'16 ACCESSORIES

THE BEST ACCESSORY? MUD.

Getting to that prime spot requires the rugged power of the Tacoma. Genuine Toyota Accessories can enhance the journey, whether they're increasing functionality or helping to protect your truck. And you can rest assured that they're engineered with the same quality and durability that you trust from Toyota, for years of adventures ahead.

3 EXTERIOR > **18** INTERIOR > **26** TRD

EXTERIOR

Most owners think their trucks can withstand a lot of wear and tear. Tacoma, however, is built to power through the roughest of passages. Make yours even stronger, more versatile and uniquely your own with the style and quality of Genuine Toyota Accessories.

EXHAUST TIP

Add to your Tacoma's bold style with these shiny exhaust tips. Built Toyota-tough, they're constructed from polished, corrosion-resistant double-walled 304 stainless steel. Plus, they're easy to install – no cutting, drilling or welding!

- Features a finely etched Toyota logo

MUDGUARDS

Help keep your lower side panels clean while protecting your paint against chipping.

- Precise fit to match vehicle body panels and structure
- Corrosion-resistant mounting hardware
- Set of four

BALL MOUNT

This Genuine Toyota ball mount¹ helps make it easy to tow your toys. The ball placement provides the precise drop/rise to minimize the vehicle departure angle, plus, Toyota's on-road testing in real-world towing conditions help to engineer the quality and durability of the entire towing system.

- Powder top coat provides uniform surface coating, protection against UV rays
- All Toyota ball mounts meet industry towing standards
- Trailer ball sold separately

TRAILER BALL

The perfect companion to the Tacoma tow hitch and ball mount, this trailer ball² is made of cold-forged steel for superior strength. Available in 2-in. or 2 5/16-in. ball diameters, it includes built-in wrench flats for ease of installation. Note: ball mount sold separately.

- Made specifically for use with Toyota tow hitches and ball mounts
- Helps complete the connection between the vehicle's tow hitch and trailer
- Toyota trailer balls meet or exceed industry towing standards and torquing

CAST ALUMINUM RUNNING BOARDS

Add style and function with a set of running boards. They make it easier to step into the cab, and they complement the rugged good looks of the all-new Tacoma. The steps feature a skid-resistant surface designed for sure-footed entry and exit, and they meet all Toyota-required load, cyclic and durability testing requirements.

- Provide easy step-up access to the vehicle
- Durable aluminum construction with slip-resistant coating
- Sleek design enhances the contours of the vehicle

PREDATOR TUBE STEPS

Step up, step in. Tube steps ease entry into your Tacoma's cab while complementing its good looks.

- Constructed of 6061 aluminum, with a black powder coating
- Durable, aluminum construction is chip and rust resistant

5-IN. OVAL TUBE STEPS

Whether or not your truck is lifted, you might need a step up. Tube steps ease entry into the cab while complementing Tacoma's good looks.

- 5-in. oval tube steps provide dual-molded and skid-resistant heavy-duty step pads on both sides of the vehicle to channel water off the step
- Durable, lightweight aluminum construction is chip and rust resistant; choice of chrome-plated or black powder-coat finish
- Meets all Toyota-required load, cyclic and durability testing

ALLOY WHEEL LOCKS

Your wheels and tires can handle tough terrain. Make them tougher to poach with these triple nickel chrome plated alloy wheel locks.

- Weight matching makes rebalancing unnecessary
- Resists lock removal tools and allows only a single unique key to interface

SPARE TIRE LOCK

Add an extra layer of security for your spare tire with this precision machined spare tire lock.

- Manufactured from zinc-nickel plated hardened steel construction for enduring structural integrity

BED EXTENDER

Sometimes a long truck bed just isn't long enough, and, for those times, you'll be glad you added a bed extender² to your Tacoma. It folds out over the tailgate to extend the effective length of the bed by two feet. Then when not needed, it fits inside the bed to form an enclosed storage area against the tailgate, perfect for containing smaller items.

- Optimum strength from lightweight, aircraft-grade aluminum tube construction and rugged, glass-reinforced nylon uprights
- Powder coat finish enhances appearance and durability
- Taillights remain visible when extended, in compliance with DOT lighting requirements
- Angle-release mounting brackets enable easy installation or removal
- Adjustable strap latches make sure the bed extender is secured to the tailgate when down

² See numbered disclosures on page 32

BED MAT

Help protect your truck bed and the cargo riding around in it from damaging each other with this heavyweight bed mat². It's made from a high strength, cord-enhanced rubber compound that's durable enough to withstand abuse without fading, rusting, cracking or breaking.

- Pebble finish minimizes shifting of cargo
- Raised angled ribs ease cargo loading/unloading
- Knobby underside promotes aeration, and drainage helps keep truck bed dry to help prevent rust and mildew

² See numbered disclosures on page 32

CARGO NET – EXTERIOR

Help ensure that smaller gear doesn't slide around and get damaged or lost with the envelope-style cargo net².

- Elastic-mesh netting is durable and stain resistant
- Easy to install; attaches to defined points in truck bed
- Folds flat for storage when not in use

² See numbered disclosures on page 32

CARGO DIVIDER

To help keep cargo under control, add a cargo divider^{2,3} to your Tacoma. It's the smart, sensible solution that works in conjunction with Tacoma's deck rail system so it can be positioned where it functions best for you.

- Customizable; slides along the Tacoma's deck rail system to create spaces to fit your needs
- Rotates for various configurations including lying flat above cargo
- Made of lightweight, corrosion-resistant, black powder-coated aluminum
- Tested to withstand loads up to 400 lb.

2,3 See numbered disclosures on page 32

TRUCK BED D-RINGS

Secure your cargo with confidence, thanks to these loop-n-bolt D-rings.

- Can be used with ratchet-type tie-downs or heavy-gauge rope
- Constructed from durable steel and painted black for an integrated look

BEDSTEP®

Loading cargo in and out of the bed can be a stretch, but when you add a bed step, you can step up and have easy access. It folds out when needed, then tucks neatly under the rear bumper when not in use. Plus, it works with the tailgate up or down – and can handle a 300-lb. load. Best of all, it bolts in place – no drilling required – and leaves the hitch receiver free for towing.

- Hands-free operation; adjusts easily
- Lightweight, high-strength aluminum die-cast construction features a reinforced nylon step pad with ribbed, nonskid stepping surface

MINI TIE-DOWNS WITH HOOKS

Organize and secure your equipment with these adjustable mini tie-downs with hooks³, made of sturdy black nylon.

- Each mini tie-down measures 2-in. x 1-in and holds a maximum load of 110 lb. each
- Hooks rated for up to 50 lb.
- Tie-downs slide along the bed rail system, held firmly in place by an inner tension spring

³ See numbered disclosures on page 32

BED CLEATS

Secure your gear and head out with confidence, knowing that each bed cleat will hold up to 110 lbs.

- Fully adjustable, the tie-down bed cleat slides along the vehicle's bed rail system using a spring-loaded, twist/locking clamp to hold it in place
- Made of sturdy black nylon material, the tie-down bed cleat measures approximately 6-in. x 1-in.

ROOF RACK

Owning a truck is all about versatility. So what do you do when the cargo bed is full? Add a roof rack⁴! It's designed to blend with the styling of the Tacoma and make it easier to secure cargo. The cross bars stow into the side rails when not in use to minimize wind noise.

- Low-profile roof rack installs with ease on factory roof rail channels
- Can be easily adjusted with no tools necessary
- Offers a 100-lb. load capacity
- Maintains Toyota's high standards for quality, performance and strength

⁴ See numbered disclosures on page 32

PAINT PROTECTION FILM

Like an invisible coat of armor, Genuine Toyota paint protection film⁵ helps protect against sand, stones and other road debris.

- Urethane material provides long-term protection and resists discoloration
- Film constructed of multiple layers for strength and durability
- Genuine Toyota paint protection film is available for select areas of the hood and fenders, or for the front bumper (each sold separately)

⁵ See numbered disclosures on page 32

HOOD GRAPHICS

Emphasize the contours of the hood and embolden the style of your Tacoma with this easy-to-apply graphic.

- Matte black finish enhances the design and contours the hood for a distinctive look
- Available for TRD Sport version only

DOOR SILL PROTECTORS

Be welcomed every time you step into the cabin with these door sill protectors.

- Helps protect the vehicle's interior from everyday scuffs, scrapes and scratches
- Designed for a precision fit to the vehicle
- Skid-resistant surface
- Quick, simple installation

INTERIOR

Just because your truck loves dirt doesn't mean its interior does too. Keep it looking like new with Genuine Toyota Accessories.

ALL-WEATHER FLOOR LINERS

Your Tacoma was built to enjoy the outdoors. Unfortunately, sometimes slush and mud are part of that journey. Help contain the mess with the Genuine Toyota All-Weather Floor Liners⁶; they're precisely engineered to fit your footwell so your carpet stays protected, no matter what's on your shoes.

- “Tub-style” perimeter design provides an ideal fit to help keep liner from shifting around
- Constructed from a durable, lightweight, and completely recyclable TPE material
- Features a custom-molded logo
- Easily washed using just soap and water

⁶ See numbered disclosures on page 32

CARPET FLOOR MATS

Dirt and off-road driving go hand-in-hand, and, if you're not careful, dirt also moves pretty easily from trail to cab. Add a set of carpet floor mats⁶, designed to integrate perfectly with the new Tacoma, while providing an extra measure of protection for the vehicle's carpeting.

- Made to fit the Tacoma floor and match the carpeting
- Lightweight backing and quarter-turn fasteners (on the driver's side) help keep mats in position
- Helps ensure durability on driver's side mat including a vinyl heel pad to help prevent wear
- Removable and easy to clean

⁶ See numbered disclosures on page 32

CARGO TOTE

Moving vehicles and grocery bags don't always play nice with each other. Keep bags upright and in place with a cargo tote².

- Features carrying handles and removable divider panels
- Soft-sided tote folds flat when not in use and pops up when needed
- Tough outer fabric is durable and water resistant

² See numbered disclosures on page 32

ASHTRAY CUP

Keep ashes in the only place they belong: an ashtray.

- Hinged lid helps minimize odors and prevent flyaway ash
- Removable, easy to empty cup that fits snugly inside the cupholder
- Non-smoker? Can also be used to hold loose change and other small items

TRD PERFORMANCE AIR FILTER

You multitask; make sure your parts do too. This TRD air filter helps protect and maintain the life of your engine with enhanced airflow.

- Unique, oiled four-ply cotton gauze in polyurethane body
- Enclosed in durable epoxy coated mesh and an elastomeric seal for a precise, leak-free fit
- Allows the maximum amount of air into the engine with the minimal amount of resistance
- Washable and reusable—regular cleaning ensures free airflow and top performance
- Designed to last the lifetime of the vehicle
- Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

TRD PERFORMANCE OIL FILTER

Keep your oil pure as long as possible and help enhance the life of your engine with the TRD Oil Filter that kicks out impurities through a 100% synthetic fiber filtration medium.

- Heavy-duty body and base plate for extreme strength
- Base plate openings are ported and polished for reduced restriction of oil flow
- Heavy-duty pressure relief valve helps improve oil flow during cold starts
- High-temperature rated silicone anti-drain back valve helps retain oil in the filter to help avoid dry starts

TRD OIL CAP

The legendary Toyota Racing Development logo is on display every time you pop the hood, when you replace your stock oil cap with this highly polished, forged billet aluminum cap.

- High-luster coating ensures long-term appearance
- Maintains high factory quality standards for performance and strength

TRD RADIATOR CAP

The TRD radiator cap releases pressure at higher cooling system levels and protects your engine. Also: it looks awesome.

- Releases at higher cooling system pressures than factory caps, raising the coolant boiling point to protect engines under high-rpm or high-load operation

DISCLOSURES

1. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

Not all models can tow 5,000 lbs. Consult your vehicle's Owner's Manual for towing capacity.

2. Cargo and load capacity limited by weight and distribution.
3. Not compatible with the factory Tonneau Cover.
4. Do not overload your vehicle. See owner's manual for weight limits and restrictions.
Applicable only with a D-cab Tacoma.
5. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.

6. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat. Each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
7. iPhone® not included. Toyota Key Finder requires customers download the free Toyota Key Finder application from the iTunes®, App StoreSM to operate features. Please review the Mac OS® devices listed under Toyota Key Finder on iTunes App Store to verify compatibility. Please note: Interference from structures may affect signal strength. iPhone®, App StoreSM, iTunes®, and Mac OS® are registered trademarks of Apple Inc.

iPhone® is a registered trademark of Apple Inc.

8. Available only for vehicles equipped with factory remote keyless entry.
9. 16-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions.
