

Q7

Audi Q7

The new paradigm of luxury,
performance and function.

**Its real beauty?
It's whatever you want it to be.**

Difficult to define, yet easy to drive, the Audi Q7 is a luxury car with a decidedly practical side. Brimming with safety features, it offers unmatched utility, thanks in part to its numerous interior configuration options.

The ability to control more than the road.

With available features like a power liftgate, second-row seating that slides forward for easy third-row access, DVD navigation, rearview camera and flat folding second and third-row seating, the Audi Q7 embodies convenient luxury.

Power to do more than accelerate.

The Audi Q7 enjoys the pairing of legendary quattro® all-wheel drive with the advanced technology of Audi FSI® Direct Injection power, where precise control of air and fuel mixtures results in optimum power and enhanced efficiency.* The total effect is a new level of driving confidence in a variety of conditions.

* Fuel economy estimates city/highway: 14/20 mpg (Audi Q7 3.6), 13/18 mpg (Audi Q7 4.2). EPA estimate: your mileage may vary.

Audi Q7. 3.6

1. Leather seating surfaces | The superior quality of leather and impeccable craftsmanship complement the strong side support and pronounced shoulder restraint of the seat design while adding to the elegant, dynamic and versatile driving experience.

2. Aluminum inlays | The quality of materials and craftsmanship of the Audi Q7 interior is highlighted by elegant and sporty aluminum decorative inlays extending across the center console and doors.

3. Privacy glass | The dark-tinted glass on rear windows provides passengers with extra privacy. The windows reduce the intensity of sunlight and heat buildup in the vehicle's interior. That means more comfort, particularly in the summer.

+ SIRIUS® Satellite Radio | Enjoy commercial-free music and more, available with a subscription to the SIRIUS® Satellite Radio network.

4. 18" wheel with all-season tires | 18" alloy five-double-spoke wheel design with all-season tires.

5. Twelve-way power front seats | Includes four-way power lumbar adjustment and adjustable head restraints.

+ Trip computer | The advanced trip computer within the driver information system gives the driver convenient and easily accessible information vital to the driving experience. Functions include timer, miles-to-empty, average MPG, average MPH and instant MPG.

+ Audi premium sound system with six-disc CD player | Optimum acoustics are achieved by the Audi sound system's 180 watts of power with ten total speakers, including two in each door, a subwoofer in the cargo panel and a center fill speaker.

+ Feature not shown.

Audi Q7. 3.6 Premium

1. **Seven-passenger seating** | The 50/50 split-folding third-row seating with collapsible headrests provides ample room for extra passengers or cargo space in the Audi Q7. The vehicle is also equipped with the easy entry feature, making rear-seat access easier, while keeping the seat in the adjustment position previously selected.

2. **Twelve-way power adjustable, heated front seats** | The multilevel seat heating system is designed to heat the entire surface of the seat; warming is initiated with a convenient knob.

3. **Wood decorative inlays** | The genuine wood decorative inlays in the center console and door panels add a refined touch of luxury to the Audi Q7.

4. **Power tailgate** | The tailgate conveniently opens and closes with the touch of a button. The desired opening height can also be individually adjusted.

5. **Aluminum roof rails and window trim** | The elegant and sporty aluminum roof rails and window trim on the Audi Q7 complement the progressive design of the vehicle. Because the roof rails are aerodynamically shaped, they generate minimal wind noise, and expand upon the variety of ways the vehicle can be used.

+ **Bluetooth®** | The Bluetooth® hands-free phone interface allows you to pair a Bluetooth-enabled mobile phone with your Audi and access your phone book within the driver information system or MMI® screen in your instrument panel. For specific compatibility and operation, refer to audiusa.com/bluetooth or contact your local Audi dealer for the latest listing of compatible phones.

+ **Audi music interface** | The Audi music interface offers intelligent integration with the iPod®. Any iPod Generation 4 and higher (iPod, iPod nano, iPod photo) equipped with the Dock Connector may be connected through the center console, and full iPod controls are available through the MMI® screen.

+ **Parktronic** | Ultrasonic sensors measure the distance from the rear bumper to obstacles while intermittent audible tones indicate the distance to the driver. The Audi parking aid makes driving more relaxed and parking easier.

+ **Auto-dimming interior mirror with compass** | The rearview mirror with compass recognizes distracting bright light behind the car and darkens the mirror glass automatically.

+ **HomeLink® universal garage door opener** | HomeLink® is integrated into the overhead controls and uses a simple three-button system that controls garage doors, gates and even lights in the home.

Audi Q7 3.6 Premium includes equipment found on the Audi Q7 3.6. Equipment may vary depending on upgraded features.

+ Feature not shown.

Audi Q7. 3.6 Premium Plus

1. BOSE® Surround Sound with AudioPilot® noise compensation | The 14 speakers include a center speaker and subwoofer matched with an eight-channel DSP amplifier with a total output of 255 watts. A microphone measures noise level and adjusts stereo volume accordingly, resulting in balanced sound despite background noise.

2. Color driver information system with trip computer | User-friendly interface includes radio, telephone and navigation data, as well as information on the current operating status, which monitors the condition of vehicle components. The advanced trip computer within the driver information system gives the driver convenient and easily accessible information vital to the driving experience. Functions include timer, miles-to-empty, average MPG, average MPH and instant MPG.

3. Memory for driver seat and exterior mirrors | The technologically advanced memory system automatically adjusts the seat's fore/aft position, height, angle of seat cushion and seat back settings as well as exterior mirrors, based on the key that is being used.

4. Audi Navigation system | The DVD-based Audi Navigation system features a full-color LCD screen and MMI® control. Navigation information is given as audible route guidance prompts and turn arrows via the color driver information system, as well as a detailed color map on the main screen.

5. Audi parking system advanced | The rearview camera offers a real-time view of the rear parking area, while the front and rear ultrasonic parking sensors measure the distance to the nearest objects and intermittent audible tones indicate the distance to the driver.

+ Auto-dimming and power-folding exterior mirrors | The exterior mirrors with automatic dimming recognize glaringly bright headlight beams behind the car and darken the mirror glass automatically. The power-folding feature helps protect the mirrors by collapsing them inward to fit in tight spaces.

Audi Q7 3.6 Premium Plus includes equipment found on the Audi Q7 3.6 Premium. Equipment may vary depending on upgraded features.

+ Feature not shown.

Audi Q7. 3.6 | 4.2 Prestige

1. [Standard on 4.2 Prestige, optional on 3.6 Prestige]

20" bicolor wheel with all-season tires | 20" bicolor alloy five-double-spoke wheel design with all-season tires.

2.

Audi xenon plus lighting | These high-intensity discharge headlights produce about twice as much light as comparable halogen headlights, and make night driving, particularly in poor weather, safer and less tiring for the driver's eyes.

3.

Audi side assist | Audi side assist system monitors the blind spot areas, as well as fast approaching vehicles, at a range of about 150 ft. to the rear of the car. If Audi side assist identifies another vehicle, it informs the driver via LED lights in the exterior mirror.

4. [4.2 Prestige exclusive]

Wood shift knob | The genuine wood shift knob adds a refined touch of luxury to the superior interior design of the Audi Q7.

+

Advanced key | With Audi Advanced key, the car can be unlocked and started without removing the key from a pocket or purse. At the same time, the steering is released and the ignition turned on electronically – all without inserting the key in the ignition.

+

Voice recognition | The Audi voice control system can be used to operate the most important navigation, radio and hands-free car phone functions by speaking the necessary commands.

+ [4.2 Prestige exclusive]

Contrast painted lower valances | The contrast painted lower valances on the Audi Q7 add a unique touch to the vehicle, distinguishing the exterior colors for a look that suits the driver's personal preference.

Audi Q7 3.6 + 4.2 Prestige includes equipment found on the Audi Q7 3.6 Premium Plus. Equipment may vary depending on upgraded features.

+ Feature not shown.

3

4

1. Exterior features | The exterior S line features of the Audi Q7 include 20" all-season wheels, modified grille, high-powered headlight washers, S line front and rear bumpers, side valances and S line badging.

2. 20" wheel with all-season tires | 20" alloy five-spoke wheel design with all-season tires.

3. Brushed aluminum inlays | The quality of materials and craftsmanship of the Audi Q7 interior is highlighted by elegant and sporty brushed aluminum decorative inlays extending across the center console and doors.

4. S line aluminum door sills | The interior S line features of the Audi Q7 include brushed aluminum door sills with S line badging.

5. Sport steering wheel | The three-spoke leather-covered design has a sporty look and feel, further accented in the S line Package by contrast-color stitching and the S line badge. The multifunction steering wheel provides easy access to infotainment functions.

+ Headlight washers | The retractable, high-pressure headlight washers concealed in the front bumper are activated when the driver washes the windshield and the headlamps are on.

+ Feature not shown.

Audi Q7. Packages

Convenience Package [3.6 only]

- 1. Power tailgate** | The tailgate conveniently opens and closes with the touch of a button. The desired opening height can also be individually adjusted.
- + Auto-dimming interior mirror with compass** | The rearview mirror with compass recognizes distracting bright light behind the car and darkens the mirror glass automatically.
- + Bluetooth®** | The Bluetooth® hands-free phone interface allows you to pair a Bluetooth-enabled mobile phone with your Audi and access your phone book within the driver information system in your instrument panel. For specific compatibility and operation, refer to audiusa.com/bluetooth or contact your local Audi dealer for the latest listing of compatible phones.

- + Heated front seats** | The multilevel seat heating system is designed to heat the entire surface of the seat; warming is initiated with a convenient knob.

- + HomeLink® universal garage door opener** | HomeLink® is integrated into the overhead controls and uses a simple three-button system that controls garage doors, gates and even lights in the home.

- + MMI® advanced** | The simple terminal distills advanced technology into a natural, easy-to-use interface. Multi-Media Interface connects you with every advanced system of your Audi, making a remarkable vehicle an intuitive extension of yourself. Controlling infotainment functions and car settings will become second nature. You will manage satellite radio, CDs and vehicle systems with ease, creating a driving experience like no other.

Towing Package

- + Trailer Hitch** | The trailer hitch is capable of towing an impressive 6,600 lb., combining luxury with versatility.

+ Feature not shown.

Luxury Package [4.2 Prestige exclusive]

- 2. Leather-wrapped instrument panel top, center console, door armrests and pulls** | The finely-crafted interior of the Audi Q7 is highlighted by the leather instrument panel top, center console and door armrests, truly ensconcing the driver in luxury.
- 3. Premium Cricket leather** | This premium interior is soft to the touch, colorful, comfortable, durable, easy to maintain, versatile and unique.
- 3. Alcantara headliner** | The Alcantara headliner is a unique and revolutionary suede-like fabric that is soft to the touch, durable and easy to maintain.

Cold Weather Package

- + Heated rear seats** | The multilevel seat heating system is designed to heat the entire surface of the seat; warming is initiated with a convenient knob.
- + Heated four-spoke multifunction steering wheel** | The heated, multifunction four-spoke steering wheel provides easy access to audio volume, radio stations, CD tracks, telephone dialing and the voice control system.

Warm Weather Package

- 4. Four-zone climate control** | Both driver and front passenger, as well as the occupants of the outer rear seats, can select their required temperature and distribution of air individually for their particular seat.
- + Manual window shades for rear doors and tailgate** | The window shades help reduce the intensity of sunlight and heat buildup in the vehicle interior. That means more comfort, particularly in the summer.

Offroad Style Package [4.2 Prestige only]

- 5. Offroad Style Package features** | Unique unpainted front and rear valances with steel inserts, Offroad Style Package side sills and specific chrome exhaust tips.

+ Feature not shown.

Audi Q7. Options

1. Panorama sunroof | The three-piece panorama sunroof produces a unique, refreshingly airy driving experience and a light-filled interior atmosphere. Both front and rear glass elements can be tilted, and the front panel can be opened along a length of 19 inches. Outstanding fresh-air comfort combines with excellent aeroacoustics, including a mesh wind deflector, for an extremely low noise buildup.

2. [4.2 Prestige exclusive] Bang & Olufsen Advanced Sound System | This unrivaled sound system combines state-of-the-art technologies, including Acoustic Lens technology, proprietary Digital Signal Processing (DSP) and ICEpower digital amplification with a detailed study of the Audi interior. More than a sound system built into a car, the system is the ultimate driving and listening experience, a virtual concert hall on wheels with fourteen speakers and 1,000 plus watts.

3. [4.2 Prestige exclusive] Luxury six-seat configuration | By replacing the middle bench with two captain's chairs and a fixed center console, this seat configuration comfortably accommodates six passengers with ample leg, head and shoulder room. The luxury seating makes for a relaxed ride, no matter your position in the vehicle.

4. [4.2 Prestige exclusive] Audi adaptive air suspension | Adaptive air suspension is an electronically controlled air suspension system at all four wheels with a continuously adaptive damping system. A change in ride height results in a low center of gravity and significantly increased directional stability. Uniting sporty handling with a high level of ride comfort, air suspension improves the vehicle's aerodynamics at the same time.

5. 19" wheel with all-season tires | 19" alloy five-arm V wheel design with all-season tires.

+ 20" chrome wheel with summer performance tires* | 20" chrome five-double-spoke wheel design with summer performance tires.

+ 21" S line wheel with summer performance tires* | 21" alloy seven-double-spoke wheel design with summer performance tires.

+ [4.2 Prestige exclusive] Audi adaptive cruise control | Adaptive cruise control monitors distance to the vehicle in front via radar sensors and automatically reduces speed, as well as resumes speed to maintain the driver-selected safe distance.

+ Running boards | This sporty and functional option gives the driver and passengers easy access in and out of the Audi Q7.

+ Rear side airbags** | Rear side airbags offer second-row outboard occupants enhanced impact protection.

+ Feature not shown.

* See page 32 for important information about summer performance tires.

** Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children in the rear, using restraint systems appropriate for their size and age.

Audi Q7. Wheels

**1. Audi Q7 3.6, 3.6 Premium, 3.6 Premium Plus, 3.6 Prestige
18" alloy five-double-spoke wheel design with
all-season tires**

**2. Optional Wheel
19" alloy five-arm V wheel design with
all-season tires**

**3. Optional Wheel
20" bicolor alloy five-double-spoke wheel design
with all-season tires**

**4. Optional Wheel
20" chrome five-double-spoke wheel design with
summer performance tires***

**5. S line Wheel
20" alloy five-spoke wheel design with all-season tires**

**6. Optional S line Wheel
21" alloy seven-double-spoke wheel design with
summer performance tires***

*Summer performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car or their equivalent. These summer performance tires also have a lower aspect ratio, which aids performance and handling; however, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces, or upon encountering road debris or obstacles. Please also remember in making your selection that while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

** Summer performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car or its equivalent. These summer performance tires also have a lower aspect ratio, which aids performance and handling; however, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. Please also remember in making your selection that while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual or your local dealer or call 1-800-FOR-AUDI.

† Your Audi vehicle is equipped with a phone preparation utilizing the Bluetooth® interface to enable hands-free functionality (compatible mobile phones sold separately). You will need a Bluetooth-enabled mobile phone in order to utilize this function. Not all Bluetooth-enabled mobile phone models are compatible with Audi's phone preparation. Visit audiusa.com/bluetooth, or contact your local Audi dealer for the latest listing of compatible phones. Audi recommends use of the Audi phone cradle (sold separately) with your mobile phone while operating this vehicle.

†† Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible; therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgement in determining whether or not to follow a suggested Audi Navigation plus route. Periodically, the mapping is updated, and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.
