LOWER BODY GRAPHIC

Run this lower body graphic down the side of the car, and you'll add a visual exclamation point to the sleek lines of your tC.

- > Features dual stripes and integrated Scion logo
- > Dark graphite color ensures the graphic stands out on most vehicle colors
- > Made from tough, UV-resistant polyurethane that won't yellow, fade or peel

ALLOY WHEEL LOCKS

Your wheels look good. Ward off would-be thieves with these triple-nickel chrome plated wheel locks.

- › Weight-matched to the stock lug nut weight, making rebalancing unnecessary
- › Special key tool and collar guide enable simple, five-minute installation
- › Triple-nickel chrome plating helps ensure superior corrosion protection and enduring shine
- › Resistant to lock-removal tools; operated by a single unique key

MUDGUARDS

Help keep the lower side panels of your machine pristine while protecting against chipping.

- › Precise fit to match vehicle body panels and structure
- › Meets factory ground clearance entry and departure angles

FOG LIGHTS

Designed to integrate seamlessly into the lower front end of your tC, the fog light kit features high-performance halogen bulbs that slice straight through extreme fog, heavy rain, or snow to help you see the edges of the road.

- > High-performance halogen bulbs are corrosion- and shock-resistant
- > DOT-approved beam pattern

REAR LIP SPOILER – HIGH PROFILE

Give the silhouette of your tC a jolt of attitude with the color-keyed rear spoiler.

- › Paint color precisely matched to the tC color palette
- › Paint and material quality meets factory specifications for appearance and performance

REAR LIP SPOILER – LOW PROFILE

All the style, in a subtler package. Complete your tC with the low profile spoiler in its unique, two-tone finish.

- › Paint color precisely matched to the tC color palette
- › Spoiler features a custom two-tone finish
- › Paint and material quality meets factory specifications for appearance and performance
- › Features a carbon-fiber Scion logo badge

REAR BUMPER APPLIQUÉ

The rear bumper takes a lot of abuse. You can't always protect it from the driver behind you, but you can help keep the top surface scuff-free with the logoed rear bumper appliqué.

- Designed and cut for an exact fit to the vehicle's rear bumper
- High-grade colorless, durable urethane film with UV protection

A close-up photograph of a car's B-pillar. The pillar is finished with a carbon fiber texture. A small, silver 'tC' logo is visible on the lower part of the pillar. The car's body is dark, and the background is a solid blue color.

CARBON FIBER B-PILLAR APPLIQUÉ

Details matter. It may be a small appliqué for your B-pillar, but the aficionados will notice.

- › Composed of real carbon fiber
- › Designed specifically for the tC's B-pillar, ensuring a precise fit
- › Urethane top coat helps prevent peeling or yellowing

PAINT PROTECTION FILM

Like a clear suit of armor, Genuine Scion paint protection film¹ helps guard your vehicle from road debris that can chip and scratch the finish. Manufactured from durable, nearly invisible urethane film layers which contain UV protectants to help resist yellowing.

- › Paint protection film is available in kits for the hood/fenders, and for the front bumper (each sold separately)
- › Features multiple layers for strength and durability

DOOR SILL ENHANCEMENTS

Liven up the entryway to your tC with these stainless steel door sill enhancements, which look good and help protect against scuffs and damage.

- › Durable stainless steel construction
- › Designed for precision fit and finish
- › Distinctive stamped Scion logo

ILLUMINATED DOOR SILLS

Let that little light of yours shine, but give it some help in the form of illuminated door sills². Either individually or together with the interior light kit, they let you customize the mood of your tC's cabin.

- > Illuminates the tC's front door sills in seven selectable LED color choices (blue, turquoise, green, yellow, red, purple or white)
- > Lights come on when front doors are opened
- > Durable stainless steel construction
- > Interior light kit sold separately

INTERIOR LIGHT KIT

Your individuality always shines through, especially in the dark. The interior light kit² casts a glow around the footwell area in your choice of seven colors.

- > Seven LED color choices (blue, turquoise, green, yellow, red, purple or white)
- > Lights come on when doors are opened or when the key is in the "on" position
- > Light stays on while driving, but the user can toggle to the "off" mode

CARPET FLOOR MATS

Keep your carpet looking as good as the day you bought your tC with carpet floor mats³, styled to perfectly fit the footwell and enhanced with an embroidered tC logo.

- Made of high-grade, 20-oz. plush nylon carpeting with an attractive border
- Nibbed backing and quarter-turn fasteners (on the driver's side) help keep the mat in position
- Removable and easy to clean

ALL-WEATHER FLOOR MATS

Be one with the mud; just keep it managed. The easy-to-clean all-weather floor mats³ help protect your carpet from the filth.

- Durable rubber/vinyl material with ribbed channels and raised edges
- May be used in place of carpet floor mats
- Nibbed backing and quarter-turn fasteners (on the driver's side) help keep the mat in position
- Removable and easy to clean

CARGO COVER

Keep prying eyes off the goods. The cargo cover⁴ enhances privacy while protecting the contents of your cargo area from damaging UV rays.

- › Attaches to rear seats
- › Constructed of durable UV-resistant knit material
- › Features the Scion logo as part of the material design
- › Folds up easily to stow under cargo floor when not in use

A high-angle view of the open trunk of a dark-colored Scion tC. The trunk is lined with a dark grey carpet. A large olive green canvas bag with brown straps and a vertical orange stripe is positioned in the center. To its left is a small white and brown chevron-patterned pouch and a pair of bright orange headphones. The Scion logo is visible on the front edge of the trunk floor.

CARPET CARGO MAT

Despite your own superhuman efforts, the tC's interior will be subject to wear and tear. Let the carpet cargo mat⁴ take the heat instead and keep the car's carpet pristine.

- > Made of high-grade, plush nylon carpeting with an attractive border
- > Diamond-patterned backing helps keep the mats in position
- > Removable and easy to clean

CARGO NET – SPIDER

Life may be chaotic, but your cargo area needn't be. Secure and organize its contents with this cargo net⁴.

- > Zipper-style closure and netting accommodate items of various shapes and sizes to ensure they don't shift around or tip over
- > Folds flat for storage when not in use
- > Easy to install; attaches to defined points in rear cargo area

CARGO TRAY

You love to get dirty, but that doesn't mean your tC does too. Keep the consequences of spillage and everyday grit to a minimum in the area behind the rear seats with the tough, flexible and lightweight cargo tray⁴.

- Easy to install and remove
- Cleans with soap and water
- Perimeter lip helps contain spills, debris and liquids
- Skid-resistant surface helps keep cargo from sliding around
- Uniquely designed and custom fitted to the tC's cargo floor

CARGO TOTE

You have better things to worry about than the condition and whereabouts of your groceries. Keep them organized and upright with this convenient cargo tote⁴.

- Features carrying handles and rigid removable dividers
- Soft-sided tote folds flat when not in use and pops up when needed
- Tough outer fabric is durable and water resistant

SHIFT KNOBS

Shift up. Shift down. Shift just because it feels good. The weighted, leather-wrapped shift knob elevates your interaction with your tC with every gear change.

- › Wrapped with handsomely stitched perforated and smooth leather
- › Simple, screw-on direct replacement installation
- › Satin silver metallic finished base
- › Features tC logo
- › Weighted for a solid feel

AUTOMATIC

AUTO-DIMMING REARVIEW MIRROR

Don't let the high beams behind you ruin your nighttime drive. The auto-dimming mirror lessens the impact, while bathing your center console area with a soft glow from an LED light.

- › Automatic progressive dimming can be turned on or off as needed
- › Helps reduce eyestrain and driver fatigue
- › Features an amber-colored LED console light on the underside of the mirror to illuminate the gearshift area

TRD SHIFT KNOB (A/T)

Engineered to fit ideally into the palm of your hand, provide a confident grip and add a bit of extra finish to your cabin.

- Black leather-wrapped shift knob with a prominent red TRD logo
- Fits Scion M8 x 1.25 metric thread shift levers
- Installs easily for a precise fit

TRD QUICKSHIFTER

Motoring enthusiasts know the visceral pleasure of a short throw shifter. The TRD quickshifter shortens your throw by up to 30% and provides a more precise, positive shifting action.

- Manufactured from 7075 series aluminum with a protective hard-anodized red finish
- Optimizes linkage and location to shorten shift throw
- Simple remove and replace installation with no drilling or special tools required; hardware and instructions included

TRD 19-IN. ALLOY WHEELS

Few things affect the stance of your vehicle like big, gleaming wheels. Become the aggressor with these TRD 19-in. lightweight alloy wheels⁵.

- > 7-spoke design with snap-in TRD center cap
- > Gloss graphite silver finish
- > Incorporates the proper weight, offset and brake clearance to ensure proper fit, finish and reliability
- > Extensive ride, handling and strength tests help ensure wheels meet TRD's high quality standards

TRD HIGH-PERFORMANCE BIG BRAKE KIT

Drive like you mean it. Even more importantly, stop with authority. The increased stopping power from the TRD high-performance big brake kit decreases stopping distance, even during heavy braking, while increasing your confidence.

- Four-piston opposed fixed calipers optimized for stiffness within a two-piece bolted body and bolt-in bridge for consistent performance
 - ▶ Caliper piston sizing is optimized specifically for the tC to help maintain braking torque distribution between front and rear axles (confirmed in TRD and independent testing)
 - ▶ Dust boots on caliper pistons protect moving parts from corrosion and road debris
 - ▶ Designed to provide consistent performance in repeated or heavy braking by helping eliminate brake fade, and controlling pad wear caused by high temperatures
- Rotors' cross-drilled friction surface improves initial "bite" in wet or rainy conditions and assists in removal of consumed pad material or debris, providing an optimized friction interface for consistent performance
 - ▶ Special cooling vane configuration eliminates unwanted resonance of the rotor, reducing the likelihood of brake noise—ensuring comfort isn't sacrificed for performance
 - ▶ E-coated non-friction surfaces maximize corrosion resistance and ensures durability under harsh conditions
- Ceramic compound brake pads provide optimal balance of temperature capability, friction level, pedal feel, dust and noise for performance driving
- DOT-compliant stainless steel braided brake lines with Teflon® inner liner help reduce expansion under pressure for optimum pedal feel
- For front axle only

TRD LOWERING SPRINGS

Release the athletic potential of your tC by installing TRD lowering springs. Reducing your tC's center of gravity by about one inch will get you quicker turn-in, cornering and enhanced steering response on a variety of road surfaces.

- Features TRD-developed proprietary spring rates (linear in front, progressive in rear)
- Lowers vehicle's center of gravity by approximately 1-in. (1 1/8-in.)
- Designed to work with stock struts and shock absorbers
- Red powder-coat finish provides superior corrosion resistance

TRD FRONT STRUT TIE BRACE

Flexibility. Good to have at work. Bad in your car when driving hard. The TRD front strut tie brace increases chassis rigidity for enhanced handling precision.

- Manufactured from lightweight, high-strength TIG-welded extruded aluminum
- TRD-engineered and tested for optimal strength and efficiency
- Powder-coated in a TRD red finish for maximum protection and durability, with a bold TRD logo on a brushed stainless steel plate

TRD PERFORMANCE EXHAUST

Let your tC stimulate every one of your senses. Achieve a deeper and more resonant exhaust note with the TRD performance exhaust.

- > Race-tested, satin-finished muffler body with a double-walled, wide-diameter, slant-cut rolled edge exhaust tip
- > Uses OEM connector flanges and gaskets and reuses factory hardware and hangers for easy, professional no-drill, no-cut installation
- > Maintains high factory quality standards for performance and strength
- > Crafted with precision-welds for a jewel-like appearance
- > Stainless steel pipes
- > Emissions legal in all 50 states

TRD PERFORMANCE AIR INTAKE

The TRD performance air intake⁶ system creates more horsepower and torque by bringing cooler, denser air to your engine. Replacing the upper half of the stock air box, air filter and inlet hose assembly, the system features an injection-molded, larger-volume upper air box. Designed to work with the factory ECU and emissions system.

- > Dyno-tested and designed to deliver an increase in both horsepower and torque for improved acceleration
- > Tested according to TRD's stringent performance standards
- > Emissions legal in all 50 states

TRD PERFORMANCE AIR FILTER

This TRD air filter is designed to help protect and maintain the life of your engine.

- Unique oiled four-ply cotton gauze in polyurethane body
- Enclosed in durable epoxy coated mesh and an elastomeric seal for a precise, leak-free fit
- Allows for improved air flow into the engine
- Washable and reusable—regular cleaning ensures free airflow and top performance
- Designed to last the lifetime of the vehicle
- Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

TRD PERFORMANCE OIL FILTER

Designed to remove impurities through a 100% synthetic fiber filtration medium, the TRD Oil Filter is designed to keep your oil pure as long as possible and help enhance the life of your engine.

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Vitron housing gaskets and drain adapter

TRD OIL CAP

The heritage of the legendary Toyota Racing Development is on display every time you pop open your hood when you replace your stock oil cap with this highly polished, perfect fit, forged billet aluminum cap.

- High-luster coating ensures long-term appearance
- Maintains high factory quality standards for performance and strength

BESPOKE AUDIO WITH NAVIGATION

Your search is over. With the BeSpoke Audio⁷ with Navigation⁸, you'll get the assurance of dynamic maps with route overlay and turn-by-turn directions to your destination with geo-located points of interest. Scion helps keep you connected so that you can be informed.

- BeSpoke[®] Audio with Navigation features Aha[™], available from Harman on iTunes^{®9} and Google Play^{®10}
- Push-to-Talk recognizing navigation, media, and phone commands, including a new one-shot destination feature, which allows you to say the entire address without pausing
- Designed for the vehicle, as well as touch-sensitive screens of smartphones and tablets, Aha[™] features clear, simple menus to access:
 - ▶ Over 100,000 Internet radio stations and podcasts and audiobooks
 - ▶ Personalized music channels
 - ▶ Sports, tech, business and international news
 - ▶ Social media like Facebook[™] and Twitter[™]
 - ▶ Location Based Services to find local restaurants, coffee, hotels, and weather updates like Yelp![™] and TripAdvisor[®]
- Installation can be completed at time of purchase or at a later date. See your dealer for details.

* WHEN USING AHA, DEPENDING ON THE DETAILS OF YOUR SMARTPHONE CONTRACT, DATA USAGE FEES MAY APPLY. CONFIRM DATA USAGE FEES BEFORE USING THIS SERVICE.

1. The Scion Genuine Accessory Warranty will only apply when the installation is performed by a trained Scion-approved installer. Please see dealer for details.
2. Requires interior light controller kit, which includes an ECU and push-button light switch for quick and easy toggling through color selections to create your own personalized vibe. Fully compatible with Illuminated Door Sills (if so equipped), enabling color selections for the illuminated door sills and interior light kit to synchronize; only one switch kit required when vehicle is equipped with both illuminated door sills and interior light kit.
3. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
4. Cargo and load capacity limited by weight and distribution.
5. 19-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending upon tires selected and driving conditions.
6. The TRD performance air intake is to be sold as a dealer installed or over-the-counter option, after the retail sale of the vehicle. The performance air intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle.
7. Always drive safely and obey traffic laws. Apps/services vary by phone carrier & are subject to change. Data charges may apply. Apps mentioned & identified by ™ or © are trademarks or registered trademarks of their respective companies. See Scion.com for details.
8. Always drive safely, obey traffic laws & focus on the road while driving. Availability and accuracy of the information provided by the Navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Navigation updates are available at an additional cost from your local Scion dealer. See your Navigation System Owner's Manual or Scion dealer for details.
9. iPhone® not included. iPhone and iTunes are registered trademarks of Apple Inc.
10. Google Play is a registered trademark of Google Inc.
