

PONTIAC

2004 Vibe

Vibe shown in Satellite with optional equipment.

### 2004 Pontiac Vibe

The Pontiac® Vibe™ is designed to stir the enthusiast in you. Each Vibe model offers flexibility with numerous cargo- and passenger-carrying configurations,\* and a long list of standard features. Vibe GT integrates a performance-minded engine, sport-tuned suspension and rally-inspired six-speed manual gearbox. And for those who tend to travel imperfect pathways, there's Vibe AWD. It's as responsive to the road as it is to your need to bring along the cargo that comes with weekend adventures. The Pontiac Vibe. Limitless.

\*Cargo and load capacity limited by weight and distribution.

Get behind the wheel and you know Vibe is a true driver's car.

Horsepower ratings from the 1.8 liter engine range from 123 on the AWD model to 173 on the GT.

The split-folding rear seat and the flat-folding passenger seat allow versatile cargo stowage.\*
