

# 2021 Grand Cherokee

**Jeep**<sup>®</sup>

these roots  
have run deep  
since 1941

Born as a purpose-built 4x4 for the front lines in 1941, the Jeep® 4x4s soon transitioned from the battlefields to the farm fields and backroads, where they diligently kept up with hard daily use in industry and recreation alike. Through 80 years and all manner of terrain and weather, a growing lineup of Jeep® 4x4s has consistently moved the bar with strong drivetrains, innovative engineering and quality components that stand out from all other 4x4 SUVs.

## lean into the curves

Grand Cherokee puts a robust list of available luxuries at hand so you can drive away with a full complement of premium amenities. Beginning with the optional fully wrapped Signature Leather Interior Package on Summit® models with plush Laguna leather trim featured throughout: on the heated and ventilated seats, the instrument panel, doors, centre console, glove box and armrests. Exotic open-pore wood and metal accents are seen on the steering wheel and bezels. Standard cabin features expand to include a Uconnect® 4C NAV with a flush-mounted 8.4-inch full-colour touchscreen that's easily integrated with your smartphone. The standard 825-watt Harman Kardon® Premium Audio System, with 19 well-placed speakers and 10-inch subwoofer, offers a concert-like experience to all passengers.

STYLE | 4

# designed mastery

Crafted to exacting details, Grand Cherokee presents an elegant profile. Available 20-inch fully polished wheels shine with a Satin Clear Coat, and a unique seven-slot grille outlined in chrome and filled with impressive mesh inserts, with dual bright exhaust tips in the rear. Summit® styling climbs higher with its chrome trim that enhances the roof rails and side window trim.

Summit® with Platinum Series in Diamond Black Crystal Pearl

# top-tier standards

You're invited to an immediate "sensory-surround" experience by way of Grand Cherokee and its robust inclusion of high-level standard and available features found within its cabin. Its supportive yet highly cushioned seating is covered in available Natura Plus leather trim with refined edge welting. Real wood and brushed chrome accents are available, and especially stand out on the standard leather-wrapped heated steering wheel.

First-row seats are always heated, and second-row seats can be easily upgraded to include this passenger-pleasing feature, as well. The available Uconnect® 4C NAV dominates the front dash with its 8.4-inch full-colour touchscreen and will fully integrate with your smartphone. The available Harman Kardon® Premium Audio System situates 19 speakers in exactly the right location, with a deep subwoofer that helps fill the cabin with concert-like sound.

Summit® in Dark Sienna

# premium travels

**Security, Convenience and Media** New standards are raised for every Grand Cherokee. Every model is equipped with a 115-volt auxiliary power outlet, power liftgate, security alarm,<sup>13</sup> steering-wheel-mounted audio controls and a universal garage door opener.<sup>14</sup> Every Limited model and above arrives with a Uconnect<sup>®</sup> 4C NAV multimedia centre that boasts a flush-mounted 8.4-inch full-colour touchscreen.

**Cold Weather Standards** Enjoy high-level standard features designed to keep you warm during Canada's cold months. Every 2021 Grand Cherokee arrives with heated front seats, a heated steering wheel and Remote Start System.

**Dual-Zone Automatic Temperature Control** Constantly adjusts air temperature inside the cabin to create separate customized environments for the driver and front passenger. Standard.

**Rear DVD Entertainment System** Two 9-inch high-resolution screens integrated into the seatbacks can play DVDs and Blu-ray Discs.<sup>®</sup> Includes independent HDMI and RCA inputs for each screen. Available.

**Sun & Sound Group** Here, one-stop shopping adds the expansive Dual-Pane Panoramic Sunroof and the 9-speaker Premium Alpine<sup>®</sup> Surround-Sound System together, giving music-, sun- and fresh-air-seekers exactly what they crave. Available on Limited.

**Remote Proximity Entry** Keep the key fob in your pocket, open the door, get seated with your foot on the brake, press the Start button and simply shift into Drive. Standard.

**Acoustic Glass** Acoustic windshield and laminated front-door glass help remove the distractions of traffic and wind noise to deliver a noticeably hushed and peaceful ride. Standard. Rear sunscreen acoustic laminated glass is standard on Grand Cherokee Summit<sup>®</sup>, SRT<sup>®</sup> and Trackhawk<sup>®</sup> models.

Summit<sup>®</sup> in Dark Sienna

# touchscreen controls

Set temperature controls, activate heated seats and steering wheel, and so much more — all from the touchscreen. A drag-and-drop menu bar allows you to highlight your top six favourite features and services so they're always in sight on your standard 7-inch or available 8.4-inch Uconnect® touchscreen display.

Works with  
**Apple CarPlay**

A smarter, safer way to use an iPhone inside your vehicle and seamlessly integrates it with the Uconnect touchscreen and Siri<sup>15</sup> voice control. This compatibility allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road. Standard.

works with  
**androidauto**

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto™<sup>1</sup> and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, “Hey Google” or long-press the voice-control button on your steering wheel. Standard.

# SIRIUSXM connected services

Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

**SiriusXM** Listen to your favourite channel on your connected device, then flip to SiriusXM<sup>2</sup> in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 140 channels, all at the press of a button. With the SiriusXM All Access<sup>2</sup> trial, you get every channel available wherever you go on your portable devices with the SiriusXM App<sup>2</sup>, which is included with your one-year trial. Available.

**SiriusXM TRAVEL LINK** Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link<sup>16</sup> service are included. Available.

**SiriusXM TRAFFIC PLUS** Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus<sup>16</sup> service are included. Available.

**Uconnect®** | **SiriusXM GUARDIAN** Drive worry-free with SiriusXM Guardian<sup>3</sup> — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year trial. Available.

## SIRIUSXM GUARDIAN<sup>3</sup> SERVICES + UCONNECT® APP

- > **SOS CALL<sup>17</sup>** In the event of an incident, push the SOS<sup>17</sup> button. You'll be connected to a SiriusXM Guardian<sup>3</sup> agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.
- > **ROADSIDE ASSISTANCE CALL<sup>18</sup>** puts you in touch with an agent who can get you help while you're out on the road.
- > **LOCK/UNLOCK YOUR CAR** from virtually anywhere.
- > **START YOUR CAR** remotely.
- > **FLASH THE LIGHTS** and sound the horn to help find your car.
- > **VEHICLE FINDER<sup>19</sup>** allows you to locate your vehicle on a map.
- > **SEND & GO<sup>TM20</sup>** enables you to send destinations to your navigation system.
- > **THEFT ALARM NOTIFICATION<sup>21</sup>**  
Receive alerts by text, email or push notification if your vehicle's standard theft alarm is triggered.
- > **STOLEN VEHICLE ASSISTANCE<sup>22</sup>** If the unexpected happens and your vehicle is stolen, Stolen Vehicle Assistance will help police locate your vehicle.
- > **FAMILY DRIVE ALERTS<sup>23</sup>** Peace of mind when you hand over the keys. Allows you to set parameters to receive notifications when others are operating your vehicle.

# home-to-car control with Amazon Alexa

*“Alexa, ask Jeep® to start my car.”*

*“Alexa, ask Jeep how much gas is in my car.”*

*“Alexa, ask Jeep to find the nearest gas station.”*

*“Alexa, ask Jeep to send (address) to my car.”*

**NEW HOME-TO-CAR CONTROL WITH AMAZON ALEXA** Conveniently command your vehicle using your voice with the Jeep® Skill<sup>4</sup> for Amazon Alexa on an Alexa-enabled device from the comfort of your home! Just ask Alexa to start/stop the engine, lock/unlock the doors, check fuel status or tire pressure and more. With available Uconnect® Navigation,<sup>24</sup> you can also ask Alexa to find a business and send the address directly to your vehicle.

## 4G WI-FI HOTSPOT

All along the way, you can upload and download, post, and search. Uconnect with available Wi-Fi<sup>25</sup> links compatible devices to the Web so passengers can stay in play. Available.

## NAVIGATION

Dinner reservations at the new place in town? Uconnect employs GPS Navigation<sup>24</sup> for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command and say the complete address to get directions quickly. Available.

# strategic audio design

19 SPEAKERS SURROUND YOU

**Enter this virtual concert hall** and take your seat. Select your program, adjust the volume, and enjoy a true and very dynamic Surround-Sound experience, brought to you by Harman Kardon.<sup>®</sup> Available.

**Precisely tuned** to maximize the cabin acoustics of Grand Cherokee, the available Harman Kardon 19-Speaker Premium Audio System takes you to places few other systems can.

**Impressive dynamics** feature a 10-inch subwoofer, designed to fill your personal soundstage. Get ready to feel the beat.

**harman/kardon<sup>®</sup>**

# best-in-class 4x4 CAPABILITY<sup>30</sup>

## Jeep® Brand Four-Wheel-Drive (4WD) Systems

**Quadra-Drive® II** With the Electronic Limited-Slip Differential, you can gain ultimate traction by transferring up to 100 percent of torque to the rear wheel(s) with the best grip. Standard on Trailhawk®, and available on Limited, Overland® and Summit®.

**Quadra-Trac II®** All-Speed Traction Control quickly distributes power to the axle with the most traction. The two-speed transfer case acts quickly to keep you moving wherever challenging road conditions are found. Standard on Limited, Trailhawk, Overland and Summit.

**Quadra-Trac I®** Let this fully automatic 4WD system do the thinking for you. It can adjust traction without need for driver input, so you can keep moving forward with an optimal balance of torque distribution. Standard on Laredo.

Trailhawk® in Granite Crystal Metallic

Always drive within your capability and experience level and consistent with conditions.

OFF-ROAD 2

AERO

PARK

**Class-Exclusive Quadra-Lift® Air Suspension<sup>5</sup>** adjusts your ride height to improve handling based on your driving needs. Quadra-Lift® smooths on-road handling, helps aid efficiency, and makes entry, exit and loading much easier. Raises up to 27 cm (10.8 in) and lowers 4 cm (1.6 in) from normal ride height. Allows for 50 cm (20 in) of water fording.<sup>26</sup> Available.

# Selec-Terrain® dominates Canadian winters

Head out with confidence. You're equipped to go anywhere, knowing just about everything regarding the performance of your Jeep® Grand Cherokee.

Snow

Trailhawk® in Green Metallic

**Selec-Terrain® Traction Management System** Five selectable settings let you dial in to the type of Four-Wheel-Drive (4WD) traction control your Jeep Grand Cherokee needs at any particular moment. Selec-Terrain® pairs with an available 4x4 system, giving you the ability to tailor your capability to the road and driving conditions. Selec-Terrain helps to adapt traction performance with a selectable dial that features Snow, Sand, Auto, Mud and Rock settings. This intelligent system gives you ultimate driving confidence by coordinating 12 vehicle systems, including throttle control. Available.

**Off-Road Pages** Access real-time performance data so you know just how far your suspension is travelling, and see how you're faring on the trail with the tilt-and-pitch gauge. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.

## DO-EVERYTHING trail-master

The Trail Rated® badge is an emblem of authority, and every Trail Rated Grand Cherokee has earned it — the hard way. Every Trail Rated vehicle in the Jeep® Brand lineup must successfully pass tests in five performance categories: Traction, Articulation, Manoeuvrability, Ground Clearance and Water Fording<sup>26</sup> Navigating a Trail Rated Grand Cherokee hands over the confidence to conquer the most challenging conditions out there. You're equipped to experience all the thrills of remote off-road trails, as well as tame Mother Nature's most demanding weather conditions.

Trailhawk® in Slate Blue Pearl

**QUICKEST SUV EVER<sup>11</sup>**  
0 - 60 MPH (0 - 97 KM/H)  
IN 3.5 SECONDS

## Trackhawk®

**Quadra-Trac® On-Demand Four-Wheel-Drive (4WD) System** Authentic Jeep® Brand 4WD resides in an Electronic Limited-Slip Rear Differential and a single-speed transfer case.

**Selec-Track® with Launch Control** Adjust your suspension based on the way you want to feel the road below. Press a button to choose from five performance settings: Track, Sport, Auto, Snow and Tow. Press the system's Launch Control button to optimize every possible setting for maximum acceleration off the line.

**Brembo® High-Performance Brake System** Four-wheel disc antilock brakes provide important stopping power, from 97 km/h (60 mph) in 34 m (114 feet). Massive 15.75-inch rotors with six-piston calipers in the front and 13.78-inch rotors with four-piston calipers in the rear are clad in a distinctive Yellow finish.

# strength of a hero

Jeep® Grand Cherokee puts a range of advanced powertrain options in front of you. Choose how you'd like to move forward with strength, capability and the fortitude to tow.

**3.6L Pentastar™ V6 engine** Meet Grand Cherokee's standard proven performer. Its strength can pull up to 2,812 kg (6,200 lb) when properly equipped. Engine Stop/Start (ESS) technology seamlessly and automatically shuts off the engine at full stops, then re-engages for takeoffs. Standard.

**5.7L V8 engine** Towing of up to 3,265 kg (7,200 lb) is earned via 360 hp with 390 lb-ft of torque, when properly equipped. Quick and responsive, you'll also enjoy efficiency gains due to the helpful FuelSaver Multi-Displacement System and Variable Valve Timing (VVT). Available.

**6.4L SRT® V8 engine** The heart of Grand Cherokee SRT® churns out 475 hp and 470 lb-ft of torque. FuelSaver Technology optimizes efficiency when V8 power is not required, with no sacrifice in performance.

**6.2L Supercharged V8 engine** It powers the Grand Cherokee Trackhawk®. With 707 hp under the hood and 645 lb-ft of torque, 0 - 60 mph in 3.5 seconds, and a top track speed of 289 km/h (180 mph), it delivers a thrilling driving experience.

**Standard 8-speed automatic transmission** Moves with efficient, smooth-riding might, consistently using energy to its best advantage. You'll feel the enhanced acceleration and appreciate the reduced fuel consumption. Increased torque adds strength to pull. Switch to Sport Mode, and both shifts and engine power are adjusted to hand over a sportier driving experience.

**Eco-Mode maximizes fuel efficiency** It automatically modifies the shift schedule and torque converter. When you activate Eco-Mode, idle speed is gently lowered, allowing gains in precious fuel economy.

# best-in-class towing<sup>12</sup>

Tow up to 3,265 kg (7,200 lb) with the Trailer Tow Group IV. It includes heavy-duty engine cooling, a Class IV hitch receiver, a four- and seven-pin wiring harness, rear load-leveling suspension and a full-size spare tire. Available.

**Grand Cherokee fulfills the quest** for head-turning style supported by authentic capability. Travel to all those places you've always hoped to discover by way of a luxurious legend that doubles as a powerful road warrior.

Summit® in Ivory Pearl Tri-Coat  
Properly secure all cargo. Always tow within the vehicle's capacity.

# actively on guard at all times

Jeep® Grand Cherokee arrives with an impressive list of standard and available safety and security features, including Blind-Spot Monitoring<sup>6</sup> and Rear Cross-Path Detection<sup>6</sup> Systems, Full-Speed Forward Collision Warning with Active Braking<sup>6</sup>, Lane Departure Warning with Lane Keep Assist<sup>6</sup> and rain-sensing windshield wipers. They all work together, along with the long list of standard features included on all trim levels, to boost your confidence travelling over every road.

## PARALLEL AND PERPENDICULAR PARK ASSIST<sup>6</sup>

**Adaptive Cruise Control with Stop (ACC Stop)<sup>6</sup>** Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Grand Cherokee to a complete stop, without driver intervention, to help avoid a collision. Available.

**Parallel and Perpendicular Park Assist<sup>6</sup>** This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes Park-Sense<sup>®</sup> Front Park Assist<sup>6</sup> sensors. Available.

**Lane Departure Warning with Lane Keep Assist<sup>6</sup>** Provides a visual warning should the system detect the vehicle is drifting outside of lane boundaries and can provide corrective steering input using the Grand Cherokee's electric power steering system. Available.

## ADAPTIVE CRUISE CONTROL WITH STOP (ACC STOP)<sup>6</sup>

**Electronic Stability Control (ESC)<sup>27</sup>** A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should they detect you're veering off your intended path. ESC<sup>27</sup> coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control and Trailer Sway Control (TSC), sending them into action when needed. Standard.

**Forward Collision Warning with Active Braking (FCW+)<sup>6</sup>** Sensors detect when Grand Cherokee may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and can provide brake assistance if the driver does not react in time. Available.

**Rain-Sensing Windshield Wipers and Rain Brake Support** Rain showers should never be a showstopper. Front wipers activate when raindrops are detected. The smart brake system helps dry the brake rotors on wet roads. Available.

**Blind-Spot Monitoring<sup>6</sup> and Rear Cross-Path Detection<sup>6</sup>** These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via helpful icons illuminated on sideview mirrors and an audible chime. Standard.

**ParkView<sup>®</sup> Rear Back-Up Camera<sup>6</sup> with Trailer View** Back out safely with grace. This system helps bring previously hidden rear objects to your attention, on the standard 7-inch or available 8.4-inch touchscreen, in good time to react. You can also keep an eye on anything in tow while in motion. Standard.

**Park-Sense<sup>®</sup> Rear Park Assist System<sup>6</sup>** Works in tandem with ParkView<sup>®</sup> Rear Back-Up Camera<sup>6</sup>. When the vehicle is in Reverse, at low speeds below 6.4 km/h (4 mph), ultrasonic sensors can detect stationary objects, then sound an audible warning. The system will provide momentary braking, and can automatically bring the vehicle to a stop before releasing the brakes, if an object is detected. Standard.

# 2021 Grand Cherokee buyer's guide

## LAREDO

Access is granted to everything that makes Grand Cherokee the Best-Selling full-size SUV in Canada.<sup>8</sup> Raising Laredo to new heights are abundant high-value cold weather standard features offered right out of the box, like the heated front seats and steering wheel, Remote Start System and a convenient power liftgate. A long list of standard safety features offers welcome peace of mind, and the Quadra-Trac I<sup>®</sup> Four-Wheel-Drive (4WD) System mated to the proven 3.6L Pentastar™ V6 engine with Engine Stop/Start (ESS) technology adds all-weather confidence to keep you moving forward when you're facing the most challenging road conditions.

6.4L HEMI V8 Engine	2948 (6500)
6.2L Supercharged V8 Engine	2994 (6600)

**BRAKE SYSTEM** — Power, single-rate, tandem diaphragm vacuum, Antilock Brake System measurements in millimetres (in)

FRONT: 3.6L V6	330 x 32 (13 x 1.3) vented disc
5.7L V8	330 x 32 (13.8 x 1.3)
SRT®	380 x 34 (15 x 1.34) vented disc with Brembo® 6-piston caliper (standard)
380 x 34 (15 x 1.34)	— 2-piece aluminum hat performance rotor, directionally slotted with Brembo 6-piston caliper (available)
Trackhawk®	400 x 36 (15.75 x 1.42)
2-piece aluminum hat performance rotor, directionally slotted with Brembo 6 x 40 6-piston fixed caliper	

REAR: 3.6L V6	330 x 14 (13 x 0.55) disc
5.7L V8	330 x 22 (13 x 0.87) vented disc
SRT (standard)	350 x 28 (13.78 x 1.10) disc with Brembo 4-piston caliper SRT (available)
350 x 28 (13.78 x 1.10)	Performance disc, directionally slotted with Brembo 4-piston caliper
Trackhawk	350 x 28 (13.78 x 1.10)
Performance disc, directionally slotted with Brembo 4-piston caliper	

**FUELSAVER TECHNOLOGY** — Deactivates four cylinders during steady-speed cruising, low acceleration or shallow-grade climbing conditions (5.7L and 6.4L)

**VARIABLE VALVE TIMING** — Increases engine breathing by varying the degree the valves open and close in conjunction with the piston position, resulting in better performance, more efficient operation and increased torque for towing and hauling (3.6L and 5.7L)

**TRANSMISSION** — Driver-interactive manual control via shift knob or available steering-wheel paddle shifters and electronically modulated torque converter clutch with Eco-Mode (standard)

**SRT® / TRACKHAWK®** — Adaptive electronic control with driver-interactive manual control via steering-wheel paddle shifters and electronically modulated torque converter clutch with seven drive modes: Auto, Sport, Track, Snow, Tow, Eco and Valet

**SUSPENSION** — Front: short- and long-arm independent (SLA), coil springs, gas-charged, twin-tube coil over shock absorbers, steel upper and aluminum lower control arms (“A” arms), aluminum knuckle, hollow stabilizer bar. Rear: multilink rear suspension, coil spring, “A” arm, independent upper links (tension and camber) plus a separate toe link, hollow stabilizer bar

**SRT / TRACKHAWK** — Front: SLA independent with “A” arm, aluminum knuckle, aluminum clevis, coil springs, Bilstein® Adaptive Damping Suspension (ADS), upper and lower control arms (“A” arms), hollow stabilizer bar. Rear: multilink rear suspension, coil spring, Bilstein ADS, “A” arm, independent upper links (tension and camber) plus a separate toe link, hollow stabilizer bar

**STEERING** — Electric rack and pinion, SRT tuned on SRT and Trackhawk

Overall Ratio	16.5:1 (SRT and Trackhawk)
	16.7:1 (all others)
Turns, lock-to-lock	3.2 (all others)
Turning Diameter, metres (feet), curb-to-curb	11.3 (37.1)

**BODY DESIGN** — Uniframe construction: body panels and frame members welded and bonded into a single unit

**ELECTRONIC STABILITY CONTROL<sup>27</sup>** — 4-channel, 4-wheel antilock with active wheel-speed, vehicle-speed, steering wheel-angle, yaw-rate and lateral-acceleration sensors, vehicle stability management with 2-stage activation switch, All-Speed Traction Control, Brake Assist, Electronic Roll Mitigation and Electronic Brake-Force Distribution

Properly secure all cargo.

## TOWING DATA

kilograms (lb)

Maximum Trailer Weight Rating when equipped with available Trailer Tow Group IV

3.6L Pentastar V6 Engine	2812 (6200)
5.7L HEMI V8 Engine	3265 (7200)
6.4L HEMI V8 Engine	2812 (6000)
6.2L Supercharged V8 Engine	3265 (7200)

**RESTRICTION:** Trailer frontal area limitation of 5.9 sq m (64 sq ft); maximum trailer length of 9.1 m (30 ft) (Class IV); Trailer Sway Control and low-profile mirrors are recommended. This chart is meant to serve as a quick reference guide on how to properly equip your Grand Cherokee for towing. For specific details, discuss your plans with your Jeep, Brand retailer, who will help select the right equipment to meet your specifications.

## POWERTRAINS

Engine	3.6L Pentastar™ V6 with Variable Valve Timing (VVT)	5.7L HEMI® V8 with FuelSaver Technology and VVT	6.4L HEMI V8 with FuelSaver Technology	6.2L Supercharged V8

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2021 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.† SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.†

\*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. To use Android Auto on your car display, you'll need an Android phone running Android 6.0 or higher, an active data plan and the Android Auto App. 2) Requires SiriusXM radio subscriptions governed by SiriusXM Canada Customer Agreement available at [siriusxm.ca/terms](http://siriusxm.ca/terms) 3) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 4) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Late availability. 5) Based on *WardsAuto* Middle/Sport Utility segmentation. When properly equipped. Excludes other vehicles designed and manufactured by FCA US LLC. 6) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 7) Jeep Grand Cherokee has received more awards over its lifetime than any other SUV. 8) Based on IHS Markit Total Canadian New Vehicle Registrations for the Full-Size SUV segment from CY2015 through September 2020. 9) Based on IHS Markit Total Canadian New Vehicle Registrations for all SUV segments from CY2014 through October 2019. 10) Based on *WardsAuto* Middle/Sport Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 11) Based on *WardsAuto* UV segmentation. Excluding electric vehicles. Based on 0 – 60 mph in 3.5 seconds on a prepped surface. 12) Based on *WardsAuto* Middle/Sport Utility segmentation. When properly equipped. Excludes other vehicles designed and manufactured by FCA US LLC. 13) Vehicle must be locked and system activated for alarm to sound. 14) Not compatible with all garage door openers. 15) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 16) SiriusXM Traffic Plus and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at [www.siriusxm.ca](http://www.siriusxm.ca) for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 17) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 18) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 19) To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 20) Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 21) Theft Alarm Notification is compatible with factory-installed alarms only. 22) Stolen vehicle police report required. 23) Available only on equipped vehicles with an active subscription to SiriusXM Guardian connected services (Family Drive Alerts is not available on vehicles with 12-inch touchscreen). All SiriusXM Guardian equipped vehicles come with a 12-month trial of the full suite of services effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue services. Services can only be used within the United States, Puerto Rico and Canada where cellular coverage is available. See coverage map for details. 24) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 25) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 26) Do not attempt water fording unless depth is known to be less than 50 cm (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 27) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 28) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 29) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 30) Based on *WardsAuto* Middle/Sport Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. Best-in-Class 4x4 capability based on Jeep Grand Cherokee Trailhawk models with Best-in-Class ground clearance, approach angle, departure angle, ramp breakover angle, Best-in-Class maximum towing capacity, the Quadra-Drive II 4x4 System, exclusive Jeep Selec-Terrain Traction Management System with five settings (including Rock), and has earned the Trail Rated certification, meaning this vehicle has passed capability tests in five categories: Traction, Ground Clearance, Manoeuvrability, Articulation and Water Fording.
