

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving through life with greater confidence, excitement and connection to the world around you.

2021
MAXIMA®

¹Availability of features vary by vehicle model year, model, trim level, packaging, and options. ²Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁴Information displayed is dependent on how vehicle is equipped. ⁵Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁶Available feature. ⁷Leather appointments. ⁸Front seats and rear outboard seats only. ⁹Provincial laws may apply. Review before using. ¹⁰Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ¹¹Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ¹²Intelligent Emergency Braking and Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹³Rear Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁴Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁵Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹⁶Intelligent Lane Intervention and Lane Departure Warning only operate when lane markings are detectable. See Owner's Manual for safety information. ¹⁷Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹⁸Virtual composite 360° view. ¹⁹Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for Important safety information. ²⁰Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ²¹Extra cost option. ²²Whichever occurs first. ²³RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ²⁴Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ²⁵Intelligent Trace Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. ²⁶Traffic Sign Recognition (TSR) may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. ²⁷See Owner's Manual for safety information. ²⁸XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2021 Sirius XM Canada Inc. The Sirius®, XM®, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ²⁹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ³⁰Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ³¹Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³²Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ³³Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁴Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ³⁵Vehicle must be on for the Easy-Fill Tire Alert to operate. ³⁶2021 Fuel Consumption Estimate. doors and console

178 mm (7") Advanced
Drive-Assist® Display^{3,4}

203 mm (8") Touch-screen display

7-degree centre console rotation

Premium Ascot Leather-wrapped
D-shaped steering wheel⁶

Display Commander

Drive Mode Selector

Climate-controlled seats⁶

Unlimited engagement

Maxima® connects you to your drive like no other. Rotating the centre console towards the driver gives you an easy reach to key controls. The standard Advanced Drive-Assist® Display serves up information at a glance.^{3,4} Nissan Door to Door Navigation with Premium Traffic and smartphone connectivity put your world at your fingertips.^{2,5} No detail was overlooked – the ergonomically designed shift lever, Display Commander, and Drive Mode Selector are all grouped together to fall readily to hand.

Nissan Maxima® Platinum shown in Charcoal Premium Ascot Leather.⁷ U.S. instrumentation shown.

Customized performance

With legendary VQ V6 power under your right foot and an Xtronic CVT® (Continuously Variable Transmission) to keep you in the meat of the powerband, Maxima is a driver's dream come true. And with the standard Drive Mode Selector, you can switch between sport sedan and luxurious cruiser at the touch of a button.

Nissan Maxima® SR shown in Charcoal Leather with Alcantara® inserts.⁷

Pure ambiance

Technically, the term is “Wow”. There’s no better way to describe it – the perfect expression of driving exhilaration with elegance and style.

Zero Gravity Front Seats ⁸	Climate- controlled front seats ⁶	Ambient LED Lighting
--	--	-------------------------

⁷U.S. instrumentation shown.

Android Auto™

With Android Auto in your Maxima, you can keep your eyes on the road and hands on the wheel while using your voice to help you with your day. Ask Google to play your favourite song, navigate home, or respond to a text hands-free. Just say, “Hey Google” or long-press the voice control button on your steering wheel.¹⁰

It’s even a quick read

Nissan Advanced Drive-Assist® Display Maxima helps you focus on what’s most important: driving. From turn-by-turn directions⁵ to caller ID – even Intelligent Driver Alertness¹¹ that warns you if it senses you need a break – the 178 mm (7") Advanced Drive-Assist Display lays it all right before your eyes. You can even change the colour of the Maxima on the display to match your tastes.^{3,4}

Remote start from your phone

With NissanConnect® Services, you can remotely start your vehicle from nearly anywhere your compatible smartphone works. Need to unlock your vehicle for a friend? Just tap the unlock button on your phone. You can even find your parked vehicle’s location. Now that’s technology built for you.^{6,9,10}

Apple CarPlay® integration

People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, Apple CarPlay® (shown above) brings on board to your Maxima your contacts, favourite audio apps, Apple Maps, and more. You can even use your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.^{2,10}

Standard Safety Shield® 360

Imagine being surrounded by confidence on every drive. Part of Nissan Intelligent Mobility, Safety Shield 360 includes features that monitor in front of you, behind you, and on either side, and can step in to help keep you safe. The following features come standard on every 2021 Nissan Maxima.^{®1,15}

INTELLIGENT EMERGENCY
BRAKING WITH
PEDESTRIAN DETECTION¹²

REAR INTELLIGENT
EMERGENCY BRAKING¹³

REAR CROSS
TRAFFIC ALERT¹⁴

BLIND SPOT
WARNING¹⁵

LANE DEPARTURE
WARNING¹⁶

HIGH BEAM
ASSIST

See and sense more around you

Intelligent Cruise Control Watches the flow of traffic to take the tedium out of your daily commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.¹⁹

Intelligent Forward Collision Warning Maxima is on the lookout when you can't see what's going on up there. Intelligent Forward Collision Warning watches up to two cars ahead, and when it detects sudden deceleration in front of you, it gives you a warning to slow down.²⁰

Intelligent Around View® Monitor Four cameras make parking easy with a virtual composite 360° bird's-eye view of your Maxima. You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen heads-up when it detects moving objects near your vehicle.^{6,17,18}

Intelligent Lane Intervention Maxima helps keep you in your lane. When lane markings are clear, Intelligent Lane Intervention can detect if you're straying out of your lane and can tap the brakes to help gently guide you back.^{6,16}

CHOOSE YOUR COLOUR AND INTERIOR

Charcoal Leather⁷ | SL

Charcoal Premium Ascot Leather with Alcantara® Inserts⁷ | SR

Charcoal Premium Ascot Leather⁷ | Platinum

Cashmere Premium Ascot Leather⁷ | Platinum

Nano-pigment paint. Maxima® colour Carnelian Red features a nano-pigment technology where the paint pigments are ground 10 times finer than those found in traditional paint. The resulting finish is stunning, with an exceptionally deep, wet, lustrous look.

Nissan has taken care to ensure that the digital colour swatches presented here are the closest possible representation of actual vehicle colours. Swatches may vary slightly due to viewing light or screen quality. Please see the actual vehicle and colours at your dealer.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2021 Nissan is covered by a 3 year/60,000 km²² Comprehensive New Vehicle Warranty, a 5 year/100,000 km²² Powertrain Warranty, an 8 year/130,000 km²² Emission OBD Warranty on selected components, and a 5 year/ unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you

24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Fuel tank – L (imp. gal.)	68.1 (14.98)

	SL	SR	Platinum
Base total	1679 (3701.6)	1685.7 (3716.3)	1690.9 (3727.8)

City	11.6 (24)
Highway	7.9 (36)
Combined	9.9 (28)

Actual mileage may vary with driving conditions – use for comparison only.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,* we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

NISSAN MAXIMA®

Isn't it time you were passionate about the vehicle you drive?
Welcome to the 2021 Maxima.
