NEW VORTEC 5.3L V8

300	320^{lb-ft}	6000^{lb.}	33.1:1
HORSEPOWER	TORQUE	TOWING CAPACITY	CRAWL RATIO

4-SPEED HYDRA-MATIC 4L60-E AUTOMATIC TRANSMISSION

More horsepower. More torque. More towing capacity. More. The 2008 H3 Alpha.

H3 to the power of Alpha.

The HUMMER H3 — the midsize SUV that strikes a perfect balance between off-road capability, on-road comfort and efficiency, becomes more powerful. Introducing the ultimate H3 — the H3 Alpha. Part of the higher echelon of HUMMER vehicles, the Alpha is versatile both on- and off-road and features a rippling 5.3L V8 engine with 300 well-domesticated horses to get you “out there” even faster. The V8 is coupled with an electronically controlled four-speed automatic transmission and enables you to tow up to 6,000 pounds. On the inside are newer refinements like a standard leather-appointed interior, optional rear vision camera system for parking assistance, and an in-dash 6-disc CD changer with a premium 7-speaker sound system. And on the outside, a prominent “Alpha” tailgate badge heralds your departure from the ordinary and your arrival into a whole new class.

The 2008 H3 Alpha. The perfect combination of performance, power, capability and luxury in a midsize SUV. And a vehicle that is truly Like Nothing Else.

H3

Every HUMMER is designed to do something remarkable. Choose the one that is right for you and then make it your own through a variety of trim packages, color and interior options.

H3

H3 ALPHA

H3^X

Models, trims, colors and more.

H3 The midsize HUMMER that is fully off-road capable. Its smaller size makes it more nimble, more fuel efficient* and easier to drive than any HUMMER before it.

H3 ALPHA The H3. Only more powerful. Featuring more horsepower, more torque, more towing capacity. The H3 Alpha excels both on- and off-road. Also available in combination with the H3^X.

H3^X It's the H3 remixed. A HUMMER that takes its inspiration from the city. With chrome accents, chrome wheels, bright roof rack crossbars and a host of other accessories.

*EPA estimated mpg 14 city/18 highway

2008 H3 TRIM LEVELS

NOTE 1: GVWR (Gross Vehicle Weight Rating) includes vehicle, passengers, equipment and cargo. GVWR availability may vary depending on equipment selected. **NOTE 2:** Payload includes passengers, equipment and cargo. **NOTE 3:** 4,500 lb. trailering capability for H3 with automatic transmission; manual transmission has a 3,000 lb. maximum trailering capability. 6,000 lb. trailering capability for H3 Alpha. Trailer tongue weight should be 10%–15% of total loaded trailer weight, up to 500 lb. Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your HUMMER dealer for additional details. **NOTE 4:** This data applies to models without optional accessories. Consult your HUMMER dealer for dimensions with other optional accessories. **NOTE 5:** Cargo and load capacity are limited by weight and distribution. **NOTE 6:** This data applies to models without hitch and optional accessories. Consult your HUMMER dealer for dimensions with other optional accessories. **NOTE 7:** This data applies to models with an automatic transmission and 32" tires. **NOTE 8:** Available in the 48 contiguous United States. Required \$12.95 monthly subscription sold separately after three trial months. For more information, visit gm.xradio.com. **NOTE 9:** Call 1.888.4.ONSTAR (1.888.466.7827) or visit www.onstar.com for system limitations and details. **NOTE 10:** Always use safety belts and the correct child restraints for your child's age and size. Even in vehicles equipped with Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child, or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and child safety seat instructions for more safety information. **NOTE 11:** Does not monitor spare tire. **NOTE 12:** Whichever comes first. See dealer for limited warranty details. **NOTE 13:** Navigation map only covers the 48 contiguous United States and portions of Canada, but does not cover Alaska, Hawaii, Puerto Rico or the Virgin Islands.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your HUMMER dealer for complete details. HUMMER reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times.

ASSEMBLY HUMMER vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce HUMMER vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES HUMMER products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in HUMMER products may also be used in other GM makes and models.

A NOTE ABOUT CHILD SAFETY Always use safety belts and the correct child restraints for your child's age and size. Children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and child safety seat instructions for more safety information.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement is required. Call 1.888.4.ONSTAR (1.888.466.7827) or visit onstar.com for OnStar's Terms and Conditions, Privacy Policy, and system limitations and details. For coverage maps, visit onstar.com and click on "OnStar service and coverage map."

REVISIONS TO ESTIMATED FUEL ECONOMY Commencing with 2008 model year vehicles, EPA revised its methods for estimating vehicle fuel economy. The new test methods will likely lower MPG estimates as compared to 2007 and previous model year vehicles. These new methods are intended to better represent current driving styles, varying road and weather conditions and certain other external factors.
