

Welcome to an entirely new definition of the premium sedan. With a larger engine, more interior space and more standard safety technologies than any car in its class, the all-new Azera is getting noticed. "The interior appointments rival the finest premium brands, and it offers amenities befitting a flagship model."* Backed by America's Best Warranty,† the elegant new Azera is proof of Hyundai's commitment to building the highest-quality cars. It's one indulgence you can feel good about. So go ahead, drive your way.

- 263-HORSEPOWER AND 255 LB.-FT. OF TORQUE
- 17-INCH ALLOY WHEELS WITH P235/55VR TIRES ON LIMITED
- AERODYNAMIC BODY DESIGN WITH .29 COEFFICIENT OF DRAG
- SPEED-SENSING STEERING
- 4-WHEEL DISC BRAKES WITH ABS
- DUAL EXHAUST SYSTEM

LIMITED IN SAGE GREEN

3.8-Liter V6 Engine

Powerful, clean and efficient. This advanced all-aluminum V6 engine with Continuously Variable Valve Timing uses a cold air-intake system, which produces responsive, efficient power. It's proof that having 263-horsepower and 255 lb.-ft. of torque isn't just impressive, it's exhilarating.

Automatic Transmission

Outstanding performance comes from an exceptional drivetrain. Azera's includes an electronically controlled 5-speed automatic transmission with overdrive, lock-up torque converter and SHIFTRONIC® for clutchless manual shifting. So grab that sleek shifter and take command of the 263 horses.

IT SEEMS THE WORLD REALLY DOES REVOLVE AROUND YOU.

LIMITED IN BEIGE LEATHER

Dual-Zone Climate Control
The Azera interior is like a different world, complete with two climates. Set the front passenger's side to feel comfortably warm, while the driver simultaneously enjoys a cool breeze.

Integrated Memory System*
With just the press of a button, your favorite preset power seat position, steering wheel angle and side mirror settings are instantly custom-adjusted. Now, isn't it nice to be remembered?

Infinity® Audio System*
With an in-dash 6-disc CD changer, 7-channel digital amplifier, 10 speakers in eight locations and speed-sensing volume control, the all-new Azera takes your ears to an all-new level of sound.

8-Way Power Driver Seat
With eight different ways to find the perfect angle for your back, legs and shoulders, this seat was made for you. Increase your total comfort with the power-adjustable lumbar support.

Not only does Azera's expansive interior boast the largest total volume in its class, it is also brimming with considerable standard features. Personalize your climate and sink into the roomy 8-way power-adjustable seat, while an elegant interior surrounds you. The available integrated memory system thoughtfully moves your seat into the most comfortable preselected position, and suddenly, red lights don't seem quite so bad.

*Available as part of an option package

LIMITED IN BEIGE LEATHER

- MORE TOTAL INTERIOR VOLUME THAN BMW 760i AND MERCEDES S-CLASS SEDANS
- LEATHER-TRIMMED INTERIOR ON LIMITED
- ELECTROLUMINESCENT GAUGES (LIMITED)
- 4-WAY POWER PASSENGER SEAT
- TILT-AND-TELESCOPIC STEERING COLUMN
- STEERING-WHEEL-MOUNTED CONTROLS
- FRONT WINDOWS WITH AUTO UP/DOWN AND PINCH PROTECTION

EIGHT AIRBAGS. WHY ACCEPT ANYTHING LESS THAN CLASS-LEADING SAFETY?

* NHTSA studies show passenger cars equipped with ESC experience 35% fewer single vehicle crashes and 30% fewer single vehicle fatalities.

1 Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not substitutes for safe driving practices.

2 The Supplemental Restraint (airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle that has a passenger-side airbag.

LIMITED IN BEIGE LEATHER

Electronic Stability Control
ESC is an active safety system that automatically applies the brakes to individual wheels and adjusts throttle input as required, to help keep the vehicle on its intended path.

Structural Integrity
Built on an entirely new platform, the 2006 Azera's reinforced unibody construction is intelligently engineered to absorb collision energy. High-tensile steel provides solid structural integrity, while front and rear crumple zones, bodyside reinforcements, hood-buckling creases and an energy-absorbing steering column help protect you in an impact from any direction.

Front Active Head Restraints
Designed to further protect the front occupants in a rear collision, this standard safety feature helps prevent whiplash by narrowing the gap between the head and the head restraint.

The all-new Azera raises the bar. It has the most standard safety technologies in its class, including Electronic Stability Control¹ with Traction Control and an Anti-lock Braking System, to help reduce the risk of a collision,* eight airbags;² front active head restraints; front seatbelt pretensioners with force limiters; and a reinforced unibody construction. Rest assured that you're riding in a new standard in safety.

- INTEGRATED FRONT FOG LIGHTS
- ELECTROCHROMIC AUTO-DIMMING REARVIEW MIRROR WITH COMPASS
- HOMELINK® INTEGRATED TRANSCEIVER
- REMOTE KEYLESS ENTRY WITH ALARM AND TRUNK RELEASE
- ENGINE IMMOBILIZER
- MULTI-FUNCTION TRIP COMPUTER

LIMITED IN BRIGHT SILVER

Rain-Sensing Wipers*

Optical sensors detect moisture on the windshield and automatically adjust the wiper speed for optimal visibility. It seems the only thing Azera can't do is control the weather.

*Available as part of an option package

Power Sunroof

The available power tilt-and-slide sunroof invites a healthy dose of fresh air into the cabin and brightens the interior with natural light. You can adjust nature with a sliding sunshade.

Power Folding Side Mirrors*

As comfortable and spacious as it is inside, the Azera is still sleek and agile outside. For easy passage through tight spaces, your side mirrors can fold in within seconds.

*Available as part of an option package

SE IN STEEL GRAY AND LIMITED IN GOLDEN BEIGE

When we set out to design a brand-new flagship for Hyundai, our engineers started with an entirely new idea of what a full-size sedan should be. This design approach may be why everything about the Azera feels fresh and modern. Its powerful presence and elegant lines are made even more dramatic by alloy wheels and a chrome-tipped dual exhaust, while chrome accents and bodycolor trim set off its distinctively sophisticated color palette. So even in the most beautiful setting, your stylish new Azera may get most of the attention.

2006 AZERA

SE

STANDARD FEATURES INCLUDE:

- 3.8-LITER, DOHC V6 ENGINE WITH CONTINUOUSLY VARIABLE VALVE TIMING AND VARIABLE INTAKE SYSTEM
- 5-SPEED AUTOMATIC TRANSMISSION WITH SHIFTRONIC®
- ELECTRONIC STABILITY CONTROL (ESC) WITH TRACTION CONTROL SYSTEM (TCS)
- ANTI-LOCK BRAKING SYSTEM (ABS) WITH ELECTRONIC BRAKE FORCE DISTRIBUTION (EBD)
- 16-INCH, 5-SPOKE ALLOY WHEELS WITH 225/60HR TIRES
- ADVANCED DUAL FRONT AIRBAGS WITH OCCUPANT CLASSIFICATION SYSTEM (OCS)
- FRONT AND REAR SEAT-MOUNTED SIDE-IMPACT AIRBAGS
- FRONT AND REAR ROOF-MOUNTED SIDE-CURTAIN AIRBAGS
- FRONT ACTIVE HEAD RESTRAINTS
- LED TAIL LIGHTS
- DUAL FOLDING, HEATED, POWER-ADJUSTABLE SIDE MIRRORS
- WINDSHIELD WIPER DEICER
- PREMIUM CLOTH SEATS
- 8-WAY POWER DRIVER AND 4-WAY POWER PASSENGER SEAT
- 60/40 SPLIT FOLD-DOWN REAR SEATBACK
- FRONT DUAL-ZONE CLIMATE CONTROL WITH OUTSIDE TEMPERATURE DISPLAY
- LEATHER-WRAPPED STEERING WHEEL AND SHIFT KNOB
- 172-WATT AM/FM/CD/MP3 SIX-SPEAKER AUDIO SYSTEM
- STEERING-WHEEL-MOUNTED AUDIO CONTROLS
- ELECTROCHROMIC AUTO-DIMMING REARVIEW MIRROR WITH COMPASS
- HOMELINK® INTEGRATED TRANSCEIVER
- TILT-AND-TELESCOPIC STEERING COLUMN
- CRUISE CONTROL
- POWER WINDOWS WITH FRONT AUTO UP/DOWN AND PINCH PROTECTION
- POWER DOOR LOCKS
- AUTOMATIC HEADLIGHT CONTROL
- REMOTE KEYLESS ENTRY WITH TRUNK RELEASE
- ANTI-THEFT SYSTEM WITH ENGINE IMMOBILIZER AND ALARM
- BODYSIDE MOLDINGS WITH CHROME ACCENTS
- FULL-SIZE WHEEL AND SPARE TIRE

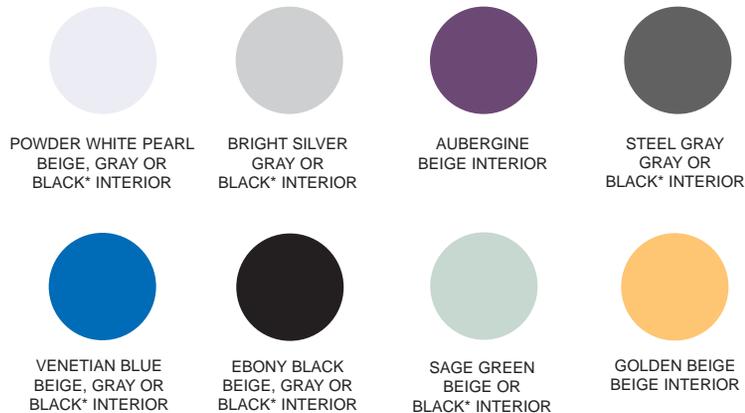

LIMITED

INCLUDES ALL SE STANDARD FEATURES PLUS:

- 17-INCH, 10-SPOKE ALLOY WHEELS WITH 235/55VR TIRES
- LEATHER-TRIMMED INTERIOR
- HEATED FRONT SEATS
- ELECTROLUMINESCENT GAUGES
- POWER REAR SUNSHADE
- WOODGRAIN-TRIMMED STEERING WHEEL AND DOOR PULLS
- FRONT AND REAR BUMPER MOLDINGS WITH CHROME ACCENTS
- CARPETED FLOOR MATS
