

ASTRO

Astro LT AWD in Dark Carmine Red Metallic with available features.

2004 Chevy Astro

From camping to launching your boat, from running errands to picking up supplies for your home improvement projects, your life is challenging. Good thing there's Chevy™ Astro®, the most capable midsize van.* It has standard seating for eight, available All-Wheel-Drive, more available cargo space† than many SUVs and more towing capacity than any midsize van.** And Astro is from the family of Chevy Trucks, the most dependable, longest-lasting trucks on the road.††

Available Astro LT interior with leather-appointed seats shown in Medium Gray with seven-passenger seating.

Astro LT AWD with optional features and available GM Accessories.

Astro LT interior shown with available features.

*Based on standard passenger, maximum trailering and maximum cargo capacity. Unless otherwise noted, all claims are based on 2003 GM Medium Van segment and latest available competitive information. Excludes other GM vehicles.

†Cargo and load capacity limited by weight and distribution.

**Maximum trailer weight ratings are calculated assuming a properly equipped base vehicle plus driver. See your Chevy dealer for details.

††Dependability based on longevity: 1981–July 2002 full-line light-duty truck company registrations. Excludes other GM divisions.
