

2011 Acura

TL

THE 2011 ACURA TL. IT IS A MEASURE OF TECHNOLOGY'S ABILITY TO INSPIRE. A BENCHMARK IN GRACE, STRENGTH, EFFICIENCY AND PRECISION. WITH THRILLING ATHLETICISM AND THE CHOICE OF TWO POTENT ENGINES. IT IS POWER. PERSONIFIED.

TL SH-AWD SHOWN IN PALLADIUM METALLIC. TL SHOWN IN GRIGIO METALLIC.

TL SH-AWD SHOWN IN POLISHED METAL METALLIC WITH AVAILABLE 19-INCH HIGH-PERFORMANCE TIRE AND WHEEL PACKAGE.

A DRIVER ENGAGES. A VEHICLE ENABLES.

Designed to work
intuitively. Respond
instinctively.

Get behind the wheel of the TL and one fact becomes immediately clear: this is a driver's car. As such, every element works without distracting from the task at hand. Complexity gives way to clarity. From the placement of the gauges to the feel of every control, the cockpit has been precisely engineered to make you more relaxed, more comfortable, more in command. The intuitive nature of the TL is evident in the steering wheel with its illuminated paddle shifters. In a gauge cluster that includes a Multi-Information Display to help you quickly keep tabs on a variety of vehicle systems. In an available rearview camera that offers colored guidelines for more accurate maneuvering. And with the available Technology Package, you can bring the entire experience to life with a touch of the push-button ignition.

TL SH-AWD SHOWN IN TAUPE LEATHER WITH AVAILABLE TECHNOLOGY PACKAGE.

IT'S NOT JUST A SEAT, AN ARMREST OR A
STEERING WHEEL. IT'S A CONTACT POINT.

You'll be pleased to find that inside the TL's driver-focused cabin, refinement wasn't an afterthought. In crafting the vehicle's interior, Acura designers took special care to ensure that every detail excels in its ability to comfort, engage and inspire. It is an environment rich with high-quality, soft-touch materials. With the available Technology Package, these include full-grain Milano perforated leather seats. The perfect accompaniment to this material richness is an available GPS-linked climate control system that senses if one side of the cabin is getting more sun and adjusts the climate zones to keep things cool. After all, a comfortable driver is a better driver.

ENGINEERING THAT UNDERSTANDS PERFORMANCE IS A TWO-WAY STREET.

The true nature of the relationship between driver and sport sedan is most apparent the moment you turn into a tight curve. Instead of simply imposing your will onto the vehicle, true performance is more accurately described as a conversation. Acura engineers have labored to ensure that the TL more than keeps up its end. The fully independent, sport-tuned suspension features advanced damper valves and high roll stiffness for direct, linear response to driver input. Speed-sensitive steering is tuned to provide visceral feedback. Special ducts on the TL SH-AWD help cool the front brake discs for better fade resistance and more precise control. Keeping out unwanted interference from the conversation are chassis and engine mounts designed to isolate the cabin from vibrations without compromising handling or steering precision.

TL SH-AWD SHOWN IN PALLADIUM METALLIC.

advancing athleticism

- DOUBLE WISHBONE FRONT SUSPENSION
- MULTI-LINK REAR SUSPENSION
- ELECTRIC VARIABLE POWER-ASSISTED STEERING (EPS)
- AVAILABLE 19-INCH ALUMINUM-ALLOY WHEELS (TL SH-AWD)
- 4-WHEEL DISC BRAKES WITH ABS AND BRAKE ASSIST

SIX-SPEED MANUAL TRANSMISSION THE SHORT-THROW SIX-SPEED MANUAL TRANSMISSION AVAILABLE ON THE TL SH-AWD REDUCES THE VEHICLE'S WEIGHT BY 86 POUNDS, FURTHER ENHANCING ITS ALREADY CONSIDERABLE ACCELERATION, BRAKING AND CORNERING CAPABILITIES.

OUR MOST SUCCESSFUL ATTEMPT YET IN CONVERTING GASOLINE TO ADRENALINE.

Engine performance is most commonly measured in horsepower, torque and 0-to-60 times. Acura engineers are also concerned with fine-tuning how the driver experiences it, providing thrilling response no matter where the tach needle lies. To that end, the TL's 3.5-liter V-6 engine features Acura's VTEC® system. Open the throttle and an immediate burst of low-end torque keeps your back pinned firmly against the driver's seat. At speed, intake valves open wider and longer, giving the TL its second wind. The effects can be measured in performance charts, as well as in the quickening of your heartbeat and the shortening of your breath.

The heart of the TL SH-AWD is a 3.7-liter V-6. It's the most powerful production engine Acura has ever built and rivals the output of many larger engines. An innovative variable valve system manages both air intake and exhaust so it breathes deeply, getting more power out of every stroke for seemingly limitless acceleration. On both engines, power is sent to pavement through a sophisticated 5-speed automatic transmission. An available close-ratio 6-speed manual on the TL SH-AWD lets you explore the limits of the engine's output by keeping the revs precisely where you want them.

SUPER HANDLING ALL-WHEEL DRIVE.
OR HOW TO MAKE A MOVING OBJECT STICK.

Up to 70%

of power can be directed to the rear wheels when cruising through a corner.

Up to 45%

of power can be directed to the rear wheels during straight-line acceleration.

If you want to get a measure of the TL's capabilities, pick a road, any road. And as the landscape beneath your tires constantly changes, Super Handling All-Wheel Drive™ (SH-AWD®) helps ensure that your feelings of confidence never waver. And while the TL SH-AWD is more than adept at taking on a sudden downpour or an errant snowdrift, its road-holding ability can be most keenly felt as you charge through an ever-tightening curve. Continuously monitoring all four wheels, it directs power to where it will be most effective. Take a corner and the system can send up to 100% of available rear-wheel torque to the outside wheel and then spin that wheel slightly faster. The combination of these two actions dramatically improves the vehicle's turning force, not only increasing stability and control, but also delivering more thrilling response.

Up to 100%

of rear power can be directed to the rear outside wheel when accelerating through a corner.

TL SH-AWD SHOWN IN WHITE DIAMOND PEARL.

WHEN YOU HAVE THE ABILITY TO SEE WHAT LIES AHEAD, FORESIGHT IS POWER.

While the considerable power the TL gives you does not include the ability to alter the weather, the level of data that it supplies certainly helps you make the most informed decisions. The available Acura Navigation System with Voice Recognition™¹ not only provides current and 3-day weather forecasts, but it can also display a weather radar image map and advise you of severe conditions along your intended route.³ The system also lets you keep an eye on traffic and provides lane guidance information to help you through unfamiliar highway interchanges.⁴

The high-resolution screen gives you more precise information, as does the next-generation point-of-interest database with its over 7,000,000 entries.⁵ Utilizing a hard disk drive (HDD) for stored information, the navigation system responds faster, covers more territory, including Alaska and Hawaii, and even lets you upload your own personal wallpaper for display whenever the system is not in use.

TL SHOWN IN EBONY LEATHER WITH AVAILABLE TECHNOLOGY PACKAGE.

Need a recommendation for a local steak house, to call for a reservation, or to find the quickest way there? Just say the word. Activate the steering wheel-mounted button and the available Technology Package's voice recognition feature gives you intimate control of a variety of systems, such as the Acura Navigation System,¹ while keeping your hands firmly grasping the wheel. A situation you'll undoubtedly appreciate with a powerful engine at your command and a curved stretch of asphalt in your sights.

"DISPLAY WEATHER"

"CALL OFFICE"

"FIND NEAREST ZAGAT RESTAURANT"

"CD PLAY TRACK 5"

"TEMPERATURE 72 DEGREES"

ACURALINK REAL-TIME WEATHER™ :::

See current information as well as forecasts for over 75 U.S. cities right on the screen of the available navigation system.³

ZAGAT SURVEY® RESTAURANT REVIEWS :::

Get trusted recommendations, complete with food, service and decor ratings with this feature of the available navigation system.

BLUETOOTH® HANDSFREELINK® :::

Link your compatible *Bluetooth*®-enabled mobile phone and you can make and receive calls without taking your hands off the wheel.⁵

AUDIO CONTROL SYSTEM :::

The TL's ability to recognize a vast list of commands lets you verbally control most of the functions of the vehicle's audio system.

ACURALINK REAL-TIME TRAFFIC™ :::

The available navigation system quickly communicates traffic flow as well as collisions, road construction and weather-related incidents.⁴

DUAL-ZONE CLIMATE CONTROL SYSTEM :::

Simply voice your preference and the system will adjust the temperature to accommodate each front occupant's individual choice.

THRILLING PERFORMANCE. EVEN WHEN IT'S IN PARK.

Sound is an integral part of any rich experience. And while the engine note of the TL adds an undeniable amount of depth to your drive, the music created by the Acura/ELS Surround® Premium Audio System (with available Technology Package) also holds the ability to inspire. In creating this system, the goal was to develop a sound experience as close as possible to the feel of the studio environment. Developed with the help of GRAMMY® Award-winning recording engineer and producer Elliot Scheiner (the "ELS" in ELS Surround), the 10-speaker system has been precisely tuned to match the resonance space of the TL. The system's hard disk drive (HDD) is capable of storing more than 3,500 of your songs. Gracenote® technology lets you search based on title, artist or genre.

SAFETY

VEHICLE STABILITY ASSIST™ (VSA®)* IF SENSORS DETECT UNDERSTEER OR OVERSTEER, VSA WILL AUTOMATICALLY ADJUST THE ENGINE'S TORQUE AND APPLY BRAKING TO INDIVIDUAL WHEELS TO HELP STABILIZE THE VEHICLE AND KEEP YOU ON YOUR INTENDED PATH.

*VSA IS NOT A SUBSTITUTE FOR SAFE DRIVING. IT CANNOT CORRECT THE VEHICLE'S COURSE IN EVERY SITUATION OR COMPENSATE FOR RECKLESS DRIVING. CONTROL OF THE VEHICLE ALWAYS REMAINS WITH THE DRIVER.

ADVANCED AIRBAG SYSTEM THE TL IS EQUIPPED WITH A FULL ARRAY OF SOPHISTICATED AIRBAGS, INCLUDING SIDE CURTAIN AIRBAGS AND FRONT SIDE AIRBAGS. ONE OR BOTH OF ITS DUAL-STAGE, MULTIPLE-THRESHOLD FRONT AIRBAGS (SRS) WILL BE DEPLOYED IN THE EVENT OF A SUFFICIENT FRONTAL IMPACT. IF DEPLOYED, THESE AIRBAGS ARE CAPABLE OF BEING INFLATED AT DIFFERENT RATES DEPENDING ON CRASH SEVERITY, SEATBELT USAGE AND/OR OTHER FACTORS.*

*ALWAYS USE SEAT BELTS AND APPROPRIATE CHILD SEATS. CHILDREN 12 AND UNDER ARE SAFEST WHEN PROPERLY RESTRAINED IN THE REAR SEAT. FRONT AIRBAGS INFLATE AND DEFLATE IN A FRACTION OF A SECOND.

AIRBAGS INFLATED FOR DISPLAY PURPOSES.

ACTIVE FRONT HEAD RESTRAINTS :::

The TL's active front head restraints are designed to help minimize the likelihood of whiplash injuries.

HILL START ASSIST :::

On TL SH-AWD, this system will hold the brakes to help prevent rollback.

TIRE PRESSURE MONITORING SYSTEM :::

This system actively monitors and displays the air pressure of each tire on the road.⁹

BRAKE ASSIST :::

This system can detect emergency braking and help the driver apply additional brake force.

PERHAPS THE MOST IMPORTANT FEELING
THE TL INSPIRES IS CONFIDENCE.

Acura believes that there is no area of engineering advancement more important than the field of driver and passenger safety. This philosophy is evident in features like the Advanced Compatibility Engineering™ (ACE™) body structure found in the TL. This exclusive body design enhances occupant protection and crash compatibility in frontal collisions.

Acura Link

Acura has always had a penchant for seeing what's beyond the next horizon. Now it's your turn. The AcuraLink® Satellite Communication System gives you a look ahead – whether it's up the road, or even days into the future. Services like the available AcuraLink Real-Time Traffic⁴ and Weather,³ with its one- and three-day forecasts help you plan your next move, even while you're focused on the here and now. AcuraLink is also your connection with Acura, delivering a wealth of information like Quick Tips and updated Feature Guides to help you get the most out of your new vehicle's many sophisticated systems. When the system is paired with a *Bluetooth*-compatible phone,⁶ you can also get information on required services as they approach, and then help you schedule maintenance right from your car with the Automated Appointments™ feature.

OWNER BENEFITS

Warranty All Acura vehicles and the accessories installed by the dealer at the time of vehicle purchase have a 4-year/50,000-mile limited warranty. Acura vehicles are also covered by a 6-year/70,000-mile limited powertrain warranty. In addition, outer body rust-through is covered on all Acura vehicles by a 5-year/unlimited-mile limited warranty.¹⁰

Acura-Trained Service Personnel Your local Acura dealer is an excellent source for Acura genuine parts and factory-trained technicians. They have the experience, training and specialized tools needed to keep your Acura up to factory standards of performance and reliability.

1-800-to-Acura Operators are available 24 hours a day to help get answers to your Acura questions.

Acura Care Additional peace of mind can be had with the Acura Care® program – comprehensive vehicle and travel protection beyond the initial warranty period. See your Acura dealer for all the features and benefits available with this program.

Total Luxury Care™ – Owner Benefits Acura's total commitment to your satisfaction doesn't end with delivery of a world-class vehicle. It only begins there. Every Acura comes with Total Luxury Care® (TLC®), an array of services designed to help you enjoy your automobile for years to come.

Acura Financial Services¹² Whether you're buying or leasing, Acura Financial Services can assist you with the process. See your dealer for details.

24-Hour Roadside Assistance As part of your TLC benefits, 24-hour roadside assistance is available to you everywhere in the continental U.S. and Canada, day or night, every day of the year. Just call the toll-free number and rest assured that assistance is promptly on the way.

Trip-Interruption Benefits If a problem that is covered by your warranty interrupts your trip more than 100 miles from home, Acura will provide you with reimbursement for meals, lodging or car-rental expenses. Please see your Acura dealer for all the program details.

Acura Concierge – Travel Service In an emergency or just to help you plan a trip, Acura Concierge service can help you with many logistical details. It will even relay up to three urgent messages on your behalf if you cannot do so.

My Acura Your complimentary My Acura personalized Web site provides you immediate access to the most current information about your vehicle. With advanced technology and instructional videos and online service scheduling, My Acura extends your ownership experience from the road to the Internet. Visit My Acura at owners.acura.com.

COMFORT + CONVENIENCE

- Dual-zone, dual-mode adaptive climate control system with humidity control and air filtration
- Remote entry system with folding key and Acura personalized settings for driver's seat, outside mirrors, select audio settings and more
- Power windows with driver's and front passenger's auto-up/down, auto-reverse and key-off operation
- Remote- and driver's door lock-operated windows-open function
- *Bluetooth*® HandsFreeLink™ wireless telephone interface⁶
- Steering wheel-mounted controls (cruise control, audio, phone, Multi-Information Display and available voice recognition)
- HomeLink®
- Cruise control
- Tilt and telescopic steering column
- Maintenance Minder system
- Ambient cabin lighting (front footwells and console)
- Automatic dimming rearview mirror
- 12-volt power outlets (center console and front armrest)

SAFETY + SECURITY

- Advanced Compatibility Engineering™ (ACE™) body structure
- Vehicle Stability Assist™ (VSA®) with traction control
- 4-wheel anti-lock braking system (ABS) with Electronic Brake Distribution (EBD) and Brake Assist
- Dual-stage, multiple-threshold front airbags (SRS)
- Front side airbags with passenger-side Occupant Position Detection System (OPDS)
- Side curtain airbags
- Active front head restraints
- 3-point height-adjustable seat belts with load limiters and automatic tensioning system (front)
- 3-point seat belts (rear)
- LATCH (Lower Anchors and Tethers for Children) child-seat mounting system
- Daytime Running Lights (DRL)
- Tire Pressure Monitoring System (TPMS) with location and pressure indicators⁹
- Theft-deterrent system with electronic immobilizer
- Side-impact door beams

AUDIO

- Acura 276-watt Premium Sound System with AM/FM tuner, 6-disc in-dash CD, MP3, WMA changer, Dolby® Pro Logic™ II and 8 speakers, including 8-inch subwoofer
- XM® Radio⁸
- USB Audio Interface⁷ with iPod® integration
- MP3/auxiliary input jack
- *Bluetooth* Audio
- Radio Data System (RDS)
- Speed-Sensitive Volume Control (SVC)

SEATING + INTERIOR

- Sport seats with leather-trimmed interior
- Driver's 10-way power seat (8-way power seat with 2-way power lumbar support)²
- Front passenger's 8-way power seat
- Heated front seats
- Front center console with integrated sliding tray
- Rear-seat center armrest with locking trunk pass-through
- Leather-wrapped steering wheel and gearshift knob

EXTERIOR

- Power moonroof with tilt feature, auto-open/close, auto-reverse and key-off operation
- Heated outside mirrors with reverse gear tilt-down
- Auto-on/off xenon high-intensity discharge (HID) headlights
- Fog lights
- Mirror-integrated LED directional signals, taillights, brakelights and Center High Mount Stop Light

TL SH-AWD FEATURES (ADDS TO OR REPLACES STANDARD TL FEATURES)

- 305-hp, 3.7-liter, 24-valve, SOHC V-6 engine with intake/exhaust VTEC
- Super Handling All-Wheel Drive (SH-AWD)
- Available close-ratio 6-speed manual transmission (requires Technology Package)
- Hill start assist
- 18-inch tire and alloy wheel
- Integrated quad-outlet sport exhaust
- Bumper-integrated front brake cooling ducts
- Exclusive front sport seats and steering-wheel design
- Black carpeting
- 19-inch high-performance tire and wheel package (available TL SH-AWD factory option)

TECHNOLOGY PACKAGE (AVAILABLE FOR TL AND TL SH-AWD)

- Acura Navigation System with Voice Recognition™, Traffic Rerouting™, rearview camera and Zagat Survey® ratings and reviews
- Acura/ELS Surround® 440-watt Premium Audio System with 10 speakers, hard disk drive (HDD) media storage, in-dash CD, DVD-Audio, MP3, WMA and DTS™-featured player, Dolby® Pro Logic™ II and AM/FM tuner
- AcuraLink Real-Time Traffic and Weather™^{4,3}
- Keyless Access System with smart entry, pushbutton ignition and Acura personalized settings for driver's seat, outside mirrors, select audio and navigation settings and more
- GPS-linked, solar-sensing, dual-zone, dual-mode adaptive climate control system with humidity control and air filtration
- XM Radio⁸ with Note function music reminder
- *Bluetooth* HandsFreeLink wireless telephone interface with phone-book exchange⁶
- Automated Appointments™
- Body-colored decklid spoiler with integrated rearview camera
- Sport seats with perforated Milano premium leather-trimmed interior
- Chrome door-handle trim
