2017 ACCESSORIES

EXTERIOR <sup>3</sup>

INTERIOR <sup>21</sup>

TRD <sup>32</sup>

TRD PRO <sup>41</sup>

## TAILGATE INSERT BADGE

Details set you apart from the crowd. These inserts emphasize the Tundra stamp in the tailgate so all the world can take note.

- Attached with strong 3M adhesive backing
- Two colors available: bright chrome and flat black

## BED EXTENDER

Expand your truck's utility even further with the bed extender<sup>1</sup>; increases bed length by two feet with the tailgate down, or helps contain smaller items with the tailgate up.

- Powder coat finish enhances appearance and durability
- Taillights remain visible when in use, in compliance with DOT lighting requirements
- Bed extender cannot be removed when tailgate is up and locked
- Angle-release mounting brackets enable easy installation or removal
- Adjustable strap latches ensure the bed extender is secured to the tailgate when down

<sup>1</sup> See numbered disclosures on page 47

## SKID RESISTOR™ BEDLINER

Defend your Tundra's bed from damage incurred by shifting loads with a Skid Resistor Bedliner<sup>2</sup>. Made of thick-ribbed, high-density polyethylene, it can withstand a whole lot of abuse, including chemicals and corrosives.

- Premium high-gloss black finish
- Ribbed I-beam floor construction provides superior impact resistance
- Smooth tailgate facilitates easier loading and unloading
- Features a no-drill, no-scuff installation

<sup>2</sup> See numbered disclosures on page 47

## SPRAY-ON BEDLINER

Get the spray-on bedliner<sup>2</sup> that's as tough and durable as your Tundra. Protect your bed from damage with this permanently bonded fixture.

- Toyota quality standards assure uniform thickness and a consistent texture
- Textured surface is designed to prevent cargo from sliding
- No lost cargo space, minimal added weight
- Features a Tundra logo
- Proprietary application method helps to create a straight and crisp edge
- Fully warranted; repairs completed quickly and easily at a Toyota dealership

<sup>2</sup> See numbered disclosures on page 47

## BED MAT

Minimize damage to your truck bed and cargo with this heavyweight bed mat. It's made from a high strength, cord-enhanced rubber compound that can withstand abuse without fading, rusting, cracking, or breaking<sup>2</sup>.

- Pebble finish minimizes shifting of cargo
- Raised angled ribs ease cargo loading/unloading
- Knobby underside promotes aeration and drainage that keeps the truck bed dry to help prevent rust and mildew

<sup>2</sup> See numbered disclosures on page 47

## TONNEAU COVER

Even the toughest of gear needs a bit of care and protection. Defend your valuables against the elements with the hard, tri-fold, tonneau cover<sup>3</sup>. The low-profile, tri-fold design lets you use it when you need it, and easily store it when you don't.

<sup>3</sup> See numbered disclosures on page 47

- Self-latching system allows for easy cover operation and removal
- Helps keep water out of the bed with its advanced seal and channel system with drain hoses at the cab end
- Innovative mounting system allowing for full access to bed rails

## CARGO NET – EXTERIOR

Don't sweat the small stuff—at least don't let it slide around and get lost or damaged. The envelope-style cargo net is up to the job.

- Elastic mesh netting is durable and stain resistant
- Easy to install and attaches to defined points in the truck bed
- Folds flat for storage when not in use
- Deck Rail System not required

## CARGO DIVIDER

Keep precious cargo and bulky items from rolling around in your truck bed with this customizable cargo divider<sup>4</sup>.

- Slides along the Tundra's deck rail system to create the space to fit your needs
- Rotates for various configurations including lying flat above cargo
- Made of lightweight, corrosion-resistant, black powder coated aluminum

<sup>4</sup> See numbered disclosures on page 47

## DECK RAIL SYSTEM

The deck rail system works with tie-down cleats and a locking fork bike rack, so you can secure almost anything you need for your work or play.

- Galvanized steel construction for superior strength
- Black powder coat ensures excellent corrosion resistance
- Includes four tie-down bed cleats made of sturdy die-cast aluminum, accommodating a maximum load of 880 lb. (220 lb. each)
- Includes locators for bed cleats every four inches
- Mini tie-downs sold separately

## LOCKING FORK BIKE RACK

Go hiking with no worries, knowing that your bike is secured in a bike rack that locks down the front forks<sup>4</sup>.

- Custom-designed for the Tundra's deck rail system
- Bike can be positioned along the front bed rail
- Virtually effortless mounting: simply remove the front wheel, position the forks into the skewer, and lock

<sup>4</sup> See numbered disclosures on page 47

## 20-IN. CARVED 5-SPOKE ALLOY WHEELS

Go big or go home. These lightweight alloy wheels<sup>5</sup> increase performance by dissipating heat faster, while increasing grip.

- Incorporates the proper balance, offset, and brake clearance to ensure proper fit, finish, and reliability

<sup>5</sup> See numbered disclosures on page 47

## TUBE STEPS

Whether or not your truck is lifted, tube steps ease entry into the cab while complementing the Tundra's good looks.

- Skid-resistant heavy-duty step pads help to channel water off the steps
- Durable, lightweight aluminum construction is chip- and rust- resistant; choose between chrome-plated or a black powder coat finish
- Simple, no-drill installation
- Not available on Regular Cab models

## BRUSHED STAINLESS STEEL STEPBOARDS

Step into your cab with style and ease when you install these stepboards, composed of corrosion resistant, high-quality stainless steel. They also help reduce dirt and stone chipping of the door and body.

- Features two heavy duty injection-molded step pads providing a skid-resistant tread surface at each door
- 25% lighter than conventional closed-section running boards, while meeting or exceeding load requirements
- Injection-molded end caps help reduce wind noise and offer a more finished appearance

## CAST ALUMINUM RUNNING BOARDS

Step up and step in. These sturdy running boards give you easier access to the vehicle.<sup>6</sup>

- Durable aluminum construction with slip-resistant coating
- Sleek design enhances the contours of the vehicle

<sup>6</sup> See numbered disclosures on page 47

## MINI TIE-DOWNS WITH HOOKS

Organize and secure your equipment with these adjustable mini tie-downs with hooks<sup>4</sup>, composed of sturdy black nylon for durability.

- Each mini tie-down measures 2-in. x 1-in. and holds a maximum load of 110 lb. each—a total of 220 lb. for the set of two
- Hooks are rated up to 50 lb.
- Tie-downs slide along the bed rail system and are held firmly in place by an inner tension spring

<sup>4</sup> See numbered disclosures on page 47

## TIE-DOWN CLEATS

Secure your precious items in the bed by fastening them to these fully adjustable sturdy tie-down cleats.<sup>4</sup>

- Composed of strong, die-cast aluminum
- Uses a steel locking plate to slide down Tundra's deck rail system
- Holds a maximum of 220 lbs.

<sup>4</sup> See numbered disclosures on page 47

## DECK RAIL CAMERA MOUNT

Pics or it didn't happen. Thanks to the camera mount specifically designed to securely attach your GoPro® to the truck bed, you can easily document all of the adventures with your truck<sup>7</sup>.

<sup>7</sup> See numbered disclosures on page 47

- Attaches to the factory deck rail
- Made from anodized cast aluminum
- Attachment hardware included, no tools required
- Includes two tethers which attach to the mount and the camera case for added security

## EXHAUST TIP

Finish off the Tundra's bold style with these shiny exhaust tips.

- Constructed of polished, corrosion-resistant double-walled 304 stainless steel
- Easy bolt-on installation; no cutting, drilling, or welding

## BALL MOUNT

No matter the destination, bring your toys along with the Genuine Toyota ball mount<sup>8</sup>.

- Ball placement provides precise drop/rise to maintain vehicle departure angle
- Black powder coat finish provides protection against UV rays
- Lab and on-road testing ensures quality of tow hitch system
- Trailer ball sold separately

<sup>8</sup> See numbered disclosures on page 47

## TRAILER BALL

Crafted of cold-forged steel for superior strength, the trailer ball<sup>8</sup> is designed to work with your Tundra's tow hitch ball mount.

- Available in 2 5/16-in. or 2-in. ball diameters
- Helps complete the connection between the vehicle's tow hitch receiver and trailer
- Includes built-in wrench flats for ease of installation and torquing
- Ball mount sold separately

<sup>8</sup> See numbered disclosures on page 47

## SPARE TIRE LOCK

Add an extra layer of security for your spare tire with this precision-machined spare tire lock.

- Made from zinc-nickel plated hardened steel for enduring structural integrity

## ALLOY WHEEL LOCKS

Tough terrain is no match for your tires and wheels. Make them tougher to poach with triple nickel chrome plated alloy wheel locks.

- Guaranteed proper fit
- Weight matching makes rebalancing unnecessary
- Resists lock removal tools and allows only a single unique key to interface

## PAINT PROTECTION FILM

Like an invisible coat of armor, Genuine Toyota paint protection film<sup>9</sup> helps protect against damage from sand, stones, and other road debris.

- Urethane material provides long-term protection and resists discoloration
- Film constructed of multiple layers for strength and durability
- Genuine Toyota paint protection film is available for select areas of the hood and fenders, or for the front bumper (each sold separately)

<sup>9</sup> See numbered disclosures on page 47

## DOOR SILL PROTECTORS

Door sill protectors welcome you every time you step into the cabin while keeping sills scuff-free.

- Skid-resistant surface with the “Tundra” logo molded into the sill

## ALL-WEATHER FLOOR LINERS

Your Tundra has never been afraid of a little dirt. And now you can really go all out while still keeping the interior like new. Contain the mess with the Genuine Toyota All-Weather Floor Liners; they're precisely engineered to fit your footwell so your carpet stays protected, no matter what's on your boots<sup>10</sup>.

- “Tub Style” perimeter design provides an ideal fit to help keep liner from shifting
- Protects the original floor carpet from soiling due to dirt, mud, sand, and snow
- Constructed from a durable, lightweight, and completely recyclable TPE material that is easily cleaned with soap and water
- Front mats feature a custom-molded logo that provides a distinctive look

<sup>10</sup> See numbered disclosures on page 47

## CARPET FLOOR MATS

Help keep your original carpet clean and neat with these durable, fade-resistant carpet floor mats<sup>10</sup>.

<sup>10</sup> See numbered disclosures on page 38

- Made to fit the Tundra floor and match the carpeting
- Nibbed backing and quarter-turn fasteners (on the driver's side) help keep mats in position
- Removable and easy to clean

## CARGO TOTE

Moving vehicles and grocery bags don't always play nice with each other. Keep bags upright and in place with a cargo tote<sup>11</sup>.

- Features carrying handles and removable divider panels
- Soft-sided tote folds flat when not in use and pops up when needed
- Tough outer fabric is durable and water resistant

<sup>11</sup> See numbered disclosures on page 47

## CENTER CONSOLE TRAY

A Tundra's cabin can be as useful as its bed with the addition of a custom-designed center console tray. With compartments for phones, tablets, and other objects, everything can be organized and conveniently within reach.

- Neoprene backing prevents tray from sliding around
- Easy slide access to power cords
- Railings to accommodate letter-size hanging file folders

## UNDER SEAT STORAGE

The Tundra is designed to haul big loads, but sometimes you need to take extra care of small items that can't ride loose in the bed. This covered storage compartment<sup>12</sup> tucks neatly under the rear seats and secures your things, while keeping them safe from prying eyes.

- Designed exclusively for the Tundra Double Cab
- Easily accessed by lifting the rear bench seat
- Lid helps to protect items over bumps
- Molded from durable black ABS plastic

<sup>12</sup> See numbered disclosures on page 47

## KEY FINDER

You need your keys, now. Once synced to your iPhone® the Toyota key finder<sup>13</sup> can alert you when you leave keys behind or locate them from up to 60 feet away. You can also use the key finder to find your iPhone® hiding in the clutter.

- One app monitors up to eight separate key finder devices
- Supports iPhone®/iPad®/iPod® Touch with iOS® 5.0 or later
- Backed by a 12-month Toyota Approved Accessory parts warranty

<sup>13</sup> See numbered disclosures on page 47

## COIN HOLDER / ASHTRAY CUP

Keep ashes in the only place they belong: an ashtray.

- Hinged lid helps minimize odors and prevent flyaway ash
- Removable, easy to empty cup that fits snugly inside the cupholder
- Non-smoker? Can also be used to hold loose change and other small items

## REMOTE ENGINE STARTER

Step into the comfort of a pre-cooled or heated cabin, thanks to the remote engine starter<sup>14,15</sup>.

- Activates air conditioner, heater, defroster and defogger functions to preset temperatures and settings
- Engine starts with quick, three-step sequence using remote key fob
- Integrates with keyless entry system and existing factory security

<sup>14,15</sup> See numbered disclosures on page 47

## SECURITY SYSTEM

With the Tundra's looks and performance, you can see the envy in their eyes—but they're just gonna have to get their own. Protect your Tundra with a security system<sup>16</sup> and sleep easier.

- Designed to integrate with the keyless entry system—no need for an additional remote
- Automatic rearming and relocking, door-ajar warning, interior light activation, panic alarm, rolling code technology, and disabling of the starter
- Glass breakage sensor (GBS) includes a highly sensitive microphone that detects the sound frequency of an object striking on glass or glass breakage
- Warn-away alarm is triggered if an object strikes a window
- Alarm is activated if someone tries to force open a door or if glass is broken

<sup>16</sup> See numbered disclosures on page 47

## GLASS BREAKAGE SENSOR

Enhance the coverage of your security system with the glass breakage sensor<sup>17</sup> that activates the alarm if the glass is broken.

- Glass breakage sensor (GBS) includes a highly sensitive microphone that detects the sound frequency of an object striking on glass or glass breakage
- Warn-away alarm is triggered if an object strikes a window
- Designed to integrate with the keyless entry system—no need for an additional remote

<sup>17</sup> See numbered disclosures on page 47

## UNIVERSAL TABLET HOLDER

Help keep passengers entertained with this high quality, universal tablet holder<sup>18</sup>. Compatible with virtually all multimedia devices, it securely holds your tablet, phone, music, or video player.

- Installs and removes in seconds – no tools required
- Durable material with spring loaded arms
- Adjustable pivot/tilt for ultimate viewing experience

## EMERGENCY ASSISTANCE KIT

Be prepared for minor emergencies and repairs with the multi-functional emergency assistance kit. The triangle shaped zipper bag in gray/black two-tone features outer storage pockets and reflective emergency indicators on the kit surface. Contents include:

- Versatile, stainless steel pocket tool with multiple functions including: pliers, wire cutter, two screw drivers
- Heat-reflective emergency blanket
- Flashlight
- Work gloves with textured palm area to optimize grip
- Automotive-grade hose tape
- Booster/jumper cables with multi-lingual instructions
- Tire gauge
- Bungee cord
- Shop towel
- Tether strap

## FIRST AID KIT

This compact kit will come in handy in case of minor scrapes and wounds, to help you get patched up and on your way. The soft-sided, water-resistant, and flame-retardant black PVC zipper case contains:

- Insect-sting relief pads
- Self-adhesive bandages
- Rolled stretch bandage with metal clips
- Two multi-use, waterproof, heat-reflective survival blankets
- Stainless steel scissors capable of cutting through seatbelt strapping

**TRD**

## **TRD PERFORMANCE HANDLING SUSPENSION KIT**

Empower your 2WD Tundra with greater athleticism and agility, thanks to the complete TRD Performance Handling Suspension Package.

- Includes TRD-tuned shock absorbers, front coil springs, rear leaf springs, rear sway bar and all required hardware, including bump stops
- Engineered specifically for 2WD Tundra
- Lowers Regular Cab: 40-mm. in the front and 60-mm. in the rear
- Lowers Double Cab and the CrewMax: 60-mm. in the front and 70-mm. in the rear

## TRD PERFORMANCE SHOCKS

Improve the on-road driving experience of your Tundra with TRD Performance Shocks. Get less lean during maneuvering and a well-managed ride.

- Includes front and rear TRD tuned shock absorbers
- On-road racing inspired TRD Performance shock absorbers were specifically designed to increase the on-road driving experience focusing on ride, handling, and steering response.
- Enhances steering response and body control
- Reduces vehicle roll, braking dive, and take off acceleration squat
- Compatible with 2WD and 4WD Tundras
- Not compatible with the TRD Performance Lowering and Handling Suspension Kit

## TRD REAR SWAY BAR

Enhanced control, less drama. Rear sway bars give your Tundra flatter cornering and less under steer during maneuvering, helping to deliver greater handling overall.

- Helps preserve the secure handling of the original steering and suspension system
- High-quality spring steel helps ensure strength, stiffness, and durability
- Durable, gloss red powder coat finish resists corrosion and helps protect against damage
- Simple, bolt-on installation, with no modifications required: all hardware included
- Not compatible with lowered Tundra Trucks

## TRD PERFORMANCE AIR INTAKE

Increase the quality of the air that flows to your motor and quantifiably increase its performance with the TRD performance air intake<sup>19</sup>, and let your engine's potential roar.

- Takes cool air from behind and below the headlight area (rather than hot air from the engine compartment) to supply engine with cooler, denser air to help increase horsepower
- Designed to work with factory ECU and emissions system
- Features reusable TRD high-flow air filter with custom-calibrated filter
- Designed and Dyno-tested to deliver superior acceleration and greater pulling power
- Emissions legal in all 50 states

<sup>19</sup> See numbered disclosures on page 47

## TRD PERFORMANCE AIR FILTER

You multitask; make sure your parts do too. This TRD air filter helps protect and maintain the life of your engine with enhanced airflow.

- Unique, oiled four-ply cotton gauze in polyurethane body
- Enclosed in durable epoxy-coated mesh and an elastomeric seal for a precise, leak-free fit
- Allows the maximum amount of air into the engine with the minimal amount of resistance
- Washable and reusable—regular cleaning ensures free airflow and top performance
- Designed to last the lifetime of the vehicle
- Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

## TRD OIL CAP

The legendary Toyota Racing Development logo is on display every time you pop the hood when you replace your stock oil cap with this highly polished, forged billet aluminum cap.

- High-luster coating ensures long-term appearance
- Maintains high factory quality standards for performance and strength

## TRD RADIATOR CAP

Enhance performance, and look good while doing it. The TRD radiator cap releases pressure at higher cooling system levels while protecting your engine.

- Helps enhance vehicle performance in high-rpm or high-load conditions
- Designed to release at higher cooling system pressures than factory caps, raising the coolant boiling point to help protect engines under high-rpm or high-load operation

## TRD PERFORMANCE OIL FILTER

Keep your oil pure as long as possible, and help enhance the life of your engine with the TRD Oil Filter that kicks out impurities through a 100% synthetic fiber filtration medium.

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Viton housing gaskets and drain adapter

## TRD PERFORMANCE BRAKE PADS

Whether you're boulder bashing or stuck in traffic, you quickly realize that the left pedal is just as crucial as the right. The enhanced stopping power from TRD brake pads decreases stopping distance while it increases your confidence.

- Aramid- and ceramic-strengthened compound helps deliver an optimum combination of cold and hot friction with minimal brake noise
- Reduces fade during repeated stops or extended downhill driving
- Direct replacement for stock pads
- For street and off-road use (not intended for open track sessions)

# TRE PRO

## TRD PRO FRONT SKID PLATE

Help keep the underbelly of your Tundra safe from vengeful boulders with the TRD Pro front skid plate.

- Enhances Tundra's tough, capable stance
- Helps protect vehicle underbody from damage that can result from flying stones, branches, ice chunks, and other types of road debris
- Made from stamped and formed 1/4-in. thick silver powder coated aluminum
- Skid plate won't interfere with or block the cooling system, while providing cut outs for unobstructed access to all maintenance points and vehicle tow hooks
- Rigorous computer-aided design (CAD) simulations conducted by Toyota engineers, in addition to real world testing, help to maximize protection and prevent vibration, stress, and noise issues
- Easy, no-drill installation uses vehicle's existing attachment mounts

## **TRD PRO PERFORMANCE EXHAUST SYSTEM**

Energize the brute within with some deep breathing exercises. The TRD Pro exhaust gives your engine greater power, while bellowing out a deep, throaty tone.

- Made from premium stainless steel, and featuring a cat-back exhaust design with dual TRD logo-etched tips
- Engineered for a less restrictive path, to help reduce backpressure for added low-to mid-range torque, along with improved horsepower
- Produces a deep, throaty, award-winning exhaust note while meeting the legal 95-decibel noise limit, as required by law

## TRD PRO BILSTEIN® SHOCKS WITH REMOTE RESERVOIRS

This is how you dominate the trail. Up front, TRD-tuned springs are matched to oversize 2.5-in. remote-reservoir Bilstein® shocks for a 2-in. lift. In the rear, we match similarly massive Bilstein® shocks to our TRD off-road leaf spring. Built for tough terrain, this suspension maximizes wheel travel and features advanced 3-stage compression dampening with internal hydraulic bump stops to help knock the edge off rough trails.

- Large 2.5-in. TRD Bilstein shocks with remote (piggyback) reservoirs front & rear for increased oil capacity, cooling, and durability
- Zinc finish with multi-layer coating for extreme surface durability
- ZoneControlR technology® integrates internal hydraulic bump stops into progressive 3-stage position sensitive compression control for extreme off-road demands
- 60-mm. Digressive Pistons for enhanced ride comfort and control at high speeds over rough terrain
- Red TRD-tuned front Eibach® coil springs with custom rates that are softer for a better ride both on- and off-road
- Engineered by TRD with unique components and tuned by TRD engineers to provide better ride quality and off-road performance

## **TRD PRO FLOOR MATS**

Help protect your carpet from mud-splattered adventures with custom-fitted, durable, fade-resistant carpet mats<sup>10</sup>.

---

- Quarter-turn fasteners (on the driver's side) and nibbed backing on all mats help keep mats in position
- Removable and easy to clean

<sup>10</sup> See numbered disclosures on page 47

## TRD PRO SHIFT KNOB

Enhance your connection to your Tundra every time you shift with the TRD Pro shift knob.

- Simple remove and replace installation with no drilling or special tools required

# ALWAYS GO WITH GENUINE TOYOTA ACCESSORIES

When it comes time to make your Toyota your own, remember only Genuine Toyota Accessories are designed, tested, and approved specifically for your Toyota vehicle. Plus, when you purchase them at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year / 36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about Genuine Toyota Accessories and to see how they'll look on your Tundra with our comprehensive Build Your Toyota feature, please visit [toyota.com](http://toyota.com) or to find your local Toyota dealer, please visit [toyota.com/dealer](http://toyota.com/dealer).

This brochure is based upon information available at time of printing, is subject to change without notice, is for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.

## DISCLOSURES

1. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
2. Payload includes the weight of occupants, cargo, and options limited by weight distribution. Always properly secure all items.
3. The tonneau cover is weather-resistant, but not weather-proof.
4. Requires Deck Rail System.
5. 20-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions.
6. This part is for Double Cab models only.
7. GoPro® camera accessory not included with purchase. GOPRO, HERO, The GOPRO Logo, and the GoPro be a Hero logo are trademarks or registered trademarks of GoPro Inc.
8. Before towing, confirm your vehicle and trailer are compatible, hooked up, loaded properly, and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants, and available equipment.
9. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.
10. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
11. Cargo and load capacity limited by weight and distribution.
12. This part is for the Double-CAB Only.
13. iPhone® not included. Toyota Key Finder requires customers download the free Toyota Key Finder application from the iTunes®, App Store™ to operate features. Please review the iOS® devices listed under Toyota Key Finder on iTunes App Store to verify compatibility. Please note: Interference from structures may affect signal strength. iPhone® App Store™, iTunes®, and iOS® are registered trademarks of Apple Inc. iPhone® is a registered trademark of Apple Inc.
14. Available for vehicles equipped with factory remote keyless entry.
15. Use only if aware of circumstances surrounding the vehicle at time of start. Operate only when legal and safe to do so (e.g., car uncovered in open area with no people or pets inside or nearby). See usage precautions and *Owner's Manual*.
16. Available for vehicles equipped with factory remote keyless entry.
17. Available only for vehicles equipped with factory security system.
18. Universal Tablet Holder intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times.
19. The TRD performance air intake is to be sold as a dealer-installed or over-the-counter option after the retail sale of the vehicle. The performance air intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog, visit [www.trdusa.com](http://www.trdusa.com) or call 800-688-5912 for a complete list of TRD products and warranty information. Emission-legal for aftermarket sale via C.A.R.B. Executive Order.
