

SX4

SUZUKI 07

LIFE. STYLE.

The kick of 143 horsepower. The capability of all-wheel drive. The flexibility of a 5-door. All standard and all wrapped up in sheet metal that's been pounded into a real statement. One thing—with this kind of attitude, you'd better show up with the best stories come Monday morning.

HOTELING

PAY ATTENTION, PEOPLE ARE WATCHING.

What you choose to drive says a lot about how you choose to live—and the SX4 says it very well. With its athletic design catching all eyes, this is an X-over that'll take you out for a night on the town. And then take off for a couple of nimble-footed days at the beach or in the mountains. Just so you know, those 16-inch, 5-spoke alloy wheels are standard.

Pack it with friends, stuff it with cargo—or take advantage of the back seat's 60/40 split capability and make room for all of the above. **Details** like an **illuminated switch** for the driver's window and a back seat that folds and flips without removing the headrests make the **SX4 an accommodating ally** on your everyday exploits. Some features may not be available on some models. Please refer to Specifications pages for complete information.

SPACE THAT MAKES SENSE

Finally. One look at the SX4's artfully designed interior and it's easy to imagine it becoming one of your favorite hangouts. A big part of the appeal is versatility. Fold-and-flip rear seats give way to a major cargo area on demand. You'll find compartments for your electronics and cup holders for your caffeine. Spread out. Settle in. This one really works.

Height-Adjustable Steering Wheel In combination with its height-adjustable driver's seat, the SX4's height-adjustable steering wheel makes it easy to find the comfort sweet spot. **Automatic Transmission** If a 5-speed manual transmission sounds too, well, manual for you, SX4 offers an electronically controlled 4-speed automatic transmission. **SmartPass™ Keyless Entry and Start** With SmartPass, the SX4 unlocks and starts while the key/transmitter remains conveniently in your pocket or purse. **MP3 Connectivity** While the SX4 does have the cargo capacity to haul around thousands of CDs, so does your portable MP3 player. An available auxiliary audio input jack puts all those beats at your fingertips. **Sound Decisions** Like it louder? Upgrade from the standard 4-speaker AM/FM/CD/MP3/WMA™ audio system to an 8-speaker system that includes a 6-disc in-dash changer and a powerful subwoofer. And it's XM® Ready with purchase of tuner. **iPod®-Compatible** Purchase an iPod® Integration Kit and take all your music along for the ride. Some features may not be available on some models. Please refer to Specifications pages for complete information.

MORE COMFORTS THAN HOME

You know that one feature you just can't live without? Get ready to add a few new ones to the list. Remote keyless entry, air conditioning, tilt steering, an MP3/CD audio system and brilliant electroluminescent gauges are all standard. Upgrades include a 6-disc changer and bass-enhancing subwoofer, plus steering-wheel-integrated audio controls and automatic climate control. SmartPass keyless entry means you just press the button to unlock the door—and the key never has to touch the ignition. Life is good.

CONFIDENCE IS A REAL TURN-ON

Ever notice how the people who really understand adventure are also the most serious about safety? Works for us, too. That's why every SX4 is equipped with a 3-Mode intelligent all-wheel-drive (i-AWD) system that gives you confidence. Combined with a wide stance, wide tires and a sophisticated new 2.0-liter, 4-cylinder DOHC engine good for 143-hp and 136 lb.-ft. of torque, the SX4 is as much fun as it is fearless. With standard advanced front, side and curtain airbags, intelligent braking system, including 4-wheel disc brakes, ABS and EBD, plus available Electronic Stability Program (ESP)[®] with traction control system (TCS), you're covered. Now that's a real come-on.

AMERICA'S #1 WARRANTY

100,000 MILES/7 YR • NO DEDUCTIBLE • FULLY TRANSFERABLE

Why is it America's #1? It's the only 100,000-mile/7-year powertrain limited warranty around that doesn't have a deductible and is fully transferable for the life of the warranty. That's huge, and that's why the other guys don't talk about deductibles and transfer capability. No deductible means covered repairs are covered—you don't pay anything for parts and labor. Fully transferable means the warranty can pass from one owner to the next, increasing resale and trade-in value when it's time to buy your next car. With coverage extended for 100,000 miles or 7 years, whichever comes first, you can average a more than reasonable 14,000 miles per year. The strength of this long-term powertrain protection is compounded by a 36,000-mile/3-year new-vehicle limited warranty that also has no deductible and covers everything from the dome light to the exhaust pipe (except the battery, which is covered for 24,000 miles, and tires, which are covered by the tire manufacturer's warranty), and includes comprehensive 24-hour Roadside Assistance as well as a convenient Courtesy Vehicle Program. So...that's why we can say it's America's #1. Sounds good, doesn't it!

100,000-Mile/7-Year Powertrain Limited Warranty: Every 2007 Suzuki comes standard with America's #1 Warranty: a 100,000-mile/7-year, fully transferable, \$0-deductible, powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. **Fully Transferable:** Unlike many other warranties, ours can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any covered repairs are necessary within 100,000 miles or 7 years, whichever comes first, there is no charge for parts and labor. **Suzuki's New-Vehicle Limited Warranty:** Covers all components and the vehicle as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. Tires are covered by a separate warranty from the tire manufacturer. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforations due to corrosion, they're covered for 36 months, with no limit on mileage. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year new-vehicle limited warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to defective materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year new-vehicle limited warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days, for up to \$30 a day, through Enterprise Rent-A-Car.
