

**2006 CADILLAC ESCALADE EXT** As the world's first reconfigurable luxury SUT, Escalade EXT redefines innovation. The key is its ingenious Midgate® panel, which helps to quickly transform the EXT from a luxury SUT into a versatile cargo carrier.\* The five-foot, lockable cargo bed is expandable to over eight feet by lowering the Midgate panel. Escalade EXT also puts you in command of the road with a high-output 345-hp V8, Road-Sensing Suspension, StabiliTrak® Electronic Stability Control System, and high intensity discharge headlamps. Power. Luxury. Functionality. You get it all in Escalade EXT.

\*Cargo and load capacity limited by weight and distribution.

Escalade EXT shown in Black Raven with optional equipment.

MODELS	
Escalade EXT	
EPA ESTIMATED FUEL ECONOMY IN MPG	
City	13
Highway	17
MAXIMUM CAPACITIES	
Cargo volume (cu. ft.) <sup>1</sup>

2

1 Cargo and load capacity limited by weight and distribution.

2 Maximum payload capacity includes weight of driver, passengers, optional equipment, and cargo.

3 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.

4 Available at extra cost.

5 Always use safety belts and proper child restraints, even with air bags. Even with the Dynamic Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

6 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.

7 RDS functions only where stations broadcast RDS information.

8 Map coverage includes only the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico, or the Virgin Islands.

9 XM is available only in the 48 contiguous United States. Services fees extra. Visit gm.xmradio.com for more details.
