

The All-New 2013 Acura

ILX

**WHEN MAN AND MACHINE CONNECT,
THE EXTRAORDINARY HAPPENS.**

It's almost intangible. That feeling of pushing a button and having the machine react immediately, instinctively – like an extension of you. We get to this feeling by eliminating excess in pursuit of intuitive, human-focused technology. We get to it through engineering that doesn't choose between form and function. The result is a vehicle that delivers performance and efficiency. One that provides luxury and versatility. One that elevates not only driver enjoyment, but driver ability. This is the extraordinary. This is the Acura ILX.

Man. Machine. Connect.

THIS IS THE FUTURE OF ACURA.

NSX Concept

Information Provided by:
DEALER

2013 ILX
This is where
luxury begins.

Introducing the all-new luxury compact sedan from Acura. Its bold appearance, wealth of technologies and sophisticated interior styling make the ILX one of the most refined rides of any vehicle in its class – and an extraordinary driving experience. And with five different trim levels to choose from, including the first Acura hybrid system, the ILX ensures that drivers who want exhilarating performance, leading-edge technology and exceptional fuel efficiency will connect with the vehicle as much as it connects with the road.

Information Provided by:

DEALER

PERFORMANCE

Accelerate the extraordinary.

2.4-litre, i-VTEC® 4-Cylinder Engine*

For those who believe their ride should be as exhilarating as it is luxurious, there is the ILX Dynamic. With a 2.4-litre, DOHC, i-VTEC 4-cylinder engine, it gives you a powerful 201 horsepower and 170 lb.-ft. of torque. And with its close-ratio 6-speed manual transmission, sport-inspired thrills are waiting around every corner.

**Available in the ILX Dynamic.*

Three Transmissions

The ILX gives you plenty of choice with its three transmissions to choose from. The standard 5-speed automatic transmission is partnered with Sequential SportShift® paddle shifters and Grade Logic Control for solid and efficient performance. If fuel economy is essential for you, the ILX Hybrid comes with a Continuously Variable Transmission (CVT), as well as Sequential SportShift paddle shifters and Grade Logic Control. And for drivers who want to amp up their experience even more, the ILX Dynamic has a close-ratio 6-speed manual transmission.

Sequential SportShift® Paddle Shifters

A great drive transcends the barrier between man and machine. Intuitively placed Sequential SportShift paddle shifters and Grade Logic Control help ensure that every gear change is fluid and flawless. Shifting will seem effortless as the line between driver and car begins to blur.

E-PROCESS

Confidence-Inspiring Handling

If you expect a compact sport sedan to be nimble and sporty, then the ILX is perfect for you. The MacPherson strut front suspension enhances your handling and ride comfort, while the Amplitude Reactive Damper reads driver input and road conditions to adjust your drive to suit the surface you're driving on and exactly how you're driving it. Get ready to carve corners with incredible precision.

Advanced Steering

Connecting with the ILX happens as soon as you unleash it on the road. The Motion-Adaptive Electric Power-Assisted Rack-and-Pinion Steering (EPS) lets you enjoy an incredibly responsive ride with exceptional control, precise maneuverability and remarkable handling.

17-inch Wheels*

The ILX makes a bold statement. Its striking appearance is accentuated by the available 17-inch alloy wheels. The larger wheels don't just give the ILX a heavy dose of street style, they let you handle even more of the road.

*Available with the Premium and Technology packages, and ILX Dynamic.

HANDLING

You and the road. Connected.

Information Provided by:
DEALER
E-PROCESS

Hands-Free Communication

You'll connect with the ILX and the ILX will keep you connected. Program and link your Bluetooth®-enabled mobile phone to the HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface to seamlessly make and receive calls over the vehicle's audio system. And manage it all with steering wheel-mounted controls.

SMS Text Message Function*

Standard on all ILX trim levels, the SMS text message function reads incoming texts over the audio system and lets you respond with one of 6 preset replies, with the ease of responding from steering wheel-mounted controls.

*SMS text message function is only compatible with certain devices.

Very High Fidelity

This is the sound of luxury. The available 10 speaker Acura/ELS Surround® 365-watt Premium Audio System* with AM/FM/CD/SiriusXM® Canada Satellite Radio, DVD-Audio and Dolby® Pro Logic™ II makes every drive an incredible sounding one. And with the hard disk drive (HDD) media storage and USB connector, you're always driving to your own beat.

*Available with the Technology package and ILX Hybrid.

Acura Navigation System with Voice Recognition™*

Long drives are a given with the ILX – but getting lost isn't. The available satellite-linked navigation system can pinpoint your location almost anywhere in North America or access its onboard search directory. The system is equipped with bilingual voice recognition software and offers real-time directions by either voice or moving-map display. Just ask and the system can show you the most direct route to your destination or, with the Zagat Survey® ratings, help you find a restaurant based on the type of cuisine you're craving.

*Available with the Technology package and ILX Hybrid.

Smart Entry with Pushbutton Start

Technology that makes things easier, not complicated. That's Acura. And that's smart entry with pushbutton start. You can unlock the vehicle and start it without even having to take your key fob out of your pocket.

TECHNOLOGY
Convenient. Connected.
Cutting-edge.

VERSATILITY
Multi-talented luxury.

Leather-Wrapped Steering Wheel and Shift Knob

If luxury is in the details, then the ILX has it in spades. Standard on every ILX trim level are the leather-wrapped steering wheel and shift knob. Yet another luxurious touch ensuring the ILX is refined and sophisticated.

One-Touch Power Moonroof

Convenient, easy to use and a nice little touch of luxury. At the simple push of a button, the one-touch power moonroof will fully open or close. The tilt feature allows for controlled ventilation and the sliding shade lets you adjust the amount of light you want.

Luxurious Seating

Settle into luxury. The available* tightly bolstered seating with sophisticated perforated leather trim is engineered to keep you comfortable. What's more, drivers benefit from an 8-way power-adjustable seat with lumbar support. And both driver and front passenger enjoy heated seats.

*Available with the Premium and Technology packages, ILX Dynamic and ILX Hybrid.

One-Touch Directional Signals

Convenient and intuitive, one-touch directional signals help you stay focused on driving. With a single touch, the indicator will blink a set number of times. Perfect for highway lane changes, they help make your driving experience that much smoother.

Information Provided by:

ILX Hybrid

The ILX Hybrid is the first hybrid from Acura. Built on a 1.5-litre, i-VTEC® 4-cylinder engine with Integrated Electric Motor, it is designed to help you make less of an impact on the environment while also spending less time at the gas pumps. Its Continuously Variable Transmission (CVT) with Sequential SportShift® paddle shifters, ECON mode and rear spoiler all work together to help the ILX Hybrid achieve outstanding fuel efficiency.

ECON Mode

ECON mode, available exclusively in the ILX Hybrid, is a simple and easy way to help maximize your fuel consumption. When pressing the ECON button, the ILX will automatically adjust the engine and other functions to go into high-efficiency mode.

HYBRID
Extraordinary efficiency.

SAFETY

Safety Through Innovation.

At Acura, Safety Through Innovation is based on the idea that an advanced driving experience starts with advanced safety features. This guiding principle is reinforced through the extensive number of standard safety features and use of innovative technologies you'll find in all Acura vehicles. It's man and machine – connected and protected.

High-Intensity Discharge (HID) Headlights*

See and be seen. Producing an intensely brilliant beam of focused light, HID headlights enhance your ability to identify what's ahead. And they'll not only light up the road, their striking appearance will also turn heads.

*Available with the Premium and Technology packages, and ILX Dynamic.

Hill Start Assist

Like every Acura vehicle, the ILX benefits from a wide range of advanced safety features, including Hill Start Assist, which helps to prevent the vehicle from rolling backwards when on an incline. If you switch from the brake pedal to the accelerator while stopped on a hill, the system activates and halts the vehicle.

Multi-Angle Rearview Camera* with Guidelines

Acura has your back with the multi-angle rearview camera with guidelines. An image appears in the 5-inch colour information display or the navigation system display with the ILX Technology Package, providing you with a clear view from behind your vehicle. Even if the navigation system is turned off, the camera is activated automatically when you engage reverse.

*Does not replace the driver's responsibility to exercise due care while reversing. Available with the Premium and Technology packages, ILX Dynamic and ILX Hybrid.

Vehicle Stability Assist (VSA®)

VSA with Traction Control automatically detects and corrects understeer or oversteer situations, sometimes before you're aware there's a problem. The system intuitively analyzes conditions and reduces throttle and/or applies braking to individual wheels. Should a loss of traction occur on a slippery surface, Traction Control will help ensure you get underway safely.

ACE™ Body Structure

The Advanced Compatibility Engineering™ (ACE) body structure utilizes a high-tensile, high-efficiency steel body structure to provide enhanced protection from a multi-directional collision. ACE reduces the force of a frontal impact by absorbing energy over a large area and dispersing it away from you and other occupants of the cabin. ACE is also designed to help reduce occupant injuries caused by misalignment in collisions between vehicles of different sizes.

Anti-lock Brakes

The 4-wheel Anti-lock Braking System (ABS) helps you maintain steering control when braking hard on wet, slippery or loose surfaces, while Electronic Brake Distribution (EBD) and Brake Assist balances braking forces at each wheel to help compensate for cargo and passenger weight distribution inside the cabin.

Airbags

Significant level of safety is achieved with multiple airbags designed to protect all occupants inside the cabin. Depending on the point and force of impact, the ILX will deploy dual-stage, multiple-threshold front airbags (SRS) that activate at one of two rates depending on the severity of the impact; front side airbags with the innovative passenger-side Occupant Position Detection System (OPDS) that will not release if the system detects a child or small-sized passenger; and side curtain airbags with a state-of-the-art rollover sensor.

ILX

Specifications

ENGINE

Engine	2.0-litre, i-VTEC® 4-cylinder
Horsepower	150 hp @ 6500 rpm
Torque	140 lb.-ft. @ 4300 rpm
Displacement	1997 cc
Bore and stroke	81 x 97 mm
Compression ratio	10.6:1
Emissions	Tier 2 Bin 5
Multi-Point Programmed Fuel Injection system (PGM-FI®)	
Recommended fuel	Premium unleaded

DRIVETRAIN

5-speed automatic transmission with Sequential SportShift® paddle shifters and Grade Logic Control
 Drive-by-Wire Throttle System™
 Hill Start Assist
 Front-wheel drive

FUEL ECONOMY

City/Hwy/Combined	8.6/5.6/7.2 litres/100 km†
City/Hwy/Combined (ILX Dynamic)	9.8/6.5/8.3 litres/100 km†
City/Hwy/Combined (ILX Hybrid)	5.0/4.8/4.9 litres/100 km†

CAPACITIES

Fuel tank capacity	50 litres
Passenger volume	2530 litres
Cargo volume	350 litres
Cargo volume (Premium Package, Technology Package, ILX Dynamic)	348 litres
Cargo volume (ILX Hybrid)	283 litres

SAFETY

3-point seat belts with Automatic Tensioning System (front)
 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) and Brake Assist
 Advanced Compatibility Engineering™ (ACE™) body structure
 Childproof rear door locks
 Dual-stage, multiple-threshold front airbags (SRS)
 Front side airbags with passenger-side Occupant Position Detection System (OPDS)
 Immobilizer Theft-Deterrent System
 Security system
 Side curtain airbags
 Vehicle Stability Assist (VSA®) with Traction Control

EXTERIOR

Body-coloured door handles
 Body-coloured heated folding power side mirrors with expanded view driver's mirror
 Front splash guards
 One-touch power moonroof with tilt feature
 Projector-beam halogen headlights

CHASSIS

16" x 6.5" alloy wheels
 Amplitude Reactive Damper
 Compact spare tire
 Front and rear stabilizer bars
 MacPherson strut front suspension
 Motion-Adaptive Electric Power-Assisted Rack-and-Pinion Steering (EPS)
 Multi-link rear suspension
 Power-assisted, ventilated front disc/solid rear disc brakes
 Tires: P205/55 R16 89H all-season

EXTERIOR DIMENSIONS

Curb weight	1330 kg
Curb weight (Premium Package)	1339 kg
Curb weight (Technology Package)	1350 kg
Curb weight (ILX Dynamic)	1354 kg
Curb weight (ILX Hybrid)	1356 kg
Ground clearance – full-load	113 mm
Ground clearance – full-load (ILX Dynamic)	106 mm
Ground clearance – full-load (ILX Hybrid)	117 mm
Gross vehicle weight rating	1800 kg
Height	1412 mm
Length	4550 mm
Steering ratio	15.11
Steering turns lock-to-lock	2.87
Track – front/rear	1509/1532 mm
Wheelbase	2670 mm
Width	1794 mm

SEATING & TRIM

Floor mats
 Fold-down rear-seat centre armrest
 Fold-down rear seatback††
 Leather-wrapped steering wheel and shift knob
 Sport seats with cloth-trimmed interior

COMFORT & CONVENIENCE

5-inch colour information display
 Auto-off headlights
 Ambient cabin lighting
 Driver's and front passenger's illuminated vanity mirrors
 Dual-zone automatic climate control system with air filtration
 HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface with steering wheel-mounted controls
 One-touch directional signals
 Maintenance Minder™ system
 Map lights
 Power windows with driver's and front passenger's auto-up/down operation
 Remote fuel filler door release
 Smart entry with pushbutton start
 SMS text message function*
 Steering wheel-mounted audio and cruise controls
 Tilt and telescopic steering column
 Variable intermittent windshield wipers

ENTERTAINMENT

Audio System with AM/FM/CD tuner with MP3/Windows Media® Audio capability and 6 speakers
 MP3/auxiliary input jack
 USB device connector

INTERIOR DIMENSIONS

Headroom – front/rear	964/913 mm
Hip room – front/rear	1276/1312 mm
Legroom – front/rear	1071/858 mm
Shoulder room	1412/1360 mm
Seating capacity	5

PACKAGES

PREMIUM PACKAGE

(Adds to ILX features)
 17" x 7" alloy wheels
 Automatic day/night rearview mirror
 Auto-on/off headlights
 Driver's seat with 8-way power adjustment including lumbar support
 Fog lights
 Heated front seats
 High-Intensity Discharge (HID) headlights
 Leather-trimmed seats
 Multi-angle rearview camera‡ with guidelines
 Premium Sound System with SiriusXM® Canada Satellite Radio** and 7 speakers including subwoofer
 Tires: P215/45 R17 87V all-season

TECHNOLOGY PACKAGE

(Adds to Premium Package)
 8-inch LED backlit VGA display
 Acura Navigation System with Voice Recognition™
 Acura/ELS Surround® Premium Audio System with AM/FM/CD/SiriusXM® Canada Satellite Radio,** 10 speakers, hard disk drive (HDD) media storage, DVD-Audio and Dolby® Pro Logic™ II
 HomeLink® remote system

ILX DYNAMIC

(Adds to Premium Package)
 2.4-litre, DOHC i-VTEC® 4-cylinder engine
 Horsepower: 201 hp @ 7000 rpm
 Torque: 170 lb.-ft. @ 4400 rpm
 Displacement: 2354 cc
 Bore and stroke: 87 x 99 mm
 Compression ratio: 11:1
 Close-ratio 6-speed manual transmission (MT)
 Metal racing pedals

ILX HYBRID

(Adds to or replaces Technology Package)
 1.5-litre, i-VTEC® 4-cylinder engine with Integrated Electric Motor
 Horsepower: 111 @ 5500 rpm
 Torque: 127 lb.-ft. between 1000 and 3500 rpm
 Displacement: 1497 cc
 Bore and stroke: 73 x 89 mm
 Compression ratio: 10.8:1
 Emissions: Tier 2 Bin 3
 16" x 6.5" alloy wheels
 Tires: P205/55 R16 89H all-season
 Continuously Variable Transmission (CVT) with Sequential SportShift® paddle shifters and Grade Logic Control
 Ecological Drive Assist System™ (Eco Assist™)
 ECON mode button
 Tire Repair Kit (TRK)
 Rear spoiler

*SMS text message function is only compatible with certain devices.

**Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at www.xmradio.ca or www.sirius.ca

†Based on 2012 EnerGuide Fuel Consumption Guide ratings published by Natural Resources Canada. Transport Canada approved test methods used. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only.

††Not available on ILX Hybrid.

‡Does not replace the driver's responsibility to exercise due care while reversing.

At Acura, when innovation and performance meet purpose, remarkable things can be achieved. Through our commitment and continued involvement with events and organizations across Canada, we seek to create engaging and inspiring experiences for our customers and our community. Because at Acura we believe exhilaration goes beyond the driver's seat.

HOTELS

Acura has teamed up with W Hotels – a global luxury chain – to provide a fully loaded partnership that offers guests complimentary transportation in an Acura vehicle. The Whatever/ Whenever® service gets guests where they need to go in advanced luxury and style.

Acura is honoured to be the Canadian broadcast sponsor of golf's most historic and time-honoured tournament. The Masters is golf's first major open of the season and is famous for its ceremonial "Green Jacket" winner's presentation.

Driving a luxury vehicle should go beyond engineering and amenities. That's why Acura is committed to ensuring your ownership experience is equally luxurious. New Acura owners benefit from four-year 24-hour Roadside Assistance, which includes Dispatch Emergency Roadside Service, Emergency Lockout Service and Traffic Accident Services. See your Acura Retailer for details.

Warranty

Your new Acura vehicle comes with the following warranties: Major Component – 5-year/100,000-km limited warranty • Vehicle – 4-year/80,000-km Distributor's limited warranty • Rust Perforation – 5-year unlimited-distance warranty • Surface Corrosion – 4-year/80,000-km • Accessories – 4-year/80,000-km limited warranty (when installed by an authorized Acura Retailer at time of new vehicle delivery). Regular maintenance items and parts are subject to normal wear and replacement, and are not covered by warranty. Certain other items are excluded and certain conditions apply. See your Acura Retailer for details.

Acura Plus

Extend your worry-free ownership experience by purchasing additional coverage. Choose from Acura's flexible selection of Mechanical Coverage that extends up to 8 years or 200,000 km, whichever comes first. See your Acura Retailer for details.

Leasing And Financing

Owning your Acura is easy. See your Acura Retailer for complete details on Conventional Financing.*
