MAKE YOUR HEART RACE

Occasions that take your breath away. Moments that leave you speechless. These are the experiences we live for. That's why the designers and engineers at Jaguar have created a line of vehicles that blend responsive performance to get your pulse racing with dramatic design that makes you stop and stare. Since the first Jaguar car was produced in 1935, this legendary brand has pushed the boundaries of what is possible, combining performance and beauty like no other. This uncompromising vision continues to set the benchmark for Jaguar cars today.

Jaguar DNA is instantly recognizable across our model range — agile and powerful, sleek and seductive, confident and instinctive. All of this exhilaration and emotion is now attainable through the Jaguar Approved Certified Pre-Owned program.

Vehicle shown: 2020 Jaguar iPace.

Vehicle shown: 2021 Jaguar F-Type.

ONLY THE BEST

Only the most carefully maintained vehicles from the most discerning owners qualify for the Approved Certified Pre-Owned program. Fortunately, Jaguar owners are legendary for their devotion to their vehicles, which means that virtually the entire qualifying range of previously owned Jaguar models is available.

The Approved Certified Pre-Owned Warranty offers either a one-year/unlimited mileage or two-years/100,000 miles Limited Warranty coverage*. The Jaguar Approved Certified Pre-Owned Limited Warranty coverage and Roadside Assistance benefits begin after the Jaguar New Vehicle Limited Warranty ends, so there is not coverage time lost. Furthermore, the Approved Certified Pre-Owned Limited Warranty will transfer upon the sale of the vehicle.†

* Jaguar Approved Certified Pre-Owned Coverage, including limited warranty and roadside assistance, expires one year from the end of the original new car warranty with unlimited miles or two years from the end of the original new car warranty or 100,000 miles, whichever comes first. Original in-service date is the earlier of the new-vehicle retail sale or in-use date, as reported to Jaguar Land Rover North America, LLC. Vehicles can have either a one year/unlimited miles or two years/100,000 miles limited warranty coverage. See your local authorized Jaguar Retailer for complete terms and conditions of the limited warranty and service coverage.

† The Jaguar Approved Certified Pre-Owned Limited Warranty is transferable to subsequent private owners and will continue in effect for the remaining warranty period. If a vehicle is sold to a non-Jaguar franchise retailer, this warranty is terminated.

CERTIFIED ELEGANCE

Long before you see your Approved Certified Pre-Owned Jaguar vehicle for the very first time, it has undergone a rigorous 165-point evaluation. Appearance, performance, reliability, and refinement all must pass demanding tests and guidelines with minimal tolerances. If any deficiencies are detected, they are corrected by a Jaguar Retailer using only genuine Jaguar parts. In addition, a Vehicle History Report is provided with every vehicle.

The 165 certification and inspection points include exterior body and finish, electrical systems, luggage area, engine, interior furnishings and electrical systems, heating and air-conditioning, undercarriage/drivetrain and, finally, a road test. These select vehicles are fully endorsed by a professional Jaguar technician, your Jaguar Retailer, and Jaguar Land Rover North America, LLC.

Vehicle shown: 2020 Jaguar XE.

THE JAGUAR APPROVED CERTIFIED PRE-OWNED COMPREHENSIVE 165-POINT CHECKLIST

VEHICLE ELIGIBILITY

- 1 Was the vehicle built for sale in the US?
- 2 Does vehicle meet age, model year and mileage eligibility?
- 3 Has the vehicle passed an independent Vehicle History and independent Mileage Check?
- 4 Is the vehicle free from any warranty restrictions?

- 163 (IF EQUIPPED) Deployable rear spoiler
- 164 (IF EQUIPPED) Convertible folding top

TESTS - EMISSIONS

- 165 Emissions tests

* Please remember that the safety belts in a Jaguar vehicle constitute the primary protection system for driver and passengers in collisions. Airbags are not designed to deploy in all collisions. The airbag Supplemental Restraint System (SRS) is a supplement to the safety belts and is designed to work as a system with the safety belts. Although airbags provide additional protection, airbags without safety belts do not provide optimal protection in a crash. Always wear your safety belts. Children younger than 13 years old should always be properly restrained in a back seat, away from airbags. Never place an infant seat in the front seat.

** These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

† Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones, (InteractiveVoice™), and other devices, even with voice commands, when it is safe to do so.

THE JAGUAR EXPERIENCE

While Jaguar ownership itself is a grand reward, Approved Certified Pre-Owned ownership includes specific amenities, benefits, and services as part of The Jaguar Experience.

ROADSIDE ASSISTANCE

Should you ever have a flat tire or lock yourself out of your Jaguar Approved Certified Pre-Owned vehicle, there's no need to worry – Jaguar provides 24-hour Roadside Assistance, at no additional cost to you, for the duration of the warranty.* If you need assistance with your vehicle, simply call the toll-free hotline anytime from anywhere in the United States. Complimentary Jaguar Roadside Assistance provides you with:

- Flat-tire and dead-battery service.
- Lockout service and towing to the nearest Jaguar Retailer.
- Coverage that includes reasonable costs for food, lodging, or transportation if covered repairs extend beyond a day.*

COMPETITIVE FINANCING

Jaguar offers exclusive, competitive finance rates for the Jaguar Approved Certified Pre-Owned program. Take advantage of exclusive rates on the finest, most carefully maintained Jaguar vehicles available. See your Jaguar Retailer for qualification requirements and complete details.

TRANSFERABLE BENEFITS

The Jaguar Approved Certified Pre-Owned Limited Warranty is transferable to subsequent private owners and will continue in effect for the remaining warranty period. If a vehicle is sold to a non-Jaguar franchise retailer, this warranty is terminated.

Easy access to manuals, accessory brochures, warranty and maintenance information can be found at **www.JaguarUSA.com**

*See your local authorized Jaguar Retailer for complete details.

Vehicle shown: 2018 Jaguar XJ.

THE APPROVED CERTIFIED PRE-OWNED JAGUAR MODEL RANGE

F-TYPE

The F-TYPE is a fitting continuation of Jaguar sports-car heritage. This two-seat convertible or coupe is exquisitely focused on performance, agility, and driver involvement. In fact, its very visceral feel and unique driving characteristics bring something new to the segment. The Jaguar F-TYPE combines a lightweight chassis, prodigious power, and superb aerodynamics to achieve a pure sports-car experience.

XJ

The elegant premium-luxury sedan from Jaguar. The XJ offers an aluminum-alloy monocoque bodyshell for high strength with light weight. Naturally aspirated or supercharged engines include the acclaimed Jaguar V8 and V6. Interior space is generous, luxurious, and impeccable. This is the ultimate Jaguar luxury sedan.

XF

This breakout sports sedan from Jaguar provides dramatic, cutting-edge exterior and interior design with intelligent technology. Long, low, and wide proportions, with muscle clearly apparent beneath the skin, the XF defines sporting luxury. Powertrain choices included supercharged V6 or turbocharged inline four engines. Instinctive All Wheel Drive® is available on select models.*

*This feature is not a substitute for safe and attentive driving, nor can it overcome all extreme circumstances. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

XE

The Jaguar of compact sports sedans places equal emphasis on driving dynamics and luxury. Available with rear-wheel drive or All-Wheel Drive, and with V6 or turbocharged four-cylinder power, the Jaguar XE features soft-touch interior materials, comfortable and supportive seats, plus the InControl Touch Pro™ Duo infotainment system with smartphone connectivity.

F-PACE

With its dynamic stance and on-road presence, the F-PACE luxury-performance SUV is strikingly handsome. Its exhilarating good looks are paid off by a range of available powertrains, including a mild hybrid and the ultimate P550 supercharged V8, exclusive to the SVR model. Jaguar All-Wheel Drive with Intelligent Driveline Dynamics is standard equipment. And even with your friends and family in the second row, the F-PACE offers up to 31.5 cubic feet of loadspace.

E-PACE

The first compact SUV from Jaguar, the E-PACE offers a unique combination of design, agility, and driving dynamics. With its sculpted hood and muscular rear haunches, the E-PACE has the lines of a coupe. Inside, the driver-focused interior features high-quality materials and contemporary design. Advanced driving technology includes Active Driveline and available Adaptive Dynamics.

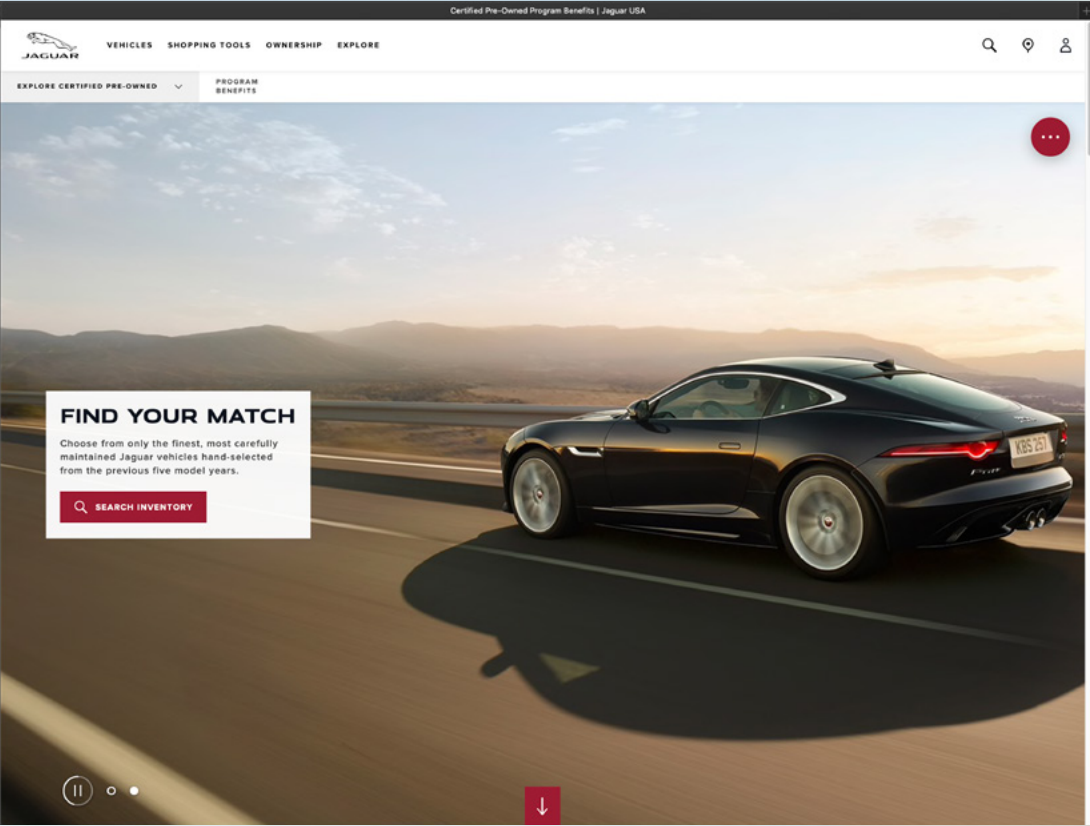

I-PACE

The battery-electric Jaguar I-PACE is a true driver's car, with an amazing 512 lb-ft of instant torque plus sports-car agility. Its elegant, aerodynamic design helps I-PACE achieve 234 miles on a full charge. The highly contemporary interior design integrates technology with abundant space – five full seats, a substantial 25.3 cu. ft. of rear cargo space, plus a front storage compartment. Enjoy a serene driving environmental along with impressive power and All-Wheel-Drive traction in the all-electric Jaguar I-PACE.
