Beneath its sleek skin, the ASTRA boasts zip and a refined interior. 1) A powerful 140-horsepower 1.8-liter engine and 5-speed manual transmission allow you to get out of cell phone range, fast. 2) Rain-sensing intermittent windshield wipers will ensure a perfect view of the road while you gobble it up. 3) With its unique angular shape and nearly imperceptible gaps, the low gloss, high-definition grain dashboard affirms interior refinement. 4) The amber-hued triple-info display board computer flaunts everything from time, date and radio station to exterior temperature and check-system controls. 5) One year of the OnStar[®] Safe & Sound Service Plan² and six air bags³ come standard. And with each comes peace of mind.
