GRAND PRIX

pontiac.com/grandprix or 1-800-2PONTIAC

Every car has its strength, but might one car excel at everything? Introducing the reborn 2004 Grand Prix®.

Start with power. A 200-hp V6 engine leads the way. Want more? Supercharge it. GTP® models feature 260 horses at your command.

Build the momentum. Offering power without hesitation — plus dynamic handling and control — Grand Prix realizes the concept of total performance like never before.

Feel your way. The available Formula One-inspired TAPshift™ (Touch Activated Power) features steering wheel-mounted control paddles that transform Grand Prix's automatic transmission into a crisp, manual shift.

Experience Grand Prix. Fuel for the soul. Reborn spring 2003.

Grand Prix GTP with the Competition Group Package.
