Packages

Roof Rack and Running Board Package — includes roof rails with cross bars and running boards

Navigation System³ — includes voice-activated DVD navigation system³ with 7-in. display and backup camera,⁴ Bluetooth^{™5} wireless technology, integrated audio and climate controls, and JBL AM/FM Cassette/center console-mounted 6-disc CD/DVD changer; seven speakers, 300 watts (maximum output), FM diversity reception and adjustable power antenna

Option

- Driver and front passenger seat-mounted side airbags and front- and second-row roll-sensing side curtain airbags⁸ (RSCA) with cutoff switch

1. Without compass on models with navigation system.

2. HomeLink[®] is a registered trademark of Johnson Controls, Inc.

3. The Toyota DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographical updates available at an additional cost. See your *Navigation System Owner's Manual* and your Toyota dealer for further details.

4. The backup camera, available only with the navigation system, does not provide a comprehensive view of the entire rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance.

5. Bluetooth[™] is a registered trademark of Bluetooth SIG, Inc.

6. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

7. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

8. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold. The side airbags and side curtain airbags are designed to deploy in certain types of severe side-impact collisions. The front and rear side curtain airbags are also Roll-Sensing Curtain Airbags (RSCA) and are designed to deploy at a severe tilt degree, roll or lateral G-force. In all other accidents, the airbags will not deploy. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

SPECIFICATIONS
Mechanical/Performance

Engine	4.7-liter DOHC 32-valve EFI V8 235 hp @ 4800 rpm; 320 lb.-ft. @ 3400 rpm
Ignition	Electronic, with Toyota Direct Ignition (TDI)
Transmission	5-speed electronically controlled automatic overdrive (ECT) with second-gear start mode and power mode
Body construction	Unitized steel body on 9-member ladder frame
Drivetrain	Full-time 4-wheel-drive system with locking center differential
Suspension	Independent double-wishbone front suspension with torsion bar springs and stabilizer bar; 4-link rear suspension with coil springs, stabilizer bar and semi-floating axle
Steering	Engine speed-sensing power-assisted rack-and-pinion
Turning circle diameter — curb to curb (ft.)	39.7
Brakes	Power-assisted 4-piston front/2-piston rear ventilated disc brakes with hydraulic brake booster with Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist ¹ ; ABS operates in high and low ranges
Traction Control (TRAC)	Standard
Vehicle Stability Control (VSC) ²	Standard

Exterior Dimensions (in.)

Spare	Full-size with alloy wheel

Mileage Estimates (mpg city/highway)⁶

AWD	13/16
-----	-------

1. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

2. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

3. Includes weight of occupants, optional equipment and cargo; limited by weight distribution.

4. Cargo and load capacity limited by weight and distribution.

5. Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions and cautions from your trailer hitch manufacturer and Toyota vehicle *Owner's Manual*. The maximum amount you can tow depends on the total weight of any cargo, occupants and optional equipment.

6. 2005 preliminary mileage estimates determined by Toyota. EPA mileage estimates not available at time of posting. Actual mileage may vary.

COMBINATIONS
LAND CRUISER¹

Land Cruiser MSRP Starting At²:
 \$55,325 (shown above \$55,890)

Standard 18-in. 5-spoke aluminum alloy wheel

1. Vehicle shown with available roof rack and running board package.
2. 2005 Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$540 for Cars and \$565 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC and SC is \$35 higher for Trucks, Sienna and SUVs, and \$50 higher for all other Toyota vehicles. The Delivery, Processing and Handling Fee in AR, LA, MS, OK and TX is \$35 higher for all Toyota vehicles. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Owner's Warranty Information* booklet for details.

Accessories: Accessories installed at the time of the new vehicle purchase are covered for 36 months/36,000 miles from the vehicle's in-service date, whichever occurs first, under the New Vehicle Limited Warranty.

Accessories installed by the dealer after the new vehicle purchase are covered for 12 months, regardless of mileage, from the accessory installation date, or the remainder of the New Vehicle Limited Warranty, whichever provides greater coverage.

Accessories purchased over the counter are covered for 12 months from the date of purchase. Car covers are warranted for 12 months from the purchase date and are not covered by the New Vehicle Limited Warranty.

TOYOTA FINANCIAL SERVICES*

Now that you're thinking about a Toyota, you may also want to consider leasing or financing the purchase of your new vehicle through your participating dealer and Toyota Financial Services (TFS). TFS offers a variety of high-quality finance and lease products to complement your lifestyle. At TFS we realize that purchasing or leasing a vehicle is a major commitment and we have developed some of the finest customer-focused finance and insurance solutions

to help protect your interests over time. And in most cases, you may include your cost for these products in your finance or lease contract. Few companies can match the expertise, customer care and total value of TFS. Ask your Toyota dealer or go to www.toyotafinancial.com for details.

*Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services.

Toyota Land Cruisers are designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receivers/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions).

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Customer Assistance Center at 1-800-331-4331.
