A LETTER FROM ED PEPER

**We're in the
customized
solutions
business.**

At General Motors Fleet, we are committed to providing you with **solutions** that address your specific fleet needs. Our mission is to get to know you and your business. We want to understand your goals so that we can offer tailor-made solutions that will help you succeed.

To provide customized solutions, we're in the business of helping you in a multitude of ways. Here are just a few:

- We're in the **vehicle for every need** business. With more than 60 models offered among four distinct brands, GM Fleet has one of the largest portfolios in the industry.
- We're in the **helping your drivers stay safe** business. At General Motors, safety is our No. 1 priority. Because of that, our vehicles are designed with federal government crash safety test conditions and other field-relevant conditions in mind.
- We're in the **mobile office** business. To help your workers get their jobs done, we can suggest a number of accessories, upfits and connected vehicle services. Through our exclusive OnStar® offerings, available Wi-Fi® Hotspot and comprehensive suite of telematics options, we can help you manage, protect and connect your most valuable assets.
- We're in the **there for your drivers** business. GM has the largest dealer network to deliver and service your vehicles. And because you're covered under our comprehensive warranty plans, 24/7 Roadside Assistance is just a phone call away.
- Finally, we are in the **customized solutions** business. At GM Fleet, we promise every customer that we will deliver on our three pillars: We offer Great Products and Services along with an Exceptional Customer Experience to provide every customer with Innovative Business Solutions that add value to their specific business.

As you make plans to refresh your vehicle fleet in the 2020 model year, we hope you will consider General Motors Fleet. We want to partner with you and help you reach your business goals. The bottom line is: We want to help you succeed at what you do because we measure our success by yours.

Your success is our success.

Regards,

Ed Peper
U.S. Vice President
General Motors Fleet

> GREAT PRODUCTS

TRUCKS THAT MEAN BUSINESS

Our trucks offer capabilities that can turn the biggest jobs into small ones. For the 2020 model year, we've enhanced our comprehensive lineup with the introduction of the all-new Chevrolet Silverado HD and Next Generation Sierra Heavy Duty to help you check the box on just about any business need.

ALL-NEW HEAVY-DUTY TRUCKS

More powerful and packed with hardworking technology, the all-new Chevrolet Silverado HD and Next Generation GMC Sierra Heavy Duty were designed and engineered with fleet customers in mind and come ready to tackle the most demanding jobs.

ENHANCEMENTS INCLUDE:

- ✓ NEW 6.6L V8 GAS ENGINE WITH IMPROVED HORSEPOWER AND TORQUE OUTPUT
- ✓ ALL-NEW ALLISON® 10-SPEED AUTOMATIC TRANSMISSION WITH FACTORY-INTEGRATED POWER TAKE OFF
- ✓ 2-SPEED AUTOTRAC® TRANSFER CASE (4WD ONLY)
- ✓ ADVANCED TRAILERING SYSTEM TECHNOLOGIES AND NEW TRANSPARENT TRAILER VIEW
- ✓ EASY-ACCESS ENGINE BLOCK HEATER OUTLET
- ✓ EASY-TO-FILL DIESEL EXHAUST FLUID (DEF) TANK WITH OPENING INSIDE FUEL DOOR
- ✓ MORE INTEGRATED AVAILABLE SNOW PLOW PREP PACKAGE
- ✓ NEW, ADVANCED TRAILERING MIRRORS WITH AVAILABLE SPOT LAMPS
- ✓ NEW BEDSTEP FEATURE AND LARGER CORNERSTEPS
- ✓ LARGER CREW CAB THAT OFFERS MORE INTERIOR ROOM

Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information.

RESOURCES

VERSATILE CHASSIS CABS + LOW CAB FORWARD

The 2020 Chevrolet Silverado 4500HD, 5500HD and 6500HD Chassis Cabs have an upfit-focused design along with the strength and versatility to get the job done; while Chevrolet Low Cab Forward offers eight wheelbase configurations to give you flexibility to adapt to whatever work your fleet faces.

CAPABLE LIGHT-DUTY TRUCKS

There's no one tool that's right for every job, which is why the 2020 Chevrolet Silverado 1500 and GMC Sierra 1500 offer six powertrains, including the 3.0L Duramax® Turbo-Diesel and the 6.2L V8 with Dynamic Fuel Management. Now, you can choose the right combination of power and efficiency for your needs.

LEARN MORE AT
gmfleet.com/trucks

EFFICIENT MIDSIZE PICKUPS

The 2020 Chevrolet Colorado and GMC Canyon are packed with features to help your crew work hard. A CornerStep rear bumper and available EZ Lift & Lower tailgate help make loading and unloading efficient, and there's an available 7,700 lbs. max. trailering capacity¹ to help handle big hauling jobs.

UP TO
 **7,700 LBS.**

Max. trailering capacity¹

¹ Requires Extended Cab or 2WD Crew Cab model. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

PROTECT YOUR MOST VALUABLE ASSETS

Protecting the people who drive your business is important. Our lineup offers available safety features that can not only help drivers prevent collisions, but can also help protect them in the event of one and respond if they need help.

PREVENT

Many of our vehicles offer a comprehensive suite of available advanced safety and driver assist technologies that can help enhance driver awareness to potential collisions.

SECURE

Available Driver Assist Technologies

A. AUTOMATIC EMERGENCY BRAKING

Available Automatic Emergency Braking, which generally operates below 50 mph, can alert the driver when it detects a front-end collision is imminent with a vehicle ahead the driver is following. It can also help reduce the collision's severity or avoid the collision by automatically applying brakes if the driver has not already, or by enhancing driver braking.

B. FORWARD COLLISION ALERT

Available Forward Collision Alert can alert the driver when it detects a front-end collision is imminent with a vehicle ahead the driver is following. The system also can alert the driver if he or she is following a detected vehicle much too closely.

C. LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT

Available Lane Change Alert with Side Blind Zone Alert can help the driver avoid lane change crashes by providing side mirror alerts when a moving vehicle is detected in, or is rapidly approaching, a side blind zone.

D. REAR CROSS TRAFFIC ALERT

Available Rear Cross Traffic Alert can alert the driver to detected left- or right-cross traffic behind the vehicle when in Reverse.

E. REAR PARK ASSIST

Available Rear Park Assist can provide distance alerts to nearby detected objects behind the vehicle to help the driver park and avoid objects when in Reverse at low speeds.

F. HD REAR VISION CAMERA

Available HD Rear Vision Camera provides the driver a high-resolution "digital" view of the scene directly behind the vehicle on the infotainment display to help the driver park and avoid objects when in Reverse at low speeds.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect performance. Read the vehicle's Owner's Manual for important feature limitations and information.

PROTECT

Our vehicles offer strategically located airbags¹ that can help protect occupants in the event of a collision.

- Up to 10 standard airbags¹ offered on some vehicles
- Passenger Sensing System with infant-only suppression for passenger on some vehicles
- Passenger seat belt reminder status

RESPOND

OnStar Advisors are ready to help your drivers with available OnStar[®] services².

AUTOMATIC CRASH RESPONSE²

In a crash, built-in sensors can automatically alert an OnStar Advisor who can send for help — even if the driver can't ask for it.

EMERGENCY SERVICES²

One push of the red Emergency button gives your driver a priority connection to an Emergency-Certified OnStar Advisor who can pinpoint the vehicle's location and offer critical assistance until help arrives.

CRISIS ASSIST²

During severe weather, a natural disaster or other crisis situation, your driver has access to help. OnStar Advisors are available 24/7 to offer special routing and other critical assistance.

STOLEN VEHICLE ASSISTANCE³

If your vehicle is stolen, OnStar can work with authorities to help locate and recover it quicker and safer. OnStar Advisors can even send a signal that slows the stolen vehicle down when appropriate, helping police apprehend the thieves.

ROADSIDE ASSISTANCE⁴

If your driver has a flat tire, needs a tow or runs out of gas, OnStar Advisors can use GPS technology to pinpoint the vehicle's location and contact the nearest service provider.

¹ Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information. ² OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. OnStar Emergency Advisors are certified by the International Academies of Emergency Dispatch. See onstar.com for details and limitations. ³ Requires paid plan, working electrical system, cell reception, GPS signal, armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. See onstar.com for details and limitations. ⁴ Roadside services provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply.

FLEET CONNECTED SERVICES

Take advantage of all your fleet has to offer with General Motors Fleet Connected Services — simple, built-in solutions that can help you manage and connect your vehicles, and provide added peace of mind for your fleet drivers.

MANAGE EFFICIENCY WITH TELEMATICS

Help maximize your fleet's efficiency with easy-to-use telematics. We offer a variety of options — all of which utilize the available GM-embedded hardware already equipped on most of our vehicles.

GENERAL MOTORS TELEMATICS

Uncomplicate your business with Commercial Link! See where your vehicles are and learn how to maximize the potential of your entire fleet.

ADDITIONAL TELEMATICS SOLUTIONS

Manage your fleet with Fleet Complete®, which offers tools that can help you reduce costs and keep your vehicles on the go.

Optimize your fleet with high-performance technology from Geotab that's scalable, flexible and can be customized to suit your business needs.

MapAnything Live brings you up-to-the-minute automation, reporting, tracking and analytics, which can help your fleet run more efficiently.

Spireon FleetLocate lets you track and manage your fleet vehicles with powerful insights and advanced alerts using your vehicle's existing GM-embedded hardware.

Transform your fleet with Verizon Connect Fleet for GM. Get innovative telematics solutions that can help support all your mobile management needs.

WORK-READY ACCESSORIES

It's all in a day's work for your fleet vehicles to transport, tow, haul and even transform into a mobile office. Enhance their utility with these popular General Motors Fleet Accessories!

A. GEARON™ UTILITY RACK STANCHIONS

B. CREW CAB 5-INCH RECTANGULAR ASSIST STEPS IN BLACK

C. STANDARD BOX SOFT TRI-FOLD TONNEAU COVER WITH BOWTIE LOGO

D. CREW CAB 6-INCH RECTANGULAR WHEEL-TO-WHEEL ASSIST STEPS IN CHROME

E. MOLDED ASSIST STEPS IN BLACK

F. ROOF-MOUNTED SWING-OUT LADDER RACK

1 Most Chevrolet and GMC Parts and Accessories sold and installed on a Chevrolet or GMC vehicle by a Chevrolet or GMC Dealer or a Chevrolet- or GMC-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Chevrolet Accessories or GMC Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet and GMC Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet and GMC Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet and GMC warranties do not apply to Associated Accessories. See your dealer for details.

FUELING THE FUTURE

GM's vision is a world with Zero Crashes, Zero Emissions and Zero Congestion. As a company, we're constantly working on the technologies that will produce this future – and help you run a cost-effective fleet.

PURE ELECTRIC DRIVING

The 2020 Chevrolet Bolt EV can help minimize fuel costs and reduce fleet emissions, offering up to an EPA-estimated 259 miles of pure electric driving range on a full charge¹.

Preproduction model shown.
Actual production model may vary.

LEARN MORE ABOUT GM'S ALT FUEL VEHICLES AT
gmfleet.com/altfuel

¹ Your actual range will vary based on several factors, including temperature, terrain and driving technique.

CNG/LPG SOLUTIONS

Full-size vans powered by a 6.0L V8 compressed natural gas (CNG) and liquefied petroleum gas (LPG)-capable engine offer your fleet fuel flexibility combined with the durability to handle bigger jobs.

TURBO-DIESEL ENGINES

When equipped with an available Duramax[®] Turbo-Diesel engine, our midsize, light-duty and heavy-duty trucks and full-size vans can run on B20 biodiesel.

GM FINANCIAL SERVICES

Whether you need a few units for a small business or a fleet for your growing operation, GM Financial Commercial Vehicle Lending offers customizable options³ and time-saving solutions to help your business thrive. Visit gmfinancial.com/business for details.

ALL-NEW PARTS DISCOUNT PROGRAM

Streamline your vehicle service and parts purchasing process and reduce costs with the all-new GM Fleet Parts Discount Program⁴. Receive discounts of 28% to 32%⁵ on quality eligible parts purchased both over the counter and through vehicle service, eliminate unnecessary paperwork, easily track your fleet's repairs and more with this fleet-focused program. Visit gmfleet.com/partsdiscout for important details and to enroll.

28% | TO | **32%**
DISCOUNT ON PARTS

¹ Whichever comes first. A "Qualified Fleet User" is defined as, subject to below exclusions, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service. ² If the vehicle has a warrantable failure, see your Owner's Manual for full details on the Courtesy Transportation program. ³ Please contact your GM Dealer for detailed information. These products are subject to credit approval. Customer must qualify through GM Financial; standard credit criteria apply. ⁴ Program not available for businesses that handle vehicle service through a third party. ⁵ Discount based on part type and size of fleet. Businesses with 5-49, 50-349 and 350+ vehicles in their operation receive 28%, 30% and 32% off list price respectively. See participating dealer for details. Does not include collision parts.

> EXCEPTIONAL CUSTOMER EXPERIENCE

PARTNERING WITH US

Becoming a General Motors Fleet customer is a simple way to give your fleet a competitive advantage. Helping to propel your business forward, that's our constant focus — because your success is our success.

YOUR FLEET'S GO-TO PERFORMER

Offering a seamless combination of comfort, safety and connectivity, the 2020 Chevrolet Malibu can strike the perfect balance to suit your fleet's needs.

FLEET-SPECIFIC TRIM

Malibu 1FL can be built to your business needs with an available 8-way power driver seat and two available safety packages — Driver Confidence and Driver Confidence II.

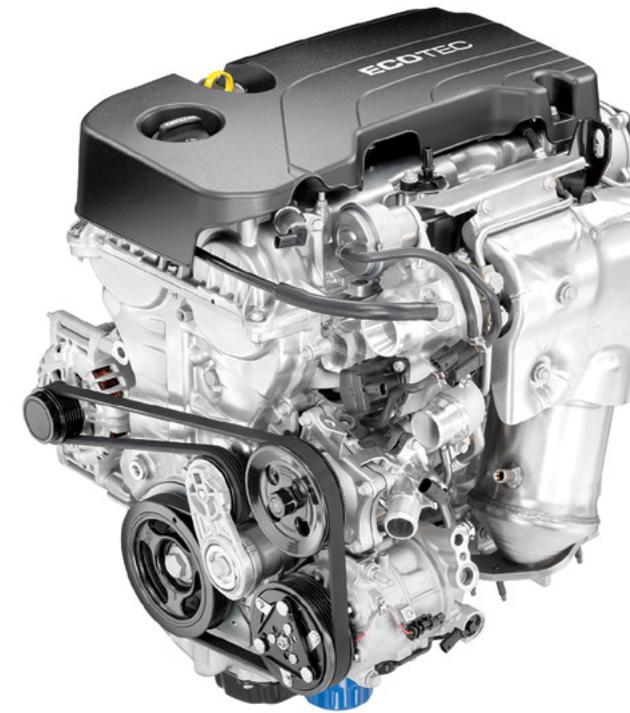

DRIVER CONFIDENCE PACKAGE

- Lane Change Alert with Side Blind Zone Alert
- Rear Cross Traffic Alert
- Rear Park Assist
- Power-adjustable, manual-folding, body-color outside mirrors

DRIVER CONFIDENCE II PACKAGE

NOTE: Requires Driver Confidence Package

- Automatic Emergency Braking
- Following Distance Indicator
- Forward Collision Alert
- Front Pedestrian Braking
- IntelliBeam headlamps
- Lane Keep Assist with Lane Departure Warning

MEETS MUNICIPAL NEEDS

Malibu 1FL is well suited for administrative or municipal use, with standard Keyless Open and Start, a Rear Vision Camera and a 1.5L Turbo engine backed by a comprehensive fleet warranty.

Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information.

INTRODUCTION

CAR

SUV/
CROSSOVER

TRUCK

VAN

SPECIALTY
VEHICLES

RESOURCES

CHARGE UP YOUR PRODUCTIVITY

Bolt EV offers everyday electric driving that lets drivers skip the gas station — saving them time and you money.

BOLT EV CARGO OPTION

Transform Bolt EV into Bolt EV Cargo with the Rear Seat Delete Package (RPO: K1T), which offers about 66 cu. ft. of cargo space¹. Manufactured as an incomplete vehicle, it's based off the LT model with the following deletions:

- Rear seat, upper and lower
- Rear carpeting
- Rear-seat side-impact airbags² and airbag trim
- 120-volt portable charge cord
- Rear package shelf
- 17-inch alloy wheels (replaced with 16-inch steel wheels)

NOTE: This option requires a rear cargo upfit through an approved upfitter and the Driver Confidence and Driver Confidence II Packages. Cargo system installation is an additional charge and is invoiced separately by the designated upfitter.

¹ With Rear Seat Delete Package. Cargo and load capacity limited by weight and distribution. ² Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information. ³ Charging rate varies based on output of the charge unit, vehicle settings and outside temperature.

EASY CHARGING

Charging Bolt EV is as easy as plugging in your smartphone. Plus, with Location-Based Charging, you can program Bolt EV to charge during off-peak electricity rates or to begin charging immediately when plugging in while away from home or the office.

- Available 240-volt/32-amp charging offers about 25 miles per hour of charge³ time (professional installation required)
- Available DC Fast Charging offers about 90 miles of range in around 30 minutes of charge time³

We're in the utilities that work for your business business.

VEHICLES

RESOURCES

UTILITY BUILT FOR PRODUCTIVITY

With a variety of trims and two powerful engines, the 2020 Chevrolet Equinox offers the versatility to meet your fleet needs.

NEW STANDARD SAFETY CONTENT

For the 2020 model year, Equinox adds several advanced safety technologies to its already impressive list of standard features:

- A.** AUTOMATIC EMERGENCY BRAKING
- B.** FOLLOWING DISTANCE INDICATOR
- C.** FORWARD COLLISION ALERT
- D.** FRONT PEDESTRIAN BRAKING
- E.** LANE KEEP ASSIST WITH LANE DEPARTURE WARNING

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect performance. Read the vehicle's Owner's Manual for important feature limitations and information.

¹ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

INTRODUCTION

CAR

SUV/
CROSSOVER

TRUCK

VAN

SPECIALTY
VEHICLES

RESOURCES

DESIGNED TO COMPLETE YOUR WORKFORCE

The 2020 Chevrolet Traverse offers connectivity to keep your drivers in touch, capability they can depend on and available driver assist technologies to help them arrive with confidence.

TWO FLEET-SPECIFIC TRIMS

Traverse 1FL and 2FL were designed with fleets in mind. For the 2020 model year, they offer new standard features that help your drivers stay safe and keep them connected and comfortable.

2020 Traverse 1LS shown.

2020 Traverse 1LT shown.

TRAVERSE 1FL

Key standard content includes:

- Automatic Emergency Braking
- Following Distance Indicator
- Forward Collision Alert
- Front Pedestrian Braking
- IntelliBeam headlamps
- Lane Keep Assist with Lane Departure Warning
- Rear Park Assist
- 8-way power driver seat with power lumbar

TRAVERSE 2FL

Includes Traverse 1FL content, plus:

- Lane Change Alert with Side Blind Zone Alert
- Rear Cross Traffic Alert
- 120-volt power outlet

Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information.

¹ With second and third rows folded. Cargo and load capacity limited by weight and distribution. ² Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

TRAVERSE FOR MUNICIPAL USE

Traverse is a great addition to government and municipal fleets for non-pursuit activities, with fold-flat second and third rows that create up to 98.2 cu. ft. of cargo space¹. Enhance its capability with the available Trailering Package², which includes new trailering assist guidelines and Hitch Guidance with Hitch View to make it easier to align and hitch a trailer.

2020 Enclave Essence shown.

2020 BUICK ENCLAVE

SECURE

SAFETY

Standard advanced safety technologies include Lane Change Alert with Side Blind Zone Alert and Rear Cross Traffic Alert

4G LTE

DRIVER PRODUCTIVITY

Standard Buick Infotainment System¹ and an available 4G LTE Wi-Fi² Hotspot² help keep drivers connected

97.6 CU. FT.

DESIGNED FOR EMPLOYEE SATISFACTION

Up to 97.6 cu. ft. of max. cargo space³, plus hidden underfloor rear storage

CRAFTED FOR CAPABILITY

Carefully crafted with enhanced usability in mind, the 2020 Chevrolet Colorado is packed with features to help your crew work hard — wherever the job may take them.

2019 Colorado Z71[®] Crew Cab shown.

2019 Colorado Work Truck Crew Cab shown. Pictured gear and supplies not included. See dealer for details.

AVAILABLE TURBO-DIESEL

The available 2.8L Duramax[®] Turbo-Diesel engine offers your fleet an alternative fuel option along with up to 7,700 lbs. max. trailering capacity^{1,2} and up to 369 lb.-ft. of torque to help handle big hauling jobs.

NOTE: Turbo-Diesel only offered on 2WD LT Crew Cab Short Box.

BUILT FOR UTILITY

Colorado is built for utility and designed for fleet needs. Its size and quiet cabin, combined with all the functionality of its bed and a rear-seat delete option that offers additional lockable cargo space, make this midsize truck the perfect choice for a wide variety of vocations.

¹ Requires Extended Cab or 2WD Crew Cab model. ² Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ³ Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ⁴ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb.

RESOURCES

HIGH-STRENGTH AND HARDWORKING

Silverado 1500 is ideal for fleets that need capability without sacrificing efficiency. A 3.0L Duramax® Turbo-Diesel is offered, along with a 5.3L V8 engine that's E85 FlexFuel capable.

NEW FLEET-SPECIFIC PACKAGE

Silverado 1500 now offers three fleet-specific packages — the new Work Truck 2.7L Fleet Package, the WT Fleet Convenience Package and the Fleet Comfort Package.

WORK TRUCK 2.7L FLEET PACKAGE

- 2.7L Turbo engine with an 8-speed automatic transmission
- 220-amp alternator
- 3 months of OnStar® Fleet Safety & Security coverage¹, 3-month trial of Fleet Remote Access Plan¹, and 1 month or 3GB of 4G LTE data (whichever comes first)¹
- 40/20/40 split-bench front seat with covered armrest storage
- 120-volt power outlet
- 120-volt bed-mounted power outlet
- Single-zone manual, semi-automatic climate control

2020 Chevrolet Silverado 1500 Work Truck Crew Cab shown.

MOST FUNCTIONAL PICKUP BED

The Silverado 1500 Durabed combines high-strength, roll-formed steel and 12 standard tie-downs with innovative features — like an available Power Up/Down Tailgate — to offer the most functional bed of any pickup².

2019 Chevrolet Silverado 1500 High Country Crew Cab shown.

KEY STANDARD FEATURES

Features based on Sierra 2500HD with 1SA equipment group unless otherwise noted.

SAFETY + SECURITY

Rear Vision Camera

Tire Pressure Monitoring System (excludes spare tire) with Tire Fill Alert, includes all wheels on DRW

PERFORMANCE

6.6L V8 gas engine (401 hp/464 lb.-ft.) with 6-speed automatic transmission

4-wheel antilock disc brakes with Duralife[™] brake rotors

Heavy-duty locking rear differential

StabiliTrak[®] Electronic Stability Control System with Trailer Sway Control and Hill Start Assist

PRODUCTIVITY + DRIVE EXPERIENCE

Apple CarPlay^{™4} and Android Auto^{™5} compatibility

Cargo bed tie-downs (12)

CornerStep rear bumper

Folding rear bench seat

Front recovery hooks⁶

GMC Infotainment System⁷ with 7-inch diagonal color touch-screen

Rubberized-vinyl floor covering

Side BedStep

Teen Driver

Trailering mirrors

KEY AVAILABLE FEATURES

Optional features and packages vary by trim level. See Order Guide for details.

6.6L Duramax[®] Turbo-Diesel V8 engine (445 hp/910 lb.-ft.) with Allison[®] 10-speed automatic transmission

2-speed Autotrac[®] transfer case

3 months of OnStar[®] Fleet Safety & Security coverage⁸, 3-month trial of Fleet Remote Access Plan⁹, and 1 month or 3GB of 4G LTE data (whichever comes first)⁸

Automatic Emergency Braking

Available 4G LTE Wi-Fi[®] Hotspot⁹

120-volt power outlet, bed-mounted

Following Distance Indicator

Forward Collision Alert

Front and Rear Park Assist

GMC Infotainment System⁷ with 8-inch diagonal color touch-screen and Navigation¹⁰

Gooseneck/5th-Wheel Prep Package

HD Surround Vision with trailer camera provisions

Heated, power-adjustable vertical trailering mirrors with memory, power-fold, integrated turn signals, auxiliary and perimeter lighting and puddle lamps

Hill Descent Control

Integrated Power Take Off (PTO)

Integrated trailer brake controller

Lane Change Alert with Side Blind Zone Alert

Lane Departure Warning

LED Cargo Area Lighting

Multicolor, 15-inch diagonal Head-Up Display

MultiPro Tailgate

Pickup box delete

ProGrade Trailering System (includes in-vehicle trailering app)¹¹

Rear-seat air vents (Double and Crew)

Rear Camera Mirror

Rear Cross Traffic Alert

Safety Alert Seat

Snow Plow Prep Package

Spray-on bedliner

Trailer tire pressure and temperature monitors¹²

Upfitter switches¹³ (5)

X31 Off-Road Suspension Package

AVAILABLE FLEET PACKAGES

Fleet Convenience Package (see next page for details)

Fleet Comfort Package (see next page for details)

NOTE: Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information.

¹ Based on a 3500 Reg Cab Dually with 6.6L Duramax[®] Turbo-Diesel V8 engine. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the vehicle's Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the vehicle's Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb. ³ Premium paint; additional charge. ⁴ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and iTunes are trademarks of Apple Inc., registered in the U.S. and other countries. ⁵ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. Android Auto is a trademark of Google LLC. ⁶ Front recovery hooks are for vehicle recovery only. To avoid the risk of injury, never use recovery hooks to tow a vehicle. ⁷ Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. ⁸ Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. Data plans offered by AT&T. See gmfleet.com/connectedservices for details. Availability subject to change. ⁹ Service varies with conditions and location. Requires active service plan and paid AT&T data plan. See onstar.com for details and limitations. ¹⁰ Map coverage available in the United States, Puerto Rico and Canada. ¹¹ Service availability, features and functionality vary by vehicle. App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. ¹² Requires additional installation. ¹³ Equipment from independent suppliers is not covered by the GM New Vehicle Warranty. GM is not responsible for the safety or quality of independent supplier alterations.

RESOURCES

ALL-NEW AND READY TO WORK

The Next Generation 2020 Sierra Heavy Duty is designed to stand up to the toughest jobs, with advanced trailering technologies and other options that help take that capability even further.

TWO FLEET-SPECIFIC PACKAGES

The Fleet Convenience Package and Fleet Comfort Package were designed with your business in mind. They offer features like a 10-way power driver seat and an EZ-Lift Power Lock and Release Tailgate to help keep drivers both comfortable and productive.

MORE INTUITIVE SNOW PLOW PACKAGE

Sierra Heavy Duty's new front end is designed for easy air dam and skid plate removal. Plus, plow hardware mounting is more intuitive — with no need to drill additional holes in the front bumper.

BUILT FOR TRAILERING

The Sierra Heavy Duty Gooseneck/Fifth-Wheel Prep Package offers a factory-installed hitch platform that's installed while the truck itself is being manufactured, eliminating the time-consuming aftermarket installation process.

Options

5
AXLE-TO-END-OF-FRAME
Options

A. TILT FORWARD HOOD

Lightweight fiberglass tilt engine cover with integrated hand grips makes maintenance easy and efficient.

B. IMPRESSIVE MANEUVERABILITY

A wheel cut of up to 50 degrees creates a tight turning radius and allows for easy access to the engine bay during service.

C. PROVEN POWER

Standard Duramax® 6.6L Turbo-Diesel V8 engine paired with an Allison® automatic transmission offers your business the strength and versatility to get the job done.

D. BATTERY BOX

Easy-to-reach battery box with available auxiliary jump-start stud located below the driver side of the cab.

E. COMFORTABLE INTERIOR

Cabins that blend comfort with capability, featuring easy-to-reach knobs, buttons and interfaces and inlaid doors to help minimize wind noise.

F. CLEAN TOP OF FRAME

Single-piece frame rails with no welds or brackets and a clean top of rail allow for optimized upfit integration.

Wheel size (in.)	16		16		16		

1 Cargo capacity limited by weight and distribution. **2** These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb. **3** Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo, and options or accessories may reduce the amount you can tow. **4** Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo and equipment. **5** When properly equipped; includes weight of the vehicle and trailering combination, including the weight of driver, passengers, fuel, optional equipment and cargo in the vehicle and trailer.

SERVE WITH DISTINCTION

When the pursuit gets tough, the 2020 Chevrolet Tahoe Police Pursuit Vehicle delivers dependability you demand to help stay focused on the job.

LARGEST PURSUIT-RATED SUV

Tahoe PPV can easily transform from offering up to 120.7 cu. ft. of passenger space to up to 112.1 cu. ft. of cargo volume, giving officers ample room for just about any task. There's also a standard 40/20/40 split-bench front seat with a center fold-down armrest and lockable storage to secure items.

CONFIDENCE BEHIND THE WHEEL

A Rear Vision Camera and Rear Park Assist to help avoid objects when backing up or parking come standard, while an Enhanced Driver Alert Package featuring Automatic Emergency Braking, Forward Collision Alert, Safety Alert Seat and Lane Keep Assist with Lane Departure Warning is available.

NOTE: Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information.

READY TO SERVE

The 2020 Chevrolet Tahoe 4x4 SSV is designed to carry personnel and equipment and offers 10.7 inches of ground clearance to help you confidently drive through off-road terrain.

DESIGNED FOR OFFICER PRODUCTIVITY

Tahoe SSV offers officers ample room for just about any task. It can easily transform from up to 120.7 cu. ft. of passenger space to up to 112.1 cu. ft. of cargo volume¹. Plus, there's a standard 40/20/40 split-bench front seat with a center fold-down armrest and lockable storage to secure items.

SAFELY LEADING THE WAY

Available as part of the Driver Alert Package, Tahoe SSV can be equipped with active safety features, such as segment-first Automatic Emergency Braking and Lane Keep Assist with Lane Departure Warning. These features, along with the rest of the Driver Alert Package, work to help your officers stay safe while driving on patrol.

NOTE: Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information.

CAPABILITY ON PATROL

The 2020 Chevrolet Silverado SSV is designed to deliver capability and functionality for your police force.

MOST FUNCTIONAL PICKUP BED

The Silverado SSV Durabed combines high-strength, roll-formed steel and class-leading bed volume with innovative features — like an available Power Release Tailgate that automatically lowers by remote or dash button — to offer the most functional bed of any pickup¹.

DESIGNED FOR OFFICER COMFORT

With up to 138.6 cu. ft. of passenger space and a standard 40/20/40 split-bench front seat, Silverado SSV offers the room officers need. Plus, there are 6 standard airbags² that can help protect them in the event of a collision and a standard Rear Vision Camera to help them avoid objects when backing up or parking.

NOTE: Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information.

VERSATILE AND CUSTOMIZABLE

The 2020 Chevrolet Express Transport Van has a durable body-on-frame construction and offers versatile features that make it ideal for police and government fleets.

DESIGNED FOR COMFORT

Available in both Passenger and Cargo configurations, Express Transport Van is ideal for moving prisoners or carrying cones, large evidence and barricades — and keeps officers comfortable while doing so.

- Passenger Van offers standard seating for 12 and available seating for 15 with extended wheelbase
- Available 6-way power driver and front passenger seat helps provide comfort during long rides
- Standard rear-seat air vents

CONFIDENCE BEHIND THE WHEEL

Express Transport can be equipped with features that allow you to drive with added confidence. An in-mirror Rear Vision Camera and 6 airbags¹ come standard, while Forward Collision Alert, Lane Departure Warning, Side Blind Zone Alert and Rear Park Assist are offered.

NOTE: Read the vehicle's Owner's Manual for important safety and driver assistance feature limitations and information.

CADILLAC PROFESSIONAL VEHICLES

XTS COACHBUILDER LIMO AND XTS-L EXTENDED SEDAN

The Cadillac Master Coachbuilder-converted XTS Limousine takes the exquisite design and luxury of the XTS Sedan and stretches it up to 70 inches, creating the ultimate in chauffeured luxury. Leather seating surfaces comfortably accommodates up to 7 passengers and a driver, while indulgent interior appointments and precise details are sure to impress clients at every turn.

Also available through Cadillac Master Coachbuilders (CMC), the XTS-L Extended Sedan provides the same premium passenger experience as the standard XTS, with up to 7 additional inches of rear leg room as well as a tuned suspension to provide optimal ride and comfort.

Cadillac sells an incomplete vehicle chassis to a CMC for final vehicle manufacturing and distribution. Each CMC has a different interpretation of the finished product and offers unique interior and exterior features to the industry.

The XTS Limousine and XTS-L Extended Sedan chassis are engineered for the rigors of the chauffeured transportation industry. All CMC-converted limousines and extended sedans are backed by Cadillac's Professional Vehicle Warranty for 3 years or 150,000 miles¹.

XTS COACHBUILDER HEARSE

With the Cadillac Master Coachbuilder-converted XTS Hearse, Cadillac builds on its legacy of providing the funeral industry with prestigiously crafted, elegant vehicles. The XTS Hearse brings a level of sophistication and respect few other vehicles can match.

Cadillac sells an incomplete vehicle chassis to a Cadillac Master Coachbuilder (CMC) for final vehicle manufacturing and distribution. Each CMC has a different interpretation of the finished product and offers unique interior and exterior features to the industry.

The XTS Hearse chassis is engineered for the heavy-duty application and long idle periods of a funeral procession. All CMC-converted hearses are backed by Cadillac's Professional Vehicle Warranty for 6 years or 100,000 miles¹.

¹ Whichever comes first. See dealer for details.

Brake Modulator Assembly	8 years/100,000 miles ¹
Towing	During the 8-year/100,000 mile Hybrid warranty period, if your vehicle cannot be driven due to a warrantable hybrid defect, towing is covered to the nearest Chevrolet service dealer
Electric Drive Unit	8 years/100,000 miles ¹

1. Whichever comes first. See dealer for limited warranty details.
2. Includes first required maintenance visit as stated in vehicle maintenance schedule. Maintenance visit consists of oil change, tire rotation and Multi-Point Vehicle Inspection. Service will be performed using ACDelco dexos1[®] Full Synthetic oil and ACDelco filter. Service visit must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9.
3. For Diesel models, maintenance includes first required maintenance visit as stated in vehicle maintenance schedule. Maintenance visit consists of an oil change, tire rotation and Multi-Point Vehicle Inspection and Diesel Exhaust Fluid (DEF) fill. Service will be performed using ACDelco dexos2[®] or Mobil Delvac[™] 1300 CK4 oil and ACDelco filter and ACDelco Diesel Exhaust Fluid. Service visit must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9.
4. Chevrolet Corvette maintenance includes two required maintenance visits as stated in vehicle maintenance schedule. Maintenance visit consists of an oil change and Multi-Point Vehicle Inspection. Service will be performed using Mobil 1 ESP OW40 oil and ACDelco filter. Service visits must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9.
5. Gasoline engine powered Low Cab Forward units are covered for 5 years/75,000 miles, whichever comes first. Certain commercial fleet and/or government fleet vehicles equipped with a gas engine, purchased under a qualifying fleet account number are covered for 5 years or 100,000 miles, whichever comes first. Diesel engine powered Low Cab Forward units are covered for 3 years/unlimited miles.
6. Whichever comes first. A "Qualified Fleet User" is defined as, subject to below exclusions, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service.
7. Tires also covered under the Bumper-to-Bumper Warranty but are prorated based upon mileage. See dealer for warranty details.
8. The tires supplied with Low Cab Forward Trucks are covered by Chevrolet against defects in material or workmanship for 2 years or 24,000 miles, whichever comes first. Wear-out is not considered a defect, and it may occur before the vehicle warranty expires. In this case, the owner is responsible to purchase replacement tires, or seek coverage solely from the tire manufacturer.
9. If the vehicle has a warrantable failure, see your Owner's Manual for full details on the Courtesy Transportation program.
10. During the 8-year/100,000-mile Hybrid warranty period, towing is covered to the nearest Chevrolet/GMC/Buick/Cadillac servicing dealer if your vehicle cannot be driven because of a warranted Hybrid-specific defect.
11. Low Cab Forward Truck sheet metal panels are covered against corrosion and rust-through for up to 4 years/unlimited miles.
12. Customer maintenance item after 7,500 miles.

FLEET ACCOUNT NUMBERS

ESTABLISHING A NEW GM FLEET ACCOUNT NUMBER (FAN)

A. DETERMINE IF A PROSPECT IS QUALIFIED:

Fleet Account Numbers are assigned to qualified fleet companies upon application to General Motors through the GM Fleet Account Number System (GMFANS).

ENROLLMENT TERMS AND CONDITIONS

A "Qualified Fleet User" is defined as, subject to below exclusions, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service. Vehicles must be titled/registered in the company name (personal vehicles are excluded). If a prospect is qualified as a fleet customer, a General Motors Dealer is required to submit a fleet enrollment application. Supporting documentation must be retained by the Dealer and made available to GM upon request (i.e., Titles, Registrations or Proof of Insurance). Requester may be asked for additional documentation. A Qualified Fleet User will not include: OEM and OEM Dealers; Dealer rental, Dealer lease, Dealer parts companies; used car businesses or dealerships; brokers; or any other similar entities as determined by GM in its sole discretion. Further, companies listed on GM's suspected exporter list will not be deemed Qualified Fleet Users, and if a FAN has already been issued, such FAN will be revoked.

New motor vehicles ordered under fleet must be delivered to the same Qualified Fleet User (same GM Fleet Account Number or FAN). Vehicles delivered to a qualified fleet customer, must be reported with a fleet delivery type. In addition, vehicles must be kept in fleet service by the same Qualified Fleet User for a minimum of six (6) months from the date of delivery unless a different fleet service requirement is specified in the official written program guidelines provided by GM.

The Qualified Fleet User, by executing the Enrollment Form, certifies it is a Qualified Fleet User, acknowledges the fleet program eligibility requirements specified therein, and agrees to comply with the requirements. Additional eligibility requirements for specific fleet programs, as issued by GM to its Dealers from time to time, will be made available to Qualified Fleet Users by the selling Dealer as required.

The Qualified Fleet User further agrees to provide, upon request by GM or the selling Dealer, access to original business records confirming that vehicles were registered, used and transferred only in accordance with GM program requirements. In the event (1) a Qualified Fleet User orders new motor vehicles from a Dealer and identifies them as fleet units eligible for GM Fleet programs, and those vehicles are not used by Qualified Fleet User in accordance with program requirements, or (2) GM declares that any other actions of a Qualified

Fleet User are inconsistent with this program, GM will take appropriate action, in its sole discretion and with or without notice to the Qualified Fleet User, which may include the disqualification of the Qualified Fleet User and/or Dealer from future participation in fleet programs, and the issuance of charge back against the Dealer or identified Qualified Fleet User for any special allowances, incentives, special option packages or other promotional programs which GM paid or credited to the Dealer or identified Qualified Fleet User as a result of inaccurate representations. In the event of such a chargeback to the Dealer, the Qualified Fleet User agrees to reimburse the Dealer.

B. IF A PROSPECT IS QUALIFIED:

A General Motors Dealer is required to submit an enrollment application through GM Global Connect. The enrollment application can be found on the GM Global FANS website. The following information is required:

1. Name of business
2. Physical address
3. Phone number
4. Copies of titles, registrations, or proof of insurance of minimum vehicle requirement, in the company name
5. Completed Qualified Fleet User Signature Form

Upon completion of the enrollment application on the website, Dealer will submit this document electronically. Upon processing, a General Motors FAN will be issued and the requesting Dealer will be advised of the FAN via online application and e-mail.

All supporting documentation of the prospect's fleet eligibility must be retained at the dealership submitting the enrollment application.

STANDARD FLEET ELIGIBILITY GUIDELINES

Unless otherwise indicated, the following eligibility guidelines will apply to all fleet incentive/allowance programs:

- A. The order period will begin with the announcement of the 2019 model year fleet incentive programs and end when Dealers are notified that 2019 model year orders are no longer being accepted by the respective GM Divisions.
- B. The delivery period is the start of 2019 production.
- C. Eligible vehicles must remain in service for a minimum of six (6) months (even if the retail alternative incentive is selected). However, if a vehicle has been damaged beyond repair (i.e., fire, frame or water damage, etc.) and documentation is available to support the condition, this provision will be waived.
- D. All qualified fleet orders for eligible models received from Dealers must contain a valid fleet order type.
- E. All qualified fleet orders for eligible models received from Dealers must contain the GM Fleet Account Number (FAN) of record and the FAN account name.

- F. Dealer Order Acknowledgments must be checked to verify accuracy of orders submitted.
- G. Dealer orders currently on hand or in the system that qualify under these programs, except that they do not contain the appropriate processing options, can be amended or canceled and reordered if they have not been approved for production (preferenced). This is the ordering Dealer's responsibility.
- H. Vehicles delivered to unqualified customers are ineligible, and the Dealer's open account will be debited for the amount of the credit and any other fleet allowance paid. Failure to comply with these guidelines may also result in the Dealer being disqualified from future participation in fleet programs and/or termination of the Dealer's Sales and Service Agreement. Failure to report a FAN and valid fleet delivery type on the delivery record, if required by the GM Division, will automatically generate a debit to the Dealer's open account.
- I. Eligible passenger car deliveries must be made to the ultimate customer through a dealership representing the GM marketing division. Passenger car deliveries made through any entity or individual other than the General Motors Dealer are ineligible for payment. Eligible light-duty truck orders may be delivered through body builders if the end user is a qualified fleet or political subdivision, including the federal government.
- J. Dealers must take full responsibility for including the proper processing option on the orders. No additions or changes will be accepted after orders are approved for production (preferenced).
- K. Fleet orders submitted with both a fleet processing option and any ineligible fleet or retail incentive option will be rejected with an error message.
- L. Acceptance of an order on any vehicle line does not constitute a commitment to build or to build in a requested time frame.
- M. Those orders not produced during the 2019 model production period will be canceled. There are no provisions for Dealers to receive any allowance for those canceled orders.
- N. Order Workbench delivery codes reported by Dealers must be the same as the Order Workbench codes provided in incentive program guidelines.

IMPORTANT

Information contained in this reference guide is intended to be a quick reference digest only. In no way does it supersede program Dealer letters or guidelines. To assure accuracy, check official documents before placing any orders. Specific questions or requests for assistance should be addressed to GM Fleet.

ABOUT THIS GUIDE

We have tried to make this guide comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this guide and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests.

Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of release, please check with your GM Dealer for complete details. Competitive comparison claims are based on most current competitive information. GM reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

The vehicles described in this guide are equipped with engine and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly. Some of the equipment shown or described throughout this guide may be available at extra cost, and/or supplied by an independent supplier.

See your local General Motors Fleet Account Manager or Dealer Fleet/Commercial Sales Manager, or go to gmfleet.com for up-to-date information.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.
