

2015 Golf R

Das Auto.

A fast-paced world
calls for a faster-paced car.

It's time to go public with your performance obsession. When it comes to power, agility, and even versatility, the all-new Golf R goes all in. It's the most powerful Golf ever produced for North America. So get pushed back into your seat as the Golf R goes from 0 to 60 in under 5 seconds with a 292-hp turbocharged

engine.* Enjoy gripping those winding roads with the latest 4MOTION® all-wheel-drive system combined with a track-inspired sport suspension. Along with all this power, you still get the same versatility of the world's beloved hatch. The Golf R is about to take it up a notch. **Ready. Set. Golf.**

*Always obey local speed and traffic laws. Professional driver on a closed course. Do not attempt.

The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW or just look us up at vw.com.
