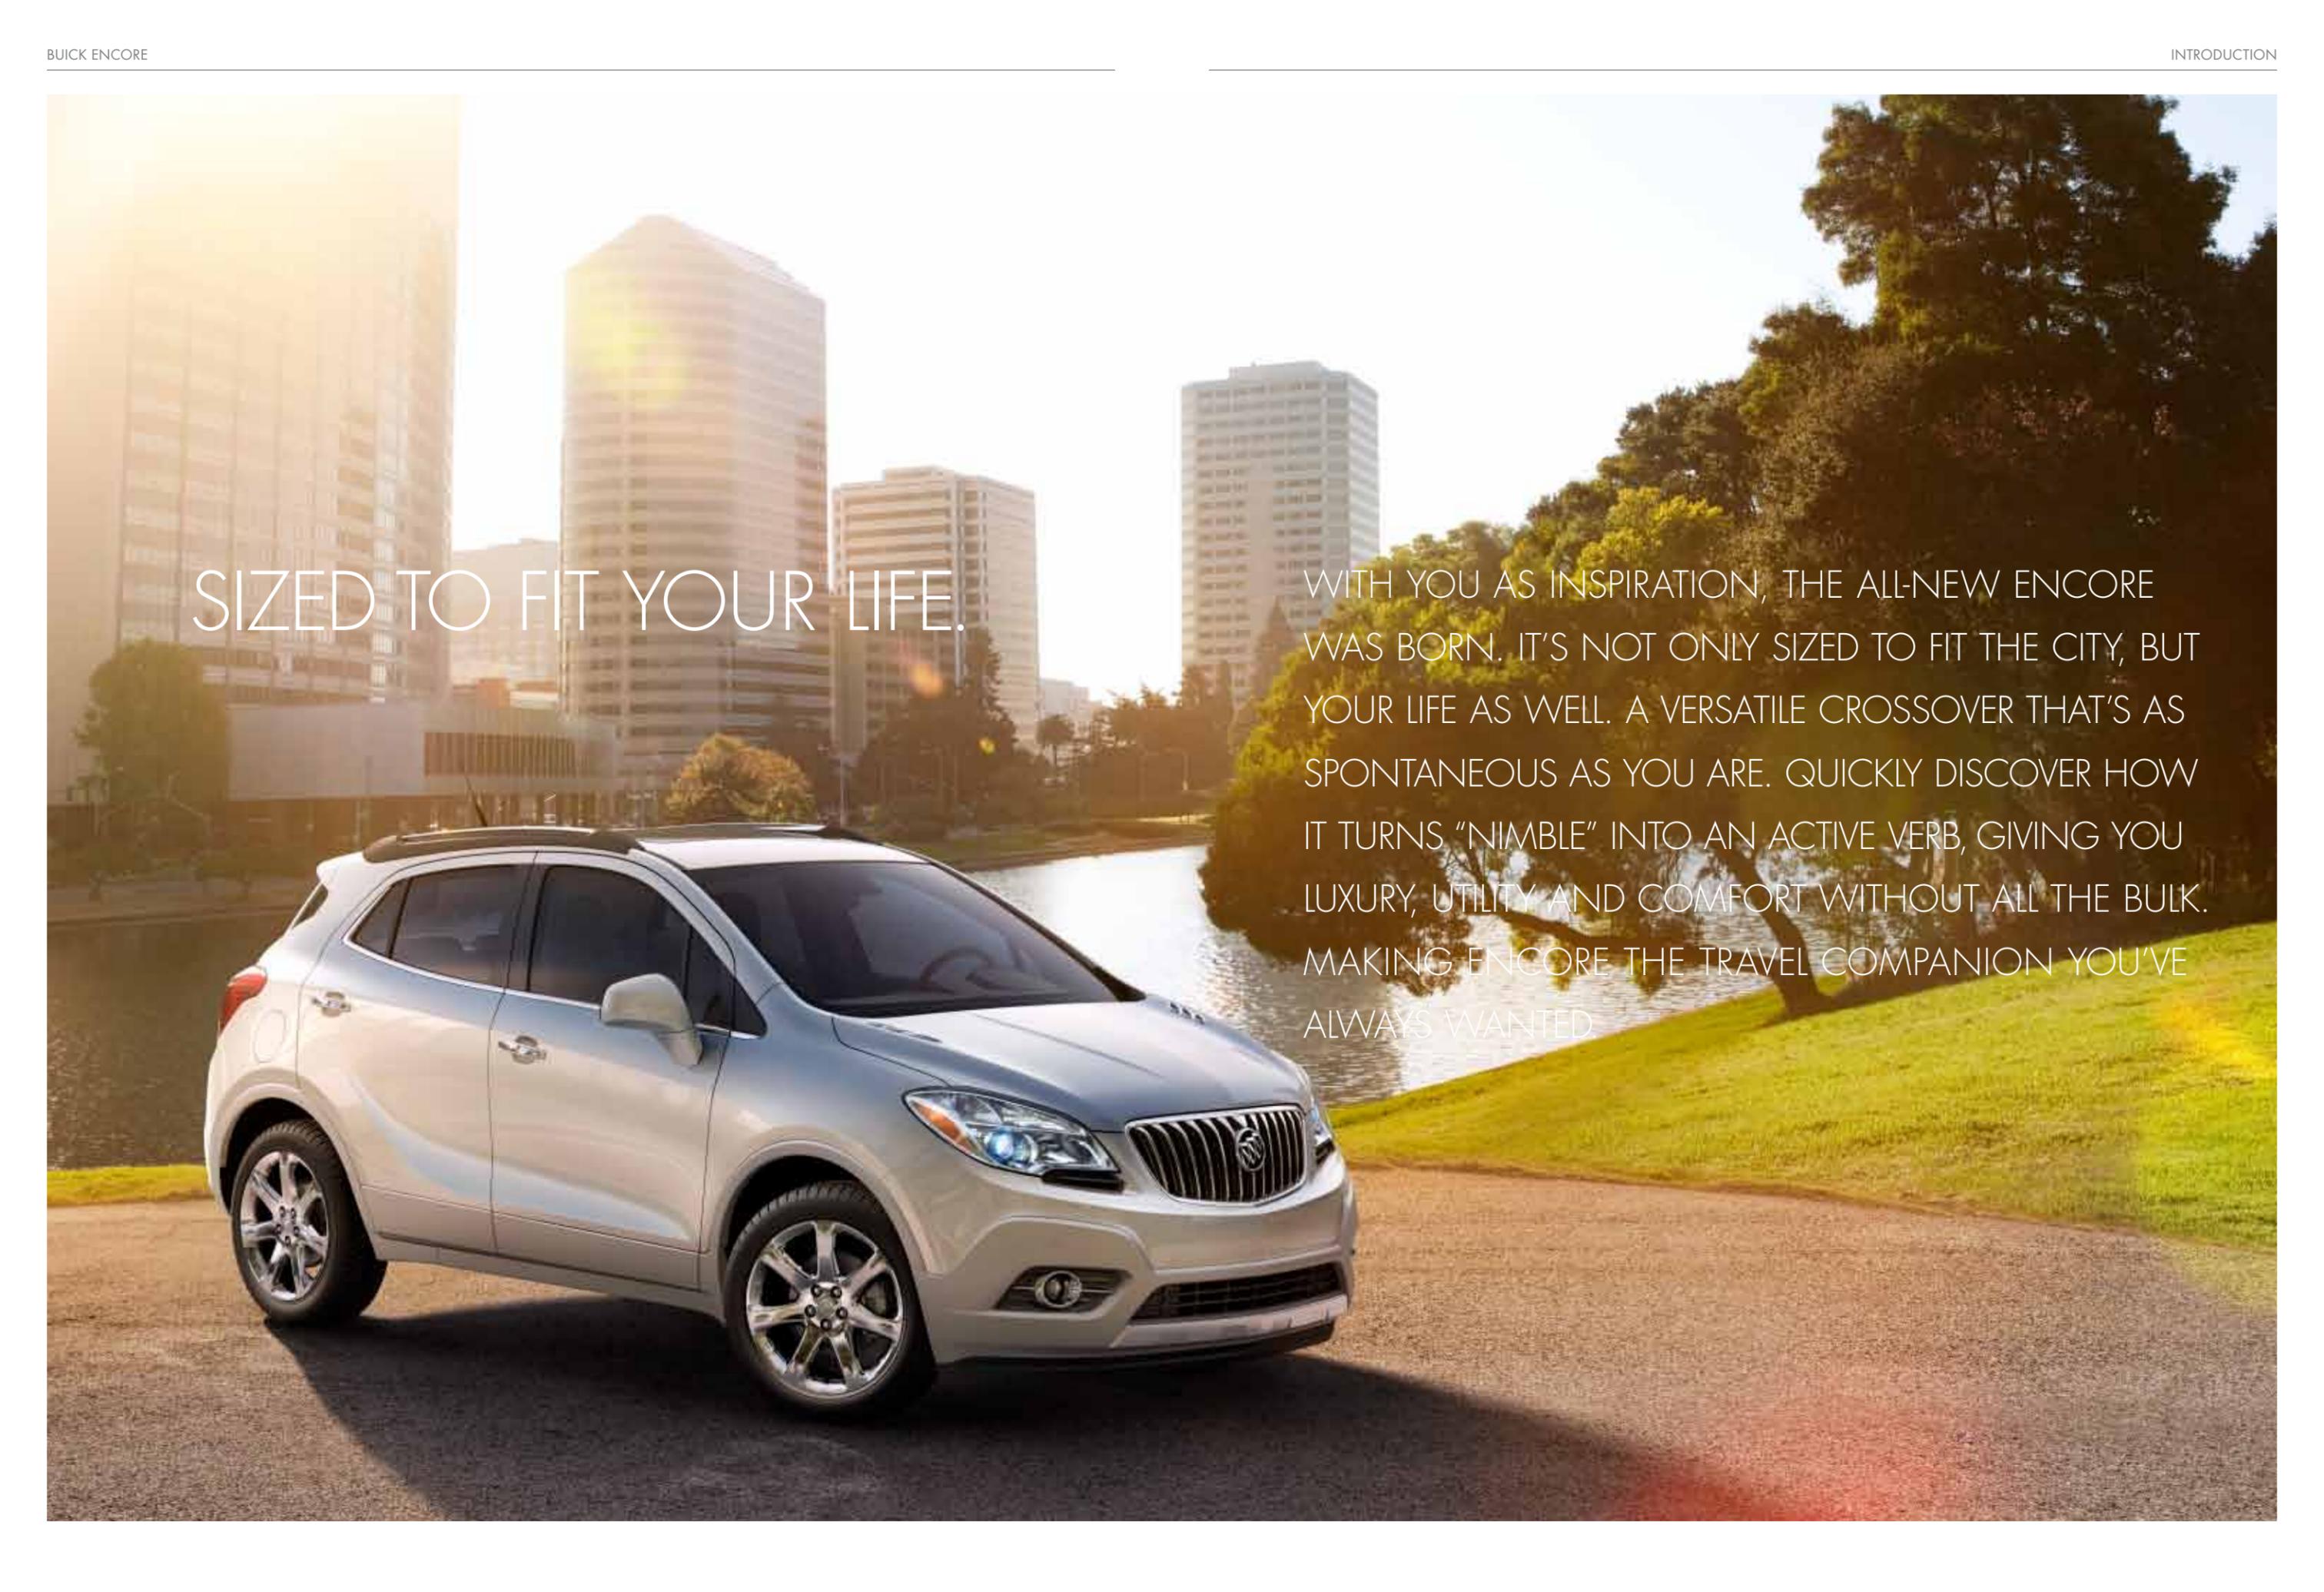

THIS IS A NEW APPROACH TO LIVING AND TO LUXURY.
WHERE INVITATIONS AREN'T ENGRAVED, THEY SIMPLY SAY,
"COME AS YOU ARE." THIS IS A STYLE THAT FITS YOU.
IT'S YOUR KIND OF LUXURY.

WHERE THE
MOMENT
TAKES YOU.

SOME OF OUR MOST MEMORABLE EXPERIENCES ARE THOSE WE DIDN'T PLAN. IT'S CALLED "ENJOYING LIFE AS IT COMES." MAKING THE MOST OF EVERY MOMENT. GOING WHEREVER YOUR NEXT IMPULSE TAKES YOU IS ONE OF LIFE'S GREAT LUXURIES. AND ONE OF THE MANY YOU'LL FIND IN ENCORE.

A silver Buick Encore SUV is shown from a front-three-quarter view, parked on a paved path. The background features a river, lush green trees, and several modern high-rise buildings under a bright, hazy sky. The overall scene is bright and airy, suggesting a lifestyle of urban convenience and outdoor recreation.

SIZED TO FIT YOUR LIFE.

WITH YOU AS INSPIRATION, THE ALL-NEW ENCORE WAS BORN. IT'S NOT ONLY SIZED TO FIT THE CITY, BUT YOUR LIFE AS WELL. A VERSATILE CROSSOVER THAT'S AS SPONTANEOUS AS YOU ARE. QUICKLY DISCOVER HOW IT TURNS "NIMBLE" INTO AN ACTIVE VERB, GIVING YOU LUXURY, UTILITY AND COMFORT WITHOUT ALL THE BULK. MAKING ENCORE THE TRAVEL COMPANION YOU'VE ALWAYS WANTED.

THE FAMILY RESEMBLANCE
IS QUITE STRIKING.

Sure, it has Buick signature design cues like a waterfall grille, ice-blue-accented projector-beam headlamps and chrome portholes—yet that's where the similarity ends. From sketch to sheet metal, Encore carves out its own blend of style and confidence in a decidedly efficient package. This is a new style of luxury designed to be ready to go on a moment's notice and sized to fit almost anywhere. Enjoy.

IT'S AMAZING WHAT
YOU CAN DO WHEN ALL
WHEELS COLLABORATE.

Encore's available All-Wheel Drive (AWD) system doesn't ask you to push buttons. It constantly monitors traction, and whenever it detects slip, AWD is automatically activated. Power is delivered to the front or rear wheels with the best grip. This is the perfect way to put its efficient ECOTEC 1.4L turbocharged engine to work. To help maneuver city streets and winding country roads, you'll also find Encore's handling is beyond nimble. Variable-effort electronic power steering produces a 36.7-foot turning diameter so you can make quick, precise moves. Its 100.6-inch wheelbase and broad 60.6-inch stance also provide a confident driving feel, while a solid structure enables a refined, quiet ride.

WHERE TO NEXT?

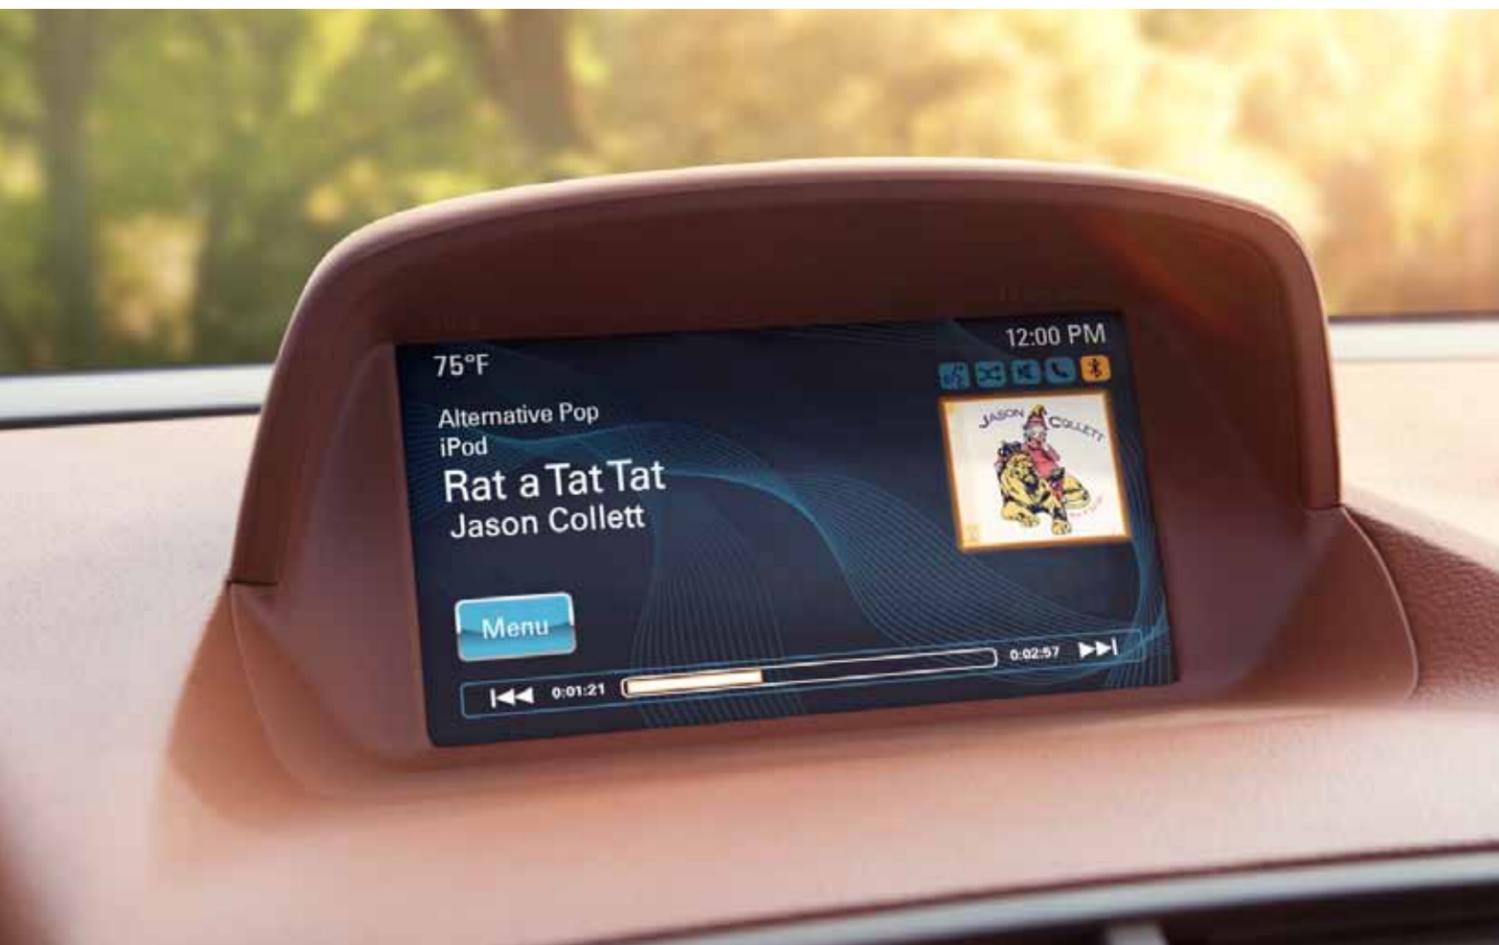

Encore's available voice-activated Navigation System¹ guides you to over 6 million miles of North American roads. And to help avoid traffic congestion, optional NavTraffic² (with 3-month trial of SiriusXM) incorporates real-time traffic and road conditions into your NAV screen, directing you toward the most efficient route. Now, SiriusXM offers Travel Link³ to give you the latest fuel prices, weather and movie listings wherever you go. Encore also helps improve your view of the road. With available Rainsense technology, your wipers are automatically activated by the first drops of rain and then continually adjust their speed to make sure your view is clear. All the while, available front and rear park assist, along with the standard rearview camera, allow you to turn tight "can I make it?" spaces into the perfect parking spot.

¹Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico, Canada and Mexico. ²If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms and geographic limitations at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. ³Included with 3-month SiriusXM trial.

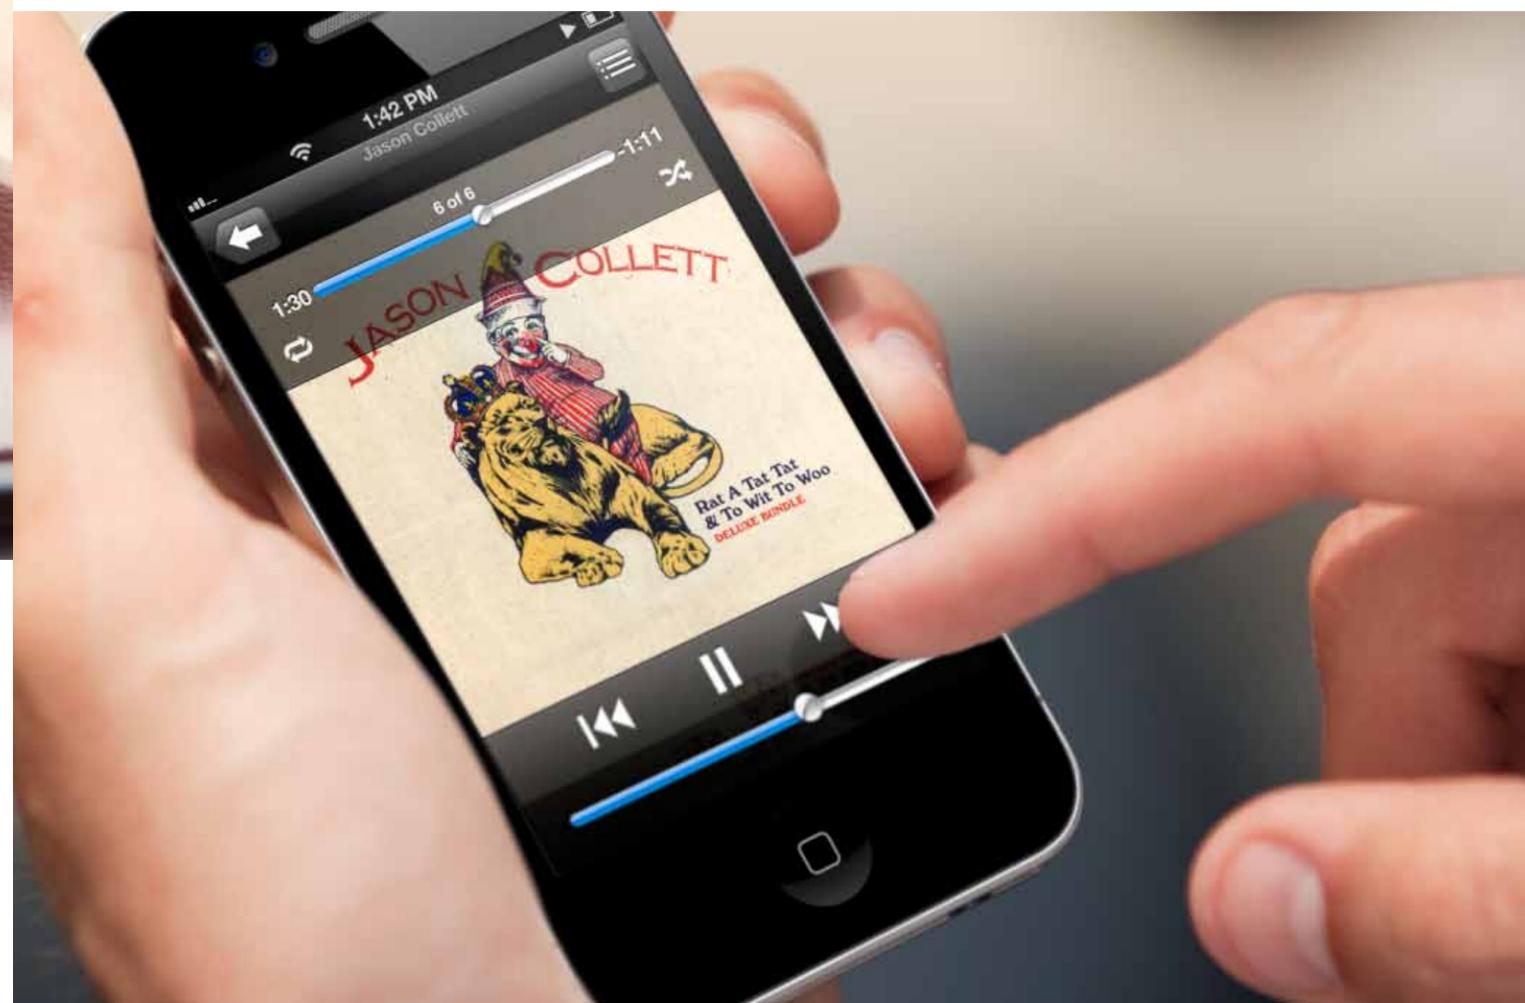

HEAR WHAT QUIET SOUNDS LIKE.

Encore's QuietTuning technology reduces, blocks and absorbs noises—helping to keep the quiet in and the noise out. A laminated windshield, triple door seals, tight body panel tolerances and other acoustical innovations make it all possible. But we didn't stop there. In the first use of Bose® Active Noise Cancellation in the Buick lineup, unwanted sounds fade into the background. It's a technology also found in today's noise-cancelling headphones. This way you can hear yourself think, chat and, of course, enjoy the available Bose premium seven-speaker audio system with sound-expanding amplification that fills Encore with musical enjoyment.

TURN ENCORE
INTO YOUR MOBILE
ENTERTAINMENT CENTER.

Encore allows you to personalize your listening options—music, news, sports and other features—just by saying the word. Your voice is all you need to control the Buick IntelliLink¹ interactive audio system and even make hands-free calls. Using Bluetooth^{®2}, it connects your compatible smartphone to a high-resolution, 7-inch LCD screen. With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to audio apps on your phone such as Pandora[®] internet radio or Stitcher[™] SmartRadio and SiriusXM Satellite Radio³ (with 3-month trial). IntelliLink also automatically stores your phone contacts for quick access. There's even a USB port⁴ to connect your other media devices. You're doing all of this while keeping your hands on the wheel and eyes squarely on the road.

¹Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. ²Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. ³If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. ⁴Not compatible with all devices.

Encore's available Forward Collision Alert and Lane Departure Warning use sophisticated digital imaging technology to help you avoid trouble before it happens. Forward Collision Alert provides audible and visual cues if you're quickly approaching another vehicle and it senses a collision may occur. Lane Departure Warning lets you know if you happen to wander from your lane without using your turn signal. It has your back, too, with a Rearview Camera System to help you see objects while in reverse.

We also gave Encore 10 standard air bags,¹ including dual front, head curtain side, front and outboard-mounted rear-seat side-impact air bags and even driver and front-passenger knee bags. And so you're not alone, OnStar,² standard for 6 months, is there. Automatic Crash Response alerts OnStar to send help fast, even if you can't ask for it. The OnStar RemoteLink smartphone app³ gives you access to real-time info (fuel level, remaining oil life, tire pressure,⁴ etc.) and allows you to start Encore⁵ and unlock its doors from almost anywhere. Another way to stay connected is with the myBuick app.⁶ It includes features like Find My Car to locate where you parked, schedule service and get roadside assistance if you ever need it. You can even search your digital Owner's Manual to find useful information.

IT'S LIKE HAVING
YOUR OWN COPILOT.

¹Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.
²Visit onstar.com for coverage map, details and system limitations. Services vary with conditions. OnStar acts as a link to existing emergency service providers. ³Requires active OnStar subscription, which is standard for 6 months, and select BlackBerry, Android™ or iPhone® platform. ⁴Does not apply to spare tire. ⁵If equipped with available Remote Vehicle Start. ⁶Requires iPhone, Android or select BlackBerry platform.

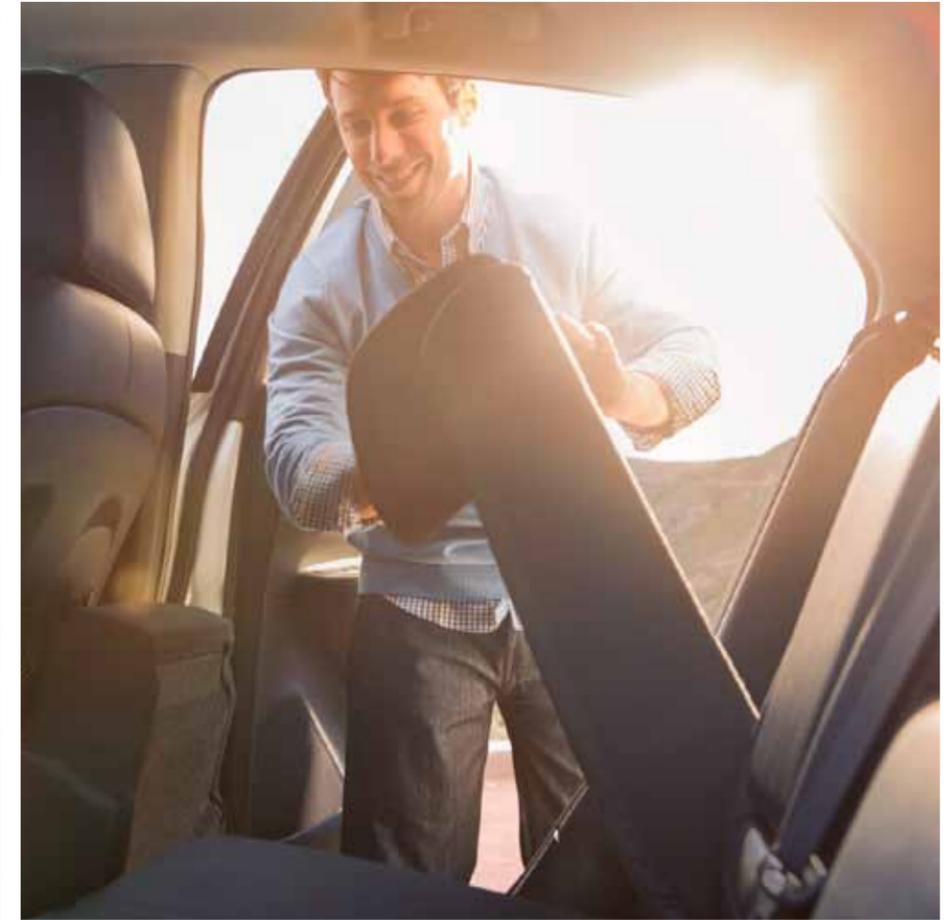

ROOM FOR JUST ABOUT ANYTHING. INCLUDING YOUR NEXT TRIP.

You and your friends are planning to head out of town and hit the road. No worries. With available all-wheel drive, innate maneuverability and flexible space inside that adapts to almost anything, Encore can take you there. Today's luxury means being capable and versatile enough to move around town with ease during the week and able to handle your weekend adventures without leaving much behind. That's where Encore comes in.

FLIP. FOLD. REPEAT.

When you're out and about, wouldn't it be nice to easily adapt to whatever comes your way? Like being able to pick up all the supplies you'll need for a getaway? Or having plenty of seating so you and four of your friends can travel in style? The answer is yes. Encore's five-passenger seating easily transforms to cargo space with front-passenger and second-row seats that fold flat. Flip the second row down and nearly 50 cubic feet is yours to play with! Even with the rear seats up, you have almost 20 cubic feet of room!

¹Cargo and load capacity limited by weight and distribution.

A STYLE ALL YOUR OWN.

EBONY COLOR PALETTE
Leather-appointed seating

Slide inside Encore and discover that it's designed with your enjoyment in mind. Seamlessly flowing lines, highlighted by ice-blue ambient lighting, create a relaxed yet spacious environment. The instrument panel's "low and away" design gives a feeling of openness while soft-to-the-touch materials like a leather-wrapped steering wheel and available leather-appointed heated front seats add to your comfort. Plus, a heated steering wheel is available to help you enjoy soothing warmth when it's cold. So go ahead and choose the color palette that best suits your style.

YOUR KIND OF LEATHER.
YOUR KIND OF DESIGN.
YOUR KIND OF LUXURY.

Knowing what you like, Encore features highly crafted materials that feel good to the touch: available supple leather-appointed seats with French seam stitching, premium fabrics, wood-grain tones and distinctive metallic accents. Even the headliner cover is made of a knit material designed to please the ears as well as the eyes. It's one of several acoustical layers that help quiet the cabin. Now you have the pleasure of selecting from the leather-appointed or cloth combinations that fit your taste to a T.

A PLACE FOR EVERYTHING.

Smart, efficient design ensures that your carry-ons have their own well-thought-out place. Encore gives you plenty of options. Dual glove boxes mean your travel companions have a convenient place for their stuff. There's a handy storage spot perfectly sized for your cell phone to the driver's left. Nearby are controls for the available heated steering wheel. And to shed a lot of natural light on everyone, Encore offers an available power sunroof.

HERE'S WHAT GOES INTO ENCORE. NOW YOU CAN MAKE IT YOUR OWN.

OK, so this is where you come in. It's your turn to personalize Encore with one of the equipment groups and its available options.

IMPORTANT WORDS ABOUT THIS CATALOG

Since some information may have been updated since the time of printing (November 2012), please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

NEW-VEHICLE LIMITED WARRANTY. This warranty is for GM vehicles registered in the U.S.A. See your Buick dealer for terms and conditions.

A 6-year/70,000-mile (whichever comes first) Transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation. An 8-year/100,000-mile (whichever comes first) Limited Warranty on certain eAssist components.

Covered for 4 years/50,000 miles (whichever comes first): The complete vehicle | Cosmetic corrosion resulting from defects | Tires | Repairs made to correct any vehicle defect | Towing to your nearest Buick dealership | No charge for most warranty repairs.

Covered for 6 years/100,000 miles (whichever comes first): Rust-through corrosion.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES. Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

ASSEMBLY. Buick vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Buick vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES. Buick products are equipped with engines produced by GM Powertrain or other suppliers to GM

worldwide. The engines in Buick products may also be used in other GM makes and models.

TRAILERING AND OFF-ROAD DRIVING INFORMATION. Please go to buick.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

FLEET ORDERS. Some standard content may be deleted with fleet orders. See dealer for details.
