- Chevrolet Accessories floor mats with Red border and Silver Camaro lettering (dealer-installed)
- Chevrolet Accessories footwell and cup holder lighting (dealer-installed)

Preproduction concepts shown. Actual production model will vary.

¹ Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details. Camaro's 20-inch and 21-inch tires are Summer performance tires. Summer-only tires tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires.
