

BUICK

2006 **BUICK** TERRAZA

Family utility vehicles have always stressed usefulness over beauty, cargo room over comfort, and seating capacity over style.

Buick® decided to set a new aesthetic standard — and created Terraza.™ It's a seven-passenger van with a look that never shouts "practicality." There's plenty of cargo room* and the luxury of leather-appointed first- and second-row seats.

You'll find great ways to stow gear and a cabin hushed by QuietTuning.™ Terraza has the power to get you there and a premium suspension to smooth the way.

*Cargo and load capacity limited by weight and distribution.
