# Golf GTI

America's Best  
Bumper-to-Bumper  
Limited Warranty\*\*

## The People First Warranty\*

6 Years/72,000 Miles · Transferable  
Bumper-to-Bumper · Limited Warranty

Volkswagen

\*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. See owner's literature or dealer for warranty exclusions and limitations. \*\*Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-Bumper/Basic warranty only. Not based on other separate warranties.

# Power has met its hatch.

When it comes to looks and performance, the Golf GTI is as distinctive as it is refined. Let's start with what's under the hood: a 2.0L TSI® engine delivers 228 hp and plenty of torque\* (achieved with premium fuel). Then its aggressive stance, fast roofline, and 18" alloy wheels give the Golf GTI unmistakable style. It's flash — with a whole lot of substance.

\*Always obey local speed and traffic laws.

### Limited-slip differential (VAQ)

This system monitors performance indicators like vehicle speed, wheel rotation, and lateral G-forces. This can help eliminate understeer by proactively making adjustments to maintain optimum torque balance, transferring up to 100% of torque to one wheel. Now that's power with brainpower.

### Driving Mode Selection

Selectable driving modes allow you to change the way your car performs. You have the power to adjust the drive and how the car responds on the road.

#### AVAILABLE FEATURES

---

DCC<sup>®</sup> adaptive chassis control

7-speed DSG<sup>®</sup> automatic transmission with Tiptronic<sup>®</sup> and Sport mode

Paddle shifters

Performance monitor

LED headlights with Adaptive Front-lighting System (AFS)

Power tilting/sliding panoramic sunroof

Foglights with low-speed corner-illuminating feature

### Rabbit Edition

This hot ticket just gets hotter. Only a few thousand will be made, each with 18" gloss black alloy wheels, black-painted mirror caps, gloss black GTI Rabbit Edition spoiler, Rabbit seat tags, red-stitched floor mats, and special-edition colors.

#### FEATURES

---

2.0L TSI turbocharged engine

Sport suspension

Electromechanical progressive power steering system

Vented front and rear brake rotors and front calipers with GTI logo

Automatic headlights

LED Daytime Running Lights (DRL)

LED taillights

18" 5-spoke two-tone machined alloy wheel

## High-tech street smarts.

Words alone won't do this justice. Because with the Golf GTI, high performance and high style combine to create a unique driving experience. The Top Sport seats are expertly designed, and the instrumentation is handsome to view. Everywhere you look — from the Clark Plaid seating surfaces to the leather-wrapped, multi-function sport steering wheel — you'll see the Golf GTI is engineered to get a reaction out of you and the cars you pass.

### Clark Plaid seating surfaces

Complete with red accents and a nod to the heritage of the Golf GTI, the cloth seating surfaces come in Clark Plaid.

### Top Sport seats

Bucket-style, race-inspired front seats. The large, bolstered design really lets you sink into the action, whether you're behind the wheel or you're the copilot.

### Keyless access with push-button start\*

Available keyless access lets you lock, unlock, start and drive your car without ever having to take your keys out of your pocket. Press the brake and push the start button, and your engine's running and ready.

### Volkswagen Car-Net App-Connect\*\*

Volkswagen Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay® (below), Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

Apple CarPlay integration for your iPhone shown.

### FEATURES

---

- 6.5" touchscreen sound system
- Premium color Multifunction Display (MFD)
- Leather-wrapped, multi-function steering wheel
- Bluetooth® technology with audio streaming for compatible devices
- USB port

### AVAILABLE FEATURES

---

- 8" touchscreen sound and navigation systems
- Leather seating surfaces
- 12-way power driver's seat including lumbar support
- Fender® Premium Audio System
- Climatronic® dual-zone climate control

\*See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces. \*\*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android and Android Auto are trademarks of Google LLC. Apple CarPlay is a registered trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC.

# Don't pass up a chance for greater peace of mind.

Driver Assistance features can help give you more confidence on your drive.

Lane Keeping System (Lane Assist)\*

High Beam Control (Light Assist)\*

Parking Steering Assistant (Park Assist)\*

Blind Spot Monitor\*

## Rear Traffic Alert\*

The available Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse, and can even help brake the vehicle if needed.

## High Beam Control (Light Assist)\*

Available High Beam Control (Light Assist) helps provide better visibility on dark roads by turning on your high beams at certain speeds. A camera mounted at the base of the rearview mirror turns your high beams on when conditions warrant it on dark or poorly lit roads. It then turns them off again if another car approaches or drives in front of you.

## Lane Keeping System (Lane Assist)\*

When moving, the available Lane Keeping System (Lane Assist) can sense if you start to drift into another lane without using the turn signal. Within the limits of the system, Lane Assist can help steer to help keep you in the current lane.

## Adaptive Cruise Control (ACC)\*

Available Adaptive Cruise Control (ACC) helps the vehicle maintain a preset speed and distance from the car in front of you. When activated, if the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.

## Park Distance Control (Park Pilot)\*

Available Park Distance Control has sensors that can help you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and, on some vehicles, in front of the vehicle when parking. If you get too close, the system beeps as a warning. Maneuver Braking (included with Park Distance Control) can apply emergency braking force automatically to help mitigate and in best case prevent collisions with stationary obstacles while you maneuver the vehicle in reverse gear.

Rear Traffic Alert\*

## Parking Steering Assistant (Park Assist)\*

The available Parking Steering Assistant (Park Assist) can determine if a parking spot is big enough for your Volkswagen. Then it will help steer the vehicle into the space, either parallel or perpendicular. You operate the accelerator, brake, and shifter; it does the rest.

## Blind Spot Monitor\*

When driving, if you attempt to change lanes, the available Blind Spot Monitor can help alert you to cars that may be in your blind spot. The Active Blind Spot Monitor (available when vehicle is equipped with Lane Assist) on select models can also counter-steer within the limits of Lane Assist to help keep you in your lane if you attempt to change lanes when a vehicle is in your blind spot.

## Forward Collision Warning and Autonomous Emergency Braking (Front Assist)\*

The available Forward Collision Warning (included in Front Assist) system can help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, under certain circumstances, it can apply the brakes automatically. The available Pedestrian Monitoring (included in Front Assist) feature can warn of pedestrians crossing in front of the vehicle and, under certain circumstances, can brake automatically to help prevent or mitigate the outcome of a collision with a pedestrian if the driver doesn't respond adequately to the warnings.

### Cost of ownership

The 6 years or 72,000 miles New Vehicle Limited Warranty reduces the cost of owning a Volkswagen.†

### Peace of mind

Every Volkswagen is designed with quality in mind. So our 6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty isn't just extensive, it's proof of our confidence.\*

### Coverage

You're covered by the warranty for 6 years or 72,000 miles (whichever comes first).\*

### The smart choice

Considering the length of the virtual bumper-to-bumper coverage and the ability to transfer the remainder of the coverage to the next owner, The People First Warranty beats the competition every time.\*

### Transferable

Your vehicle remains covered even if transferred to a new owner. So long as the vehicle is less than 6 years old and has traveled fewer than 72,000 miles, the remainder of the warranty coverage transfers to the subsequent vehicle owner.\*

### Bumper-to-Bumper Limited Warranty

In general, the warranty provides practically bumper-to-bumper coverage for repairs to correct a defect in manufacturer's material or workmanship (i.e., mechanical defects).\*

\*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. Remainder of warranty coverage transfers to subsequent vehicle owner. See owner's literature or dealer for warranty exclusions and limitations. \*\*Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-bumper/Basic warranty only. Not based on other separate warranties. †Claim based on 5 years/75,000 miles cost of ownership analysis comparing 6 years/72,000 miles (whichever occurs first) limited warranty and 3 years/36,000 miles (whichever occurs first) limited warranty.
