

2004 Honda
CIVIC SEDAN

Practicality and fun were never on such good terms as with the Civic Sedan and Hybrid. **Great to drive.** Easy to live with. So it's no wonder the Civic is always winning new legions of fans. At Honda, we don't stand on ceremony or rest on laurels. For 2004, the Civic gets even better with a **fresher look** and bolder, sleeker styling. Plus, new features make this Civic yet an even greater value. One thing does stay the same, however. That's our legendary Honda craftsmanship.

We think it's a smart choice too.

The Honda Civic has long been popular with drivers, the automotive enthusiast press and organizations like IntelliChoice. After their usual exhaustive testing and evaluation that included every competitor on the market, IntelliChoice named the Civic Sedan a Best Overall Value of the Year Award winner for 2003! And television's *MotorWeek* bestowed their Drivers' Choice Award on the Civic Hybrid as the Best Eco-Friendly vehicle.
