

2012 Prius v

Prius v Five shown in Clear Sky Metallic with available Advanced Technology Package.

Prius v Five interior shown in Misty Gray SofTex with available Advanced Technology Package.

No, your eyes do not deceive you: That's the iconic and highly aerodynamic shape of the Toyota Prius, only bigger. It's the 2012 Prius v, a new addition to the Prius Family offering all the proven benefits of Prius, plus lots of added cargo volume. With the highest combined fuel efficiency of any SUV, crossover utility vehicle or wagon,¹ a Super Ultra Low Emission Vehicle (SULEV) rating² and loads of versatile features everywhere, it looks like the future is shaping up nicely. **2012 Toyota Prius v. Moving Forward.**

TOP STANDARD AND AVAILABLE FEATURES³

Display Audio with integrated backup camera⁴ display LED headlamps with integrated fog lamps 60/40 split sliding reclining fold-down rear seats Available Premium HDD Navigation⁵ with Entune^{TM6} and JBL[®]

1. Among applicable hybrid and gas models within EPA Midsize Cars, Station Wagon and SUV classes. EPA-estimated 44 city/40 highway/42 combined mileage for Prius v. Actual mileage will vary. **2.** See footnote 26 in Disclaimers section. **3.** Features listed not available on all model grades. **4.** See footnote 3 in Disclaimers section. **5.** See footnote 1 in Disclaimers section. **6.** See footnote 2 in Disclaimers section.

Specifications

MECHANICAL AND PERFORMANCE		PRIUS v
GASOLINE ENGINE		
Type	1.8-Liter aluminum DOHC 16-Valve Variable Valve Timing with intelligence (VVT-i), EV ¹⁶ /ECO/POWER modes; 98 hp @ 5200 rpm (73 kW @ 5200 rpm); 105 lb.-ft. @ 4000 rpm (142 N•m @ 4000 rpm); 134 hybrid system net hp (100 kW)	
Bore x stroke	3.17 in. x 3.48 in.	
Compression ratio	13.0:1	
Induction system	Sequential multi-point EFI with Electronic Throttle Control System with intelligence (ETCS-i)	
Ignition system	Electronic, with Toyota Direct Ignition (TDI)	
Emission rating	Super Ultra Low Emission Vehicle (SULEV) ²⁶	
ELECTRIC MOTOR		
Motor type	Permanent magnet AC synchronous motor	
Power output	80 hp (60 kW)	
Torque	153 lb.-ft. (207 N•m)	
Voltage	650V maximum	
TRACTION BATTERY		
Type	Sealed Nickel-Metal Hydride (Ni-MH) ²⁷	
Power output	36 hp (27kW)	
Voltage	201.6V	
TRANSMISSION		
Type	Electronically controlled Continuously Variable Transmission (ECVT)	
DRIVETRAIN		
Type	Front-Wheel Drive	
BODY CONSTRUCTION		
Type	Reinforced unitized body	
SUSPENSION		
Type	Independent MacPherson strut front suspension with stabilizer bar; torsion beam rear suspension	
STEERING		
Type	Electric Power Steering (EPS); power-assisted rack-and-pinion	
Turning circle diameter, curb to curb (ft.)	36.1; 38.1 (Prius v Five)	
BRAKES		
Type	Power-assisted ventilated front disc brakes; solid rear disc brakes with integrated regenerative braking and Star Safety System™	
EXTERIOR DIMENSIONS (in.)		
Overall height/width/length	62.0/69.9/181.7	
Wheelbase	109.4	
Track (front/rear)	60.6/60.8	
Minimum running ground clearance	5.7	
Coefficient of drag (Cd)	0.29	
INTERIOR DIMENSIONS (front/rear) (in.)		
Head room	39.6/38.6	
Shoulder room	55.9/55.2	
Hip room	53.5/53.5	
Leg room	41.3/35.9	
WEIGHTS AND CAPACITIES		
Curb weight (lb.)	3274	
Passenger volume (cu. ft.)	97.2	
Cargo volume ²⁸ (cu. ft.)	34.3	
Fuel tank (gal.)	11.9	
Seating capacity	5	
TIRES		
Spare — Temporary	Standard	
MILEAGE ESTIMATES (mpg city/highway/combined) ²⁹

TOYOTA FINANCIAL SERVICES

Toyota Rewards Visa®

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love.

Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.*

Visit www.toyotarewardsvisa.com for complete details.

Toyota Financial Services (TFS)[†] is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

[†]Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the HV battery, battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

See numbered footnotes in Disclaimers section.

DISCLAIMERS

1. Availability and accuracy of the information provided by the navigation system or any XM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic navigation updates available at additional cost. See your *Navigation System Owner's Manual* or contact XM for details. **2.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. Select Entune™ apps use a large amount of data and you are responsible for all data charges. Apps and services vary by phone and carrier. Not all apps and data services are available initially. Apps identified by “TM” or “®” are trademarks or registered trademarks of their respective companies and cannot be used without permission. See toyota.com/entune for the latest information regarding apps and services. **3.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. **4.** XM services require a subscription after trial period, and are sold separately or as a package. **Subscriptions governed by SiriusXM Customer Agreement; see www.siriusxm.com. If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. **5.** HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp. **6.** iTunes® Tagging is a registered trademark of Apple, Inc. All rights reserved. **7.** May not be compatible with all mobile phones, MP3/WMA players and like models. **8.** iPod® is a registered trademark of Apple Inc. All rights reserved. **9.** The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. Other trademarks and trade names are those of their respective owners. The Bluetooth® wireless technology phones listed on toyota.com have been tested for compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Toyota. **10.** Available on select Toyota models. Contact with the Safety Connect® response center is dependent upon the telematics device being in operative condition, cellular connection availability, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or receive emergency service support. Enrollment and Telematics Subscription Service Agreement required. One-year trial subscription available only with new vehicle purchase of Safety Connect®-equipped vehicles. Additional subscription terms available; charges vary by subscription term selected. **11.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. Please see your *Owner's Manual* for important instructions and cautions. **12.** The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See your *Owner's Manual* for further information. **13.** The Advanced Parking Guidance System requires driver brake control. Always look around outside the vehicle and use mirrors to confirm clearance. **14.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. **15.** The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **16.** CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in electric-only mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. **17.** HomeLink® is a registered trademark of Johnson Controls, Inc. **18.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **19.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **20.** Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. **21.** All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. **22.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **23.** The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. **24.** Hill Start Assist Control (HAC) is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **25.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key, it can be costly to replace. If you lose a key, your Toyota dealer can help, or you can find a qualified independent locksmith to replace your key or perform high-security key services at www.aloa.org **26.** Meets Tier-2/Bin-3 Federal emissions standard. **27.** Hybrid vehicle battery expected life is 150,000 miles based on laboratory bench testing. **28.** Cargo and load capacity limited by weight and distribution. **29.** 2012 EPA-estimated mileage. Actual mileage will vary. **30.** This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with retention hooks/clips. Do not install a floor mat on top of an existing floor mat. **31.** Available for vehicles with factory security.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.
