# Odyssey

You're thinking it's time for a minivan. Take the Odyssey for a drive, and thoughts take a back seat to pleasant surprises. You expected the huge **versatility,**

but not the grin-inducing power or sophisticated style. The Odyssey gives drivers and families more of what they want from a minivan. Like a potent 240-hp engine, comfort for up to seven and lots of cargo room. And its stylish design exhibits a **sophistication** all its own. It's all part of our mission to make your minivan choice as simple as possible.

*Automobile Magazine*

has named it an All-Star as "Best Minivan"

five years in a row, and it has led its category for three straight years in the *Car and Driver* "5Best Trucks" competition, including 2003.
